Guli Francis-Dehqani was born in Isfahan, Iran, to a family who were part of the tiny

Anglican Church established by 19th century missionaries. Her father, a Muslim convert, became the first indigenous Persian bishop. As the Islamic Revolution of 1979 swept across the country, church properties were raided, confiscated or closed down. Guli's father was briefly imprisoned before surviving an attack on his life, which injured his wife. Soon after, whilst he was out of the country for meetings, Guli's 24 year-old brother, Bahram, a university teacher in Tehran, was murdered. No one was ever brought to justice and the family were advised to leave Iran. Guli was 14. They eventually settled in England with refugee status. Drawing on the riches of Persian

culture and her own dramatic experience of loss of a homeland, Guli offers memorable and perceptive reflections on Jesus' seven final sayings from the cross, opening up for Western readers fresh and arresting insights from a Middle Eastern perspective.

The Revised English Hymnal Full Music Edition Canterbury Press Norwich

The 20th century, especially the latter decades, was a time of explosive growth and importance in hymnody, and yet published material about the hymnody of this period has been scattered and difficult to come by. The present volume catalogues and categorizes the available writings to guide students and scholars in their research. Furthermore, this reference does not depend primarily on the view of the author/compiler, but guides users toward a broad spectrum of viewpoints about 20th-century hymnody.

Listing the principal writings on the repertory, language, practice, and people of hymnody during the last century, this annotated bibliography offers students and researchers alike a handy reference for a vast and varied field. Beginning with a unique introduction to and summary of hymnody in the 20th century, *Music* arranges the entries by topic, dividing each chapter by helpful subject headings. The repertory of the twentieth century, and language issues are discussed. Practical elements of hymnody are covered, while the final chapter lists writings about individual hymn writers and other influential persons in the field. *Music* provides a brief

annotation for each entry and uses numerous cross-references, guiding the reader to relevant material in other sections of the book. A comprehensive index concludes this essential reference.

The Resurrection accounts of Jesus in the Gospels are the most dramatic and impactful stories ever told. One similarity unites each testimony--that none of his most loyal and steadfast followers could "see" it was him, back from the dead. The reason for this is at the very foundation of the Christian faith. She turned around and saw Jesus standing there, but she did not realize that it was Jesus. (John 20:14) Hope in the Time of Fear is a book that unlocks the meaning of Jesus's resurrection for readers. Easter is considered the most solemn and important holiday for Christians.

It is a time of spiritual rebirth and a time of celebrating the physical rebirth of Jesus after three days in the tomb. For his devoted followers, nothing could prepare them for the moment they met the resurrected Jesus. Each failed to recognize him. All of them physically saw him and yet did not spiritually truly see him. It was only when Jesus reached out and invited them to see who he truly was that their eyes were open. Here the central message of the Christian faith is revealed in a way only Timothy Keller could do it--filled with unshakable belief, piercing insight, and a profound new way to look at a story you think you know. After reading this book, the

true meaning of Easter will no longer be unseen.
