AQA A-level History: Britain 1851-1964: Challenge and Transformation Pearson Education

Packed with insight into contemporary issues and analysis of the latest developments in UK and US Politics, including the 2019 UK General Election and 2020 US election, this textbook is specially designed to help your students perform to the best of their abilities in the AQA Politics Paper 1 and Paper 2 exams. This Student Textbook: - Strengthens your students' understanding of comparative politics through dedicated comparative politics chapters and synoptic links throughout - Builds your students' confidence by highlighting key terms and connections between different topics in the specification - Develops your students' skills of analysis and evaluation through activities, debates and exam-style questions - Provides answer guidance for exam-style questions online at www.hoddereducation.co.uk

A Selection of Cases on the Law of Contracts Macmillan International Higher Education

This path-breaking book reconceptualizes our understanding of political tolerance as well as of its foundations. Previous studies, the authors contend, overemphasized the role of education in explaining the presence of tolerance, while giving insufficient weight to personality and ideological factors. With an innovative methodology for measuring levels of tolerance more accurately, the authors are able to explain why particular groups are targeted and why tolerance is an inherently political concept. Far from abating, the degree of intolerance in America today is probably as great as it ever was; it is the targets of intolerance that have changed.

The European Union and British Politics Biteback Publishing
 - Improve your grades by focusing revision. - Build confidence and strengthen exam technique.

Aqa As Government & Politics Macmillan International Higher Education
 Exam Board: AQA Level: AS/A-level Subject: History First
 Teaching: September 2015 First Exam: June 2016 AQA approved
 Enhance and expand your students' knowledge and understanding of their AQA breadth study through expert narrative, progressive skills development and bespoke essays

from leading historians on key debates. - Builds students' understanding of the events and issues of the period with authoritative, well-researched narrative that covers the specification content - Introduces the key concepts of change, continuity, cause and consequence, encouraging students to make comparisons across time as they advance through the course - Improves students' skills in tackling interpretation questions and essay writing by providing clear guidance and practice activities - Boosts students' interpretative skills and interest in history through extended reading opportunities consisting of specially commissioned essays from practising historians on relevant debates - Cements understanding of the broad issues underpinning the period with overviews of the key questions, end-of-chapter summaries and diagrams that double up as handy revision aids

Democracy, Empire and War: Britain 1851-1964 This title explores political and social reform 1851-1914, the impact of both World Wars, the creation of the Welfare State and the transformational social changes of the 1950s and 1960s. It considers breadth issues of change, continuity, cause and consequence in this period through examining key questions on themes such as democracy, ideology, economy, society, Britain's position in the world and the impact of key individuals.

United States Government Publications Monthly Catalog Philip Allan

Written by a senior examiner, Paul Fairclough, this AQA AS Government & Politics Student Unit Guide is the essential study companion for Unit 2: Governing Modern Britain. This full-colour book includes all you need to know to prepare for your unit exam: clear guidance on the content of the unit, with topic summaries, knowledge check questions and a quick-reference index examiner's advice throughout, so you will know what to expect in the exam and will be able to demonstrate the skills required exam-style questions, with graded student responses, so you can see clearly what is required to get a better grade

The Definitive Story of Why The UK Voted for Brexit A&C Black

Completely revised and updated to take full account of the most recent and dramatic changes in the nature of American government, the sixth edition provides a clear and concise introduction to US politics for all students of political science and American studies. Explains, analyses and interprets the processes of US government and, crucially, appraises them from a non-US perspective. Includes commentary on the 2004 presidential election. Fills in the social background to American political and economic life, preparing the ground for the central discussion of the book: the institutions of the federal government, Congress, the Supreme Court and the Constitution, the federal system, the Presidency, the party bandwagons and the electoral system. Reduced emphasis on limited government and greater emphasis on foreign and domestic policy linked into the War on Terror. Reworked throughout to reflect recent developments, with two completely new chapters on The Media and American Politics, and The Security State. Supported by a website, www.blackwellpublishing.com/mckay, including information on the book; its detailed contents; the author; controversies; sample chapters; selected tables; related titles; and links to other web resources. It will be regularly updated to ensure teachers and students have access to the most recent data.

Annual Update 2014 John Wiley & Sons

Did David Cameron have to call a referendum? Did history put a gun to his head? And was Britain's departure from the EU destined from the moment he called it? Was it a lost cause, or did the Prime Minister lose it? Sky News senior political correspondent Jason Farrell teams up with political blogger and economics and politics teacher Paul Goldsmith to provide the definitive story of one of the biggest shocks in British political history. Probing into the social fabric of the UK, the psyche of the electorate, and seventy years of European history, Farrell and Goldsmith identify eighteen key reasons why the UK made its choice, from Britain's absence at the birth of the European project to the inflammatory rhetoric of one Nigel Farage, and everything in between. *How to Lose a Referendum* is the product of extensive and refreshingly frank interviews with the key players from both campaigns coupled with a wide-ranging

exploration of the historical context around Britain's departure. Why was a project designed for common peace and prosperity ultimately so hard to defend? Whether you're a Leaver or a Remainer, a newcomer to the debate or a battle-hardened politico, this nuanced and thoughtful analysis will change the way you look at Britain's vote for Brexit.

An Introduction University of Chicago Press

Winner of the Inner Temple book prize 2015 and the Socio-Legal Studies Association Book prize 2014/15 The House of Lords, for over 300 years the UK's highest court, was transformed in 2009 into the UK Supreme Court. This book provides a compelling and unrivalled view into the workings of the Court during its final decade, and into the formative years of the Supreme Court. Drawing on over 100 interviews, including more than 40 with Law Lords and Justices, and uniquely, some of their judicial notebooks, this is a landmark study of appellate judging 'from the inside' by an author whose earlier work on the House of Lords has provided a scholarly benchmark for over 30 years. The book demonstrates that appellate decision-making in the UK's final court remains a social and collective process, primarily because of the dialogues which take place between the judges and the key groups with which they interact when reaching their decisions. As the book shows, the forms of dialogue are now more varied, yet the most significant dialogues continue to be with their fellow Law Lords and Justices, and with counsel. To these, new dialogues have been added, namely those with foreign courts (especially Strasbourg) and with judicial assistants, which have subtly altered the tenor and import of their other dialogues. The research reveals that, unlike the English Court of Appeal, the House of Lords in its last decade was only intermittently collegial since Lord Bingham's philosophy of appellate judging left opinion writing, concurrences and dissents largely to individual preference. In the Supreme Court, however, there has been a marked shift to team working and collective decision-making bringing with it challenges and occasional tensions not seen in the final years of the House of Lords. The work shows that effectiveness in group-decision making in the final court turns in part on the stages when dialogues occur, in part on the geography of the court and in part on the task leadership and social leadership skills of the judges involved in particular cases. The passing of the Human Rights Act and the expansion in judicial review over the last 30 years have dramatically altered the two remaining dialogues - those with Parliament and with the Executive. With the former, the dialogue has grown more distant, with the latter, more problematic, than was the case 40 years ago. The last chapter rehearses where the changing dialogues have left the UK's final court. Ironically, despite the oft applauded commitment of the new Court to public visibility, the book concludes that even greater transparency in the dialogue with the public may be required. 'The way appellate judges at the highest level behave to each other, to counsel, with other branches of government and with other courts is brought under closer scrutiny in this book than ever before...The remarkable width and depth of his examination...has resulted in a work of real scholarship, which all those who are interested in how appellate courts work all over the common law world will find especially valuable.' From the foreword by Lord Hope of Craighead KT 'Alan Paterson's knowledge and interest in the Supreme Court, coupled with his expertise as a lawyer who understands the legal system and the judicial process, make him a perfect chronicler and assessor of what the Court's role is and what it should be, and how it functions and how it might improve.' Lord Neuberger, President of the Supreme Court

Edexcel A2 US Government and Politics AQA AS Government & Politics Student Unit Guide New Edition: Unit 1 People, Politics

and Participation

Written by a senior examiner, Paul Fairclough, this AQA AS Government & Politics Student Unit Guide is the essential study companion for Unit 2: Governing Modern Britain. New-York Observer Bloomsbury Publishing

This book features more than 50 papers presented at the International Halal Conference 2014, which was held in Istanbul and organised by the Academy of Contemporary Islamic Studies of Universiti Teknologi MARA. It addresses the challenges facing Muslims involved in halal industries in meeting the increasing global demand. The papers cover topics such as halal food, halal pharmaceuticals, halal cosmetics and personal care, halal logistics, halal testing and analysis and ethics in the halal industry. Overall, the volume offers a comprehensive point of view on Islamic principles relating to the halal business, industry, culture, food, safety, finance and other aspects of life. The contributors include experts from various disciplines who apply a variety of scientific research methodologies. They present perspectives that range from the experimental to the philosophical. This volume will appeal to scholars at all levels of qualification and experience who seek a clearer understanding of important issues in the halal industry.
