KR 6 r900 sixx

P1 Kr Agilus

SixxThe KR AGILUS is our compact six-axis robot that is designed for

particularly high working speeds. Different versions, installation positions, reaches and payloads transform the small robot into a precision artist. The KR AGILUS stands out due to its versatility that enables you to tap new fields of application. KR AGILUS | KUKA AG The KR 10 R900 sixx has a payload capacity of 10 kg and a reach of approx. 901,5 mm. The KR AGILUS is consistently

rated for particularly high working speeds. More Information.
