Witches White Lion Publishing

There are witches in the world...some are good and some of them are

downright evil. Amanda Givens is careful how she uses her benevolent powers. She doesn't want the people of Canaan, Connecticut to know they have a witch among them...even a good white witch. For years, she's lived quietly in a remote cabin with Amadeus, her quirky feline familiar. At first with her husband, Jake, the love of her life, until a car accident; but now alone after his death. But when she's wrongly blamed for a rash of ritualistic murders committed by a satanic cult, she knows she can no longer hide. She's the one the cult is after and she is the only one who can stop them and prove her innocence. Yet as punishment for fighting and destroying the cult, she's drawn back in time by the ghost of the dark witch, Rachel Coxe, who was drowned for

practicing black magic in the 17th century. Now, as Amanda tries to rehabilitate Rachel's reputation in an effort to save lives, as well as her own, and falls in love all over again with Joshua, her reincarnated dead husband from the future, she has to rely on a sister's love and magical knowledge, and a powerful sect of witches named the Guardians, to help her get home safely.

"A billion husbands are about to be replaced." From the author of Fight Club, the classic portrait of the damaged contemporary male psyche, now comes this novel about the apocalyptic marketing possibilities of a new product

that gives new meaning to the term "self-help." Penny Harrigan is a low-level associate in a big Manhattan law firm with an apartment in Queens and no love life at all. So it comes as a great shock when she finds herself invited to dinner by one C. Linus Maxwell, a software mega-billionaire and lover of the most gorgeous and accomplished women on earth. After dining at Manhattan's most exclusive restaurant, he whisks Penny off to a hotel suite in Paris, where he proceeds, notebook in hand, to bring her to previously undreamed-of heights of gratification for days on end. What's not to like? This: Penny discovers that she is a test subject for the final development of a line of feminine products to be marketed in a nationwide chain of boutiques called

Beautiful You. So potent and effective are these devices that women by the millions line up outside the stores on opening day and then lock themselves in their room with them and stop coming out. Except for batteries. Maxwell's plan for battery-powered world domination must be stopped. But how?

The Cult of Beauty Kathryn Meyer Griffith
Based on the #1 hit song "More Beautiful You" by Jonny Diaz, this book that was co-wrote with Gwendolyn Diaz, contains lessons that will help women of all ages discover their "true" beauty and incredible worth.

Leaving Isn't the Hardest Thing Rose Bak
The Conjuring meets The Vow! This is the terrifying story of a girl, a dark angel, and the cult hellbent on taking over her small, coastal town. Vera Martinez wants

nothing more than to escape Roaring Creek and her parents' reputation as demonologists. Not to mention she's the family outcast, lacking her parents' innate abilities, and is terrified of the occult things lurking in their basement. Maxwell Oliver is supposed to be enjoying the summer before his senior year, spending his days thinking about parties and friends. Instead he's taking care of his little sister while his mom slowly becomes someone he doesn't recognize. Soon he suspects that what he thought was grief over his father's death might be something more...sinister. When Maxwell and Vera join forces, they come face to face with deeply disturbing true stories of cults, death worship, and the very nature that drives people to evil. Underlined is a line

of totally addictive romance, thriller, and horror titles coming to you fast and furious each month. Enjoy everything you want to read the way you want to read it.

Cursed at Dawn HarperCollins

The story took place in Snowy Mountain in the coldest part of Manchuria, one Winter's morning in 1781. The Dragon Lodge party ran into the Horse Spring Banditry who were there to unearth a buried casket. They were waylaid yet by the Peking Overland Convoy. All three parties had designs on the metal casket, supposedly housing a poniard, which was an heirloom of the Martial Brotherhood. A monk arrived on the scene and the invited the parties to the eyrie on the summit. The lord of the eyrie happened to be away summoning

help to fight Fox Volant of the Snowy Mountain, who was scheduled to arrive on the summit at noon. While waiting, each one in the parties began recounting incidents which took place some twenty years before. The excitement, intrigue and action in these incidents are well dramatized, with one event firmly intertwining with others in the past, developing into a vendetta involving the offspring of several families. The story ends with a fight between Fox, the hero of the story, and his sworn enemy, but the result of the fight is untold, left to the imagination and creative power of individual readers.

The musical adventure of a lifetime. The most exciting book on music in years. A book of treasure, a book of discovery, a book to open your ears to new worlds of pleasure. Doing for music what Patricia Schultz—author of the phenomenal *1,000 Places to See Before You Die*—does for travel, Tom Moon recommends 1,000 recordings guaranteed to give listeners the joy, the mystery, the revelation, the sheer fun of great music. This is a book both broad and deep, drawing from the diverse worlds of classical, jazz, rock, pop, blues, country, folk, musicals, hip-hop, world, opera, soundtracks, and more. It's arranged alphabetically by artist to create the kind of unexpected

juxtapositions that break down genre bias and broaden listeners' horizons— it makes every listener a seeker, actively pursuing new artists and new sounds, and reconfirming the greatness of the classics. Flanking J. S. Bach and his six entries, for example, are the little-known R&B singer Baby Huey and the '80s Rastafarian hard-core punk band Bad Brains. Farther down the list: The Band, Samuel Barber, Cecelia Bartoli, Count Basie, and Afropop star Waldemar Bastos. Each entry is passionately written, with expert listening notes, fascinating anecdotes, and the occasional perfect quote—"Your collection could be filled with nothing but music from Ray Charles," said Tom Waits, "and you'd have a completely balanced diet." Every entry identifies key

tracks, additional works by the artist, and where to go next. And in the back, indexes and playlists for different moods and occasions.

When Lesley Smailes set off from Port Elizabeth for a gap year, her mother joked: "Whatever you do, don't get married. And don't join a cult." But within months, Lesley was part of a notorious American sect, married to a man she hardly knew and allowed only minimal contact with her family. Despite rape, home births and a forced abortion, her belief was unshakeable. Until she was faced with the terrifyingly real threat of losing her children ... Harrowing at times, but also funny and wise, this is Lesley's miraculous true story.

Beautiful World, Where Are You

Timeless Voyager Press

A poignant new novel that combines humour and heartache, from the brilliant mind of Governor General's Award finalist Claudia Dey Seventeen years after falling from a stolen car into a

remote northern town, Billie Jean Fontaine is still an outsider. She may follow the stifling rules of this odd place, but no one will forget that she came from elsewhere. When Billie Jean vanishes one cold October night in her bare feet and track suit with only her truck keys, those closest to her begin a frantic search. Her daughter, Pony, a girl struggling against being a teen in the middle of nowhere; her killer dog to whom she cannot tell a lie; her husband, The Heavy, a man haunted by his past; and the charismatic Supernatural, a teenage boy longing only to be average. Each holding a different piece of the puzzle, they must come together to understand the darkest secrets of their beloved, and lay bare the mysteries of the human heart. With her luminous

prose, wry humour and dead-on cultural observations, Claudia Dey has created a storytelling tour de force about what it means to love, no matter the consequences.
