### Choosing to Be a Medium Elite Books

This modern guidebook to spiritual growth starts with the awakening of self-awareness; awareness of our bodies, our feelings, our thoughts and the energy that flows through every cell of our being. It leads us to the inner states of freedom and peace, seen not as the absence of conflict, but rather a response based on a deeply rooted knowledge that no matter what is happening around you, nothing can harm you at your center. Seale works with the tool of meditation and shows how we can open to the language of love and Spirit. Includes 45 exercises and meditations which speak to us in profoundly different ways at each stage of spiritual growth and can therefore be of great value both now and as our practice deepens. Glossary. Bibliography. Index.

Internationally acclaimed healer Dr Zhi Gang Sha provides a simple answer to the age-old question, what is the real secret to healing? The answer? Heal the soul first, then healing of the mind and body will follow. Trained as both a medical doctor and a practitioner of traditional Chinese medicine, Dr

Sha takes integrative medicine to a whole new and exciting level that goes beyond mind over matter, emphasizing soul over matter. Soul Wisdom argues that spiritual blockages are due to bad karma, the sum of total mistakes one has made in this and previous lifetimes. By following Dr. Sha's teachings, readers can learn to clear up these blockages, particularly using such simple notions such as unconditional love, forgiveness and service. As Dr. Sha puts it, 'Love melts all blockages and forgiveness brings peace.' And most importantly, you have the ability to heal yourself. Essentially this is the introductory guide for all of us to learn practical techniques to help open our minds, empower, heal and transform every aspect of our lives.

Using things you probably already own - such as a camcorder, computer, or tape recorder - you can contact departed loved ones or other spirits, record their images and voices, and establish two-way communications between the worlds. Speak with the Dead also details the more traditional methods of seance, trance, and scrying. You don't have to be a "techie" or an occultist to use any of these techniques. How Scripture, Spirit, Community, and Mission Shape Our Souls BenBella Books, Inc.

Designed to help sensitive souls intentionally align with the callings of their higher self, Soul Communication is a guide to becoming the creator of one's unique path of abundance. Shaped by a story of the cyclic nature of death and rebirth through an astrological metaphor, the journey includes twelve powerful exercises of intentional soul work, used for transcending darkness to light and fear to love, in all areas of life. Western medicine call it 'mental illness'. Shamanic traditions call it 'spiritual emergence'. I call it 'rebirth'. Rebirth does not have to be painful, but rather, enables you to release old patterns that no longer serve your highest good, so that you can receive the new. Rebirth does not have to create suffering, but rather, empowers you to heal and free yourself from limiting belief systems. Rebirth does not have to be resisted, but rather, awakens you to the beauty and liberation of limitless possibility. Rebirthing the soul is a natural process of evolution and is often mistaken as a problem, but Soul Communication transcends this stigma, reflecting the exact reason why humanity must surrender to rebirth. When you align with the language of your soul, you become the creator of your own life.
