Circular and Programme Wipf and Stock
Publishers

This book is an anthology with a difference. It presents a distinctive variety of Anglo-Norman works, beginning in the twelfth century and ending in the nineteenth, covering a broad range of genres and writers, introduced in a lively and thought-

provoking way. Facing-page translations, into accessible and engaging modern English, are provided throughout, bringing these texts to life for a contemporary audience. The collection offers a selection of fascinating passages, and whole texts, many of which are not anthologised or translated anywhere else. It explores little-known byways of Arthurian legend and stories of real-life crime and punishment; women's voices tell history, write letters, berate pagans; advice is offered on how

to win friends and influence people, how to cure people's ailments and how to keep clear of the law; and stories from the Bible are retold with commentary, together with guidance on prayer and confession. Each text is introduced and elucidated with notes and full references, and the material is divided into three main sections: Story (a variety of narrative forms), Miscellany (including letters, law and medicine, and other non-fiction), and Religious (saints' lives, sermons, Bible commentary, and prayers). Passages in one genre have been chosen so as to reflect themes or stories that appear in another, so that the book can be enjoyed as a collection or used as a resource to dip into for selected texts. This anthology is essential reading for students and

scholars of Anglo-Norman and medieval literature and culture. Wide-ranging and fully referenced, it can be used as a springboard for further study or relished in its own right by readers interested to discover Anglo-Norman literature that was written to amuse, instruct, entertain, or admonish medieval audiences.

The Prose Reader McGraw-Hill
Education

This rhetorically organized reader, maintains the best features of the earlier editions: lively reading selections supported by helpful apparatus to integrate reading and writing in college composition and reading courses. In working through the text, the student progresses from key aspects of the writing and reading processes to

chapters on the essential patterns of writing and then to more rigorous forms of analysis and argument. Each chapter provides diverse and lively prose models suited for discussion, analysis, and imitation.

The Educational Times, and Journal of the College of Preceptors The Short Prose Reader

This book offers a critical exploration of the role of English in postcolonial communities such as India. Specifically, it focuses on some local ways in which the language falls along the lines of a class-based divide (with ancillary ones of gender and caste as well). The book argues that issues of inequality,

subordination and unequal value seem to revolve directly around the general positioning of English in relation to vernacular languages. The author was raised and schooled in the Indian educational system.

A Practical Introduction to Latin Prose Composition McGraw-Hill Humanities, Social Sciences & World Languages

This rhetorically organized, student-friendly reader includes short essays on a range of topics. Each selection is supported by exceptionally thorough and thoughtfully designed editorial apparatus that integrates reading, writing, and critical thinking. The quality, variety, and number of reading, writing, and thinking prompts provide students with ample support for reading and writing and can be adapted to a number of teaching

approaches.

The Educational Times Walter de Gruyter GmbH & Co KG

Approaching a liberal arts tradition in the classroom, across the curriculum, and beyond, *The McGraw-Hill Reader* offers rich and diverse readings in education, the social sciences, business and economics, the humanities, and the sciences. This new eleventh edition offers a new focus on reading and composing across various media; it includes over 100 selections from prominent thinkers and writers; each essay was chosen to provoke critical thought and encourage effective writing.

The Short Prose Reader McGraw-Hill Education

A Troubleshooting Guide for Writers is a compendium of strategies for handling

all aspects of writing, from prewriting through editing. Designed for use independently by students as a resource book or as an in-class text, A Troubleshooting Guide for Writers helps students discover specific strategies for improving their writing processes and for solving specific writing problems. Known for its concise, effective coverage and student-friendly style, A Troubleshooting Guide for Writers offers an exceptional variety of writing strategies for students.

Writers: Strategies and Process**

McGraw-Hill Companies

This rhetorical reader is designed to help
individuals improve their abilities to
think, read, and write on progressively
more sophisticated levels. It features a
collection of 56 provocative, interesting,
rhetorically organized essays
accompanied by clear, well-developed
rhetorical introductions, sample essays,
and carefully sequenced prereading and
prewriting questions, comprehension
questions, and writing projects. Contains
essays representing the four main
purposes of writing — description,
narration, exposition, persuasion.
Organizes essays to reflect progressively
more sophisticated levels of thinking,
reading, and writing. The essays cover a
broad range of contemporary topics and
portray the universality of human

experience as expressed through the viewpoints of men and women, many different ethnic and racial groups, and a variety of ages and social classes. Presents biographical information about the authors — explaining the real experiences from which the essay emerged poses provocative prereading questions that help readers focus on the purpose, audience, and subject of the essay. Provides complete sample essays illustrating each rhetorical pattern, accompanied by the writer's own thorough analysis of the writing experience — explaining the most enjoyable, exasperating, or noteworthy aspects of writing that particular essay. For anyone interested in refining their basic composition skills.

Each chapter provides diverse and lively prose models suited for discussion, analysis, and imitation.

An Anglo-Norman Reader Open Book Publishers

Aspects of Thomas Mann's prose style can be seen in the use of leitmotifs in

some of his early stories. The device was not new, since Homer has used it extensively in the ILLIAD and the ODYSSEY. ... Mann's early ERZÄHLUNGEN and BUDDENBROOKS contain many leitmotifs: death, spring, the walnut-tree, the violin, the sea, and the "Liebestod" motif adopted from Act III of Richard Wagner's TRISTAN UND ISOLDE.
