I've been taking care of my little sister for a long time. When Mom was gone, she suddenly became my responsibility. The best years of my life were spent being a caretaker to someone else...with no one to take care of me. So I moved to Paris for my study-abroad program and ended up staying, getting a French Literature degree, studying the classics while sipping the

best wine I'd ever had. My sister never makes the best decisions, always makes messes to clean up, and it's finally time for me to have my own life. But when she comes to Paris for a visit...she brings trouble with her. She gets herself into a bad situation, and of course, I come to her rescue...like I always do. Now we're in a labor camp in the middle of nowhere, surrounded by endless snow and

mountains, processing drugs for a group of men that never show their faces. There's no chance of escape in this wilderness. Except for my guard. He's not a saint, but he's the only man that's kind to me. He knows I want to escape, but he never reports me. When I've had a hard day, he brings me extra things to make my life easier. He tells me not to run because I'll never make it...but he brings me little hidden

tools...as if
he's giving me
the
means. Like he
wants me to
be free.

Harlequin Comics Ava Miles Inc. International Bestselling Author Ava Miles' new family series, The Merriams, is back with a good guy trying to get his bad boy on, a good girl starting a risky perfume venture, and everyone's

favorite matchmakers. Beau Masters wants to be a bad boy. All his life, he's been careful to be the good guy country singer, the boy-next-door, who opens doors for ladies and says "aw, shucks, ma'am." But a decades-old secret blows the hinges off the door to his life. Everything he thought he knew has scattered to the wind, leaving him questioning who he really is. So when Caitlyn

Merriam asks him to be the celebrity spokesperson for the new perfume she's creating in far-off Provence, he swaps out his white cowboy hat for a black one and packs his bags to get away from the past. Caitlyn didn't expect the gorgeous rockstar to join her in her quaint farmhouse in the French countryside. She figures it will only worsen her crush on him. But as Beau tries to get his bad boy on (rather

unsuccessfully, in her opinion), she knows something is wrong and calls in back-up. Uncle Arthur and Aunt Clara might be bent on matchmaking these days, but they know how to straighten someone out, and Caitlyn needs all the help she can get to keep her spokesperson on track. But soon it's not just about business, and they're holding hands and walking the lavender

fields together. Until Beau's secret threatens to bring down her new venture and the love blossoming between them. ----- If you love books by Nora Roberts, Nicholas Sparks, Susan Elizabeth Phillips, Debbie Macomber, Robyn Carr, Elin Hilderbrand, Danielle Steele, Barbara O'Neal, Susan Mallery, Kristan Higgins, Sherryll Woods, Jill	Shalvis, Roisin Meaney, Melody Grace, Melissa Foster, Addison Cole, Bella Andre, Lucy Kevin, Brenda Novak, Catherine Bybee, Tricia O'Malley, Kathryn Andrews, RaeAnne Thayne, Sheila O'Flanagan, Cathy Kelly, Ruth Hogan, Jenny Colgan, Shari Low, Sophie Cousens, Portia MacIntosh.  I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout “MEDIC!” training just

kicks in. It’s automatic, immediate. I don’t think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he’d been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The

trouble with Zane isn’t getting him, it’s keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn’t know what to do with him. It’s not in my nature, and if life has taught me anything, it’s to not trust anyone, least of all men like Zane. He’s a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience

and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it's a conflict as old as humanity itself, but it's brand new for me. * * * Life as Navy SEAL doesn't exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—drea

ms I didn't know I'd had until I saw her—explodes into my life like a frag grenade? I'm trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you

think you've got it finally figured out, fate throws you a screwball and sends everything FUBAR. Just six-plus feet of raw, sexual energy. Whoever heard of a dad being so hot? From the sparkle in his daughter's eyes, Aaron can see that hiring Callie was a good decision. But Callie's breathtaking smile and long

legs have him thinking about his own needs. Aaron knows it's a bad idea to get involved with the nanny, but it's been years since anyone has captivated him like Callie. When living under the same roof proves too tempting to resist, Callie and Aaron discover a mind-blowing passion unlike anything either has experienced. I've been through hell to get to this place. To wear the perfect white dress and stand beside Royce Hale, the liar I tried desperately not to fall in love with and

It's win at all costs in this family, and I know now just how far the Hales will go to get what they want. Stanford gave up the only woman he ever loved so she could have the family she wanted. And she'd found it—with one of his teammates. A betrayal that cut so deep that, years later, it still bled. But his sacrifice was all for naught—the one thing he never wanted for her happened—she lost her husband on the battlefield. Now she's back. In his life, in his space, and opening old

wounds. The mere sight of her destroyed him, but seeing her daughter—excruciating. The little girl was a living reminder of everything they lost. The one thing he could never get over. Charleigh Towler understood how one decision could change the trajectory of life. One night, too much alcohol and overwhelming hurt led her to make a bad decision. One she couldn't regret because out of

that she made her daughter. But it had forever altered her path. For years she'd paid for her perceived mistake until the man she'd never stopped loving was almost killed and she reevaluated her life. She was done allowing Holden Stanford to hide. Never one to dally, she packed up her life and moved to Maryland to do something she should've done years ago—fight for the man she

loved. Close to getting everything they should've always had, Charleigh's life is thrown off its path again—only this time it's her daughter's life that hangs in the balance.
