The Complete Book of Christian Parenting and Child Care
Harrison House

This 16 Week Study Guide is exceptionally practical and life-transforming. It is taken from the main book *Biblical Discipleship: Essential Components for Attaining Spiritual Maturity*. However, it is a "stand-alone" book study that is designed to be used on its own. Its purpose is to take the 14 core principles of discipleship and put them into practice. Today, we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well-liked, and still others as being happy. How does God define success? He defines it as being spiritually mature!

Don't just do the right actions. Build habits—and watch your life

be transformed. Many books try to help you do the right actions. But the real key to life transformation—for yourself and then for others—is building habits that become part of your life. Because habits don't just dictate what you do. They reflect who you are. In *8 Habits for Growth*, Darryl Dash wants to show you the eight long-term practices—all very doable—that will lead to permanent growth if you incorporate them into your life. You'll learn why it's important to: Make time Rest Read or listen to the Bible Pray Pursue worship and community in a church Care for your body Simplify your spiritual life Build a rule of life Personal growth doesn't happen overnight. But it does happen, slowly, as you build God's habits into your life. So what are you waiting for? Start your new habits today and let God transform who you are . . . and who you can become.

Growing Up Thomas Nelson

"Whoever does not love does not know God, because God is love."--1 John 4:8 Are you looking to enrich a healthy relationship, revitalize a tired one, or rescue one gone awry? Do you yearn to grow closer to God, and to further incorporate Him and His teachings into your marriage? We all want a lifetime of love, support, and faith. But sometimes we need a little help. Enter Dr. Sue Johnson, developer of Emotionally Focused Therapy (EFT) and "the best couple therapist in the world," according to bestselling relationship expert Dr. John Gottman. In *CREATED FOR CONNECTION*, Dr. Johnson and Kenneth Sanderfer, a leading EFT practitioner in the Christian community, share Johnson's groundbreaking and remarkably successful program for creating stronger, more secure relationships not only between partners, but between us and God. The message of *CREATED FOR CONNECTION* is simple: Forget about learning how to argue better, analyzing your early childhood, or making grand romantic gestures. Instead, get to the emotional underpinnings of your relationship by recognizing that you are attached to and dependent on your partner in much the same way that a child is on a parent, and we are on the Heavenly Father, for nurturing, soothing, and protection. The way to enhance or save our relationships with each other and with God is to be open, attuned, responsive, and to reestablish safe emotional connection. Filled with Bible verses, inspiring real-life stories, and guidance, *CREATED FOR CONNECTION* will ensure a lifetime of love.

Spiritual growth and a plant's growth cycle are not different. Like the balloon plant, Christians grow in stages. Our spiritual timeline begins once we accept Christ. Then a seed germinates into a young plant that eventually blooms and shares faith experiences, which reproduces more faith and spreads seeds according to God's plan. Finally, the plant develops into a mature Christian who is God's harvester in preordained gardens. In the conclusion of her discipleship trilogy, Reverend Barbara A. F. Brehon shares scripture, wisdom, and a plant lifecycle comparison to gently move believers toward the light of the Lord in their respective growing seasons. Through her guidance, believers will learn how to strengthen their faith and sow seeds that encourage new believers and others to bloom where they are planted, clarify and fulfill their divine purpose, and grow intimacy with the Lord, who refines the mission. *Blooming for Christ* is an enlightening guide that offers scripture and insight to help believers grow closer to God and please the Lord in all seasons of life.

Discipleship in the Methodist tradition affirms that there is always more work for God to do in the human heart. A Disciple's Heart attempts to reclaim and, in a sense, reinterpret for today John Wesley's understanding of this transformation of the heart, which he called "Christian perfection," with the goal of equipping participants to continue to grow into the likeness of God's love in Christ. Designed to be used in a small group and, if desired, a congregation-wide emphasis, the Leader Guide equips group facilitators with tips for leading a group plus six ready-to-use session guides. An Online Toolkit of downloadable leader helps, such as sample e-mails, handouts, sermon outlines, images for promotion, and customizable media templates that can be modified for any congregation, are accessible with the purchase of the Leader Guide.

Yet the issues in our lives and relationships that we wish would change often stay the same, even with our best efforts at spiritual growth. Henry Cloud and John Townsend shatter popular misconceptions about how God operates to reveal how growth really happens. You'll discover: What the essential processes are that make people grow. How those processes fit into a biblical understanding of spiritual growth and theology. How spiritual growth and real-life issues are one and the same. What the responsibilities are of pastors, counselors, and others who assist people in growing What your own responsibilities are in your personal growth. Five Things Every Christian Needs to Grow Pocket Guides

Growing up God's way for Girls is a colourful, fully illustrated book available as separate versions for boys and girls. It is intended for children approaching or experiencing puberty, typically represented by the 10-14 years old age range. The artwork has been specially produced for the book and includes accurate biological drawings as well as 'cartoon' illustrations to keep the young reader interested. Most importantly of all, the Bible is the constant reference point, so that what the Bible has to say about the matters dealt with is always front and centre. The result is that this book conveys essential biblical ethical teaching as well as the facts about puberty. For example, here's an extract from the teaching on the chapter on 'Physical Intimacy' (in this case in

the girls version): So special that God has given us rules It might seem attractive to live in a world where there are no laws. (Of course it would mean that your parents would never be able to tell you that you were doing something wrong!) But have you ever thought what would happen if there were no laws about how we should drive a car? The laws of the road make it safe for us to drive. If there were none, many more people on the road would get injured and driving would be a very frightening experience. God has given us a law regarding how we relate to the opposite sex in sexual intimacy. This law is the seventh of the Ten Commandments: 'You shall not commit adultery' (Exodus 20:14). From this verse and other passages in the Bible, we learn that all sexual activity outside marriage is wrong. The word adultery means either being married and experiencing sexual intimacy with someone who is not your husband, or experiencing sexual intimacy with someone else's husband. In the New Testament, God warns us to 'flee from sexual immorality' (1 Corinthians 6:18). The term 'sexual immorality' includes any sexual activity that is not between a husband and his wife. The fact that God has given us a specific command to keep sexual intimacy for marriage shows how important God considers sexual intimacy to be. The husband and wife are important to Him, their marriage is important to Him, and the new life that may result from sexual intimacy is important to Him. God's law about sexual intimacy is for our safety and well-being - it protects us, it protects marriage, and it protects young life.

Growing older is inevitable and, as we often say, it beats the alternative. But just because we age does not mean we must give in to a slow deterioration of our bodies, minds, social circles, and interests. It doesn't mean we need to give up on our dreams, goals, or aspirations. In fact, as people live longer and healthier into old age, we need to decide what we want to do with all the extra years we've been given! In *Living Strong, Finishing Well*, Dr. David Stoop draws upon his more than 80 years on the planet and his decades of counseling, speaking, and writing to show you how to live every moment to its fullest until you're finally called home. He shows you how to be yourself, continue the search for

meaning, stay humble, build on your friendships, develop resilience, stay teachable, and more as you learn to accept the gifts that come with growing older and wiser in a world that needs what you have to give.
