- MrHphysicsProduct Description: This
online course, when combined with the
Conceptual Physics (12th Ed.) text,
comprises a high school level physics
course. The online course contains video
instruction and demonstrations, reading
assignments, quizzes, worksheets,
chapter summaries, exams and study
guidance. There are 41 lessons in the
online course, which is a year's worth of
material, especially if using at the high
school level in combination with other
academic courses. Conceptual Physics,
