Former Pink Floyd guitarist David Gilmour is not prolific. Rattle That Lock is only his fourth solo studio album (though it follows his late band's final album, *The Endless River*, by only ten months). Gilmour recorded some 35 songs for this set, some dating back 18 years. Trimming them to ten couldn't have been easy.

Rattle That Lock by David Gilmour Reviews and Tracks ...Rattle That Lock 2015
David Gilmour's latest solo album, *Rattle That Lock*, features some beautiful guitar work and quite a lot of new sounds. The studio setup is a departure from the familiar Pete Cornish boards and a return to experimenting with both old and new stompboxes, as well as a range of different amps and guitars.
