HIGGINS BRICE

Scholar's Zulu Dictionary; English-Zulu, Zulu-English Hippocrene Books

This is the original and first Zulu-English dictionary to be developed in South

Africa. The originators of the dictionary were all leading academics and writers. The development of the Zulu-English dictionary was begun in the 1940s by Wits University lecturers, C. M. Doke and B. W. Vilakazi. Vilakazi, who died in 1947, was the first published Zulu poet and his collection, *Amal'eZulu*, is listed in

the Top 100 African Books of the 20th century. The English-Zulu dictionary was published in 1958 by Doke, Malcolm, and Sikakana. The first combined edition of the two dictionaries (i.e. the present format) was published in 1990. The English-Zulu / Zulu English Dictionary is still the definitive dictionary in these languages. Various revisions have been undertaken over the years to bring the orthography up to date. A new preface, written by Professor J. Khumalo, was added in 1990 and provides an update to the phonological tone markings originally indicated by Vilakazi.

With the Principles of Pronunciation and Classification Fully Explained Forgotten Books

Excerpt from An English-Zulu Dictionary:
With the Principles of Pronunciation and

Classification Fully Explained It contains Zulu for about Eighteen Thousand English Words. The whole of the Zulu will not be equally well known in every part of Natal. For example, plants indigenous in the upper districts may appear exotic to natives residing on the coast, or vice versa; hence the thing itself being unknown, the name also will probably be unknown. For valuable assistance afforded in the preparation of the Dictionary, the Author is indebted to several ministers and laymen. To those gentlemen who examined parts of the work in manuscript, and the brethren of the Natal District who unanimously and cordially recommended it to the consideration of the Missionary Committee, he is under peculiar obligations. About the Publisher

Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

Between 1838 and 1888 the recently formed Zulu kingdom in southeastern Africa was directly challenged by the incursion of Boer pioneers aggressively seeking new lands on which to set up their independent republics, by English-speaking traders and hunters establishing their neighboring colony, and by imperial Britain intervening in Zulu affairs to safeguard Britain's position as the paramount power in southern Africa. As a result, the Zulu fought to resist Boer invasion in 1838 and British invasion in 1879. The internal strains these wars caused to the fabric of Zulu society resulted in civil wars in

1840, 1856, and 1882-1884, and Zululand itself was repeatedly partitioned between the Boers and British. In 1888, the old order in Zululand attempted a final, unsuccessful uprising against recently imposed British rule. This tangled web of invasions, civil wars, and rebellion is complex. The Historical Dictionary of the Zulu Wars unravels and elucidates Zulu history during the 50 years between the initial settler threat to the kingdom and its final dismemberment and absorption into the colonial order. A chronology, an introductory essay, a bibliography, maps, photos, and over 900 cross-referenced dictionary entries that cover the military, politics, society, economics, culture, and key players during the Zulu Wars make this an important reference

for everyone from high school students to academics.
