Ninth-grader Philip Malloy's suspension for humming "The Star-Spangled Banner" during homeroom becomes a national news story.

*A Documentary Novel* Simon and Schuster

This extensively revised and expanded edition broadens the reach and depth of the permaculture approach for urban and suburban gardeners. The text's message is that working with nature, not against it, results in more beautiful, abundant, and forgiving gardens.

*Frost Like Night* Piatkus Books

A heartfelt, sweet, social justice-themed ode to blended and unconventional families—perfect for fans of Rita Williams-Garcia, Lisa Graff, and Sara Pennypacker. This middle grade novel is an excellent choice for tween readers in grades 5 to 6, especially during homeschooling. It's a fun way to keep your child entertained and engaged while not in the classroom. In this sequel to *Two Naomis*, now that Naomi Marie's mom and Naomi E.'s dad are married, the girls have learned to do a lot of things together, like All-Family Sunday dinners, sixth-grade homework, navigating the subway system by themselves, and visiting their favorite bakeries. Until sixth grade in a new school presents a whole new set of surprises and challenges. Trusting her gut has worked for Naomi E. all her life, and she figures that it will be an asset to her role as a Peer Mediator—until she realizes how much of the job requires the Art of Compromise, which she's only just starting to get used to at home. Naomi Marie is excited about making new friends—but she wants to keep old ones too. And when she sees that some in the school community have a hard time with the realities of "diversity in action," she wonders if the new members of her family can see those realities as well. As the girls deal with the ups and downs of middle school and the mysteries of family dynamics, they learn that even when life and school try to drive you apart, it's ultimately easier to face everything together.

Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981.

Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. John Berendt's sharply observed, suspenseful, and witty narrative reads like a thoroughly engrossing novel, and yet it is a work of nonfiction. Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young redneck gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the "soul of pampered self-absorption"; the uproariously funny black drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young blacks dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience. Brilliantly conceived and masterfully written, this enormously engaging portrait of a most beguiling Southern city has become a modern classic.

From legendary playwright August Wilson comes the powerful, stunning dramatic bestseller that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize. Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less. This is a modern classic, a book that deals with the impossibly difficult themes of race in America, set during the Civil Rights Movement of the 1950s and 60s. Now an Academy Award-winning film directed by and starring Denzel Washington, along with Academy Award and Golden Globe winner Viola Davis.

Return once again to the enduring account of life in the Mojo lane, to the Permian Panthers of Odessa -- the winningest high school football team in Texas history. Odessa is not known to be a town big on dreams, but the Panthers help keep the hopes and dreams of this small, dusty town going. Socially and racially divided, its fragile economy follows the treacherous boom-bust path of the oil business. In bad times, the unemployment rate barrels out of control; in good times, its murder rate skyrockets. But every Friday night from September to December, when the Permian High School Panthers play football, this West Texas town becomes a place where dreams can come true. With frankness and compassion, Bissinger chronicles one of the Panthers' dramatic seasons and shows how single-minded devotion to the team shapes the community and inspires--and sometimes shatters--the teenagers who wear the Panthers' uniforms. Includes Reader's Group Guide inside. Now a major motion picture starring Billy Bob Thornton.

George Orwell's *Nineteen Eighty-Four* is unquestionably the most famous dystopian novel of all times. Written in the year of 1948, the author swapped the last two digits while describing a future totalitarian society where the minds, attitudes and actions of the subjects are thoroughly scrutinized by the "Thought Police", suspected dissidents tracked down and where the worship of the mythical

party leader Big Brother is forced upon the masses. The low-ranking party member Winston Smith begins secretly to question the whole system and initiates a forbidden love affair with another party member.
