Book Crawler User Guide
Book Crawler is your personal portable book database for your iPhone, iPad, and iPod Touch device, and now available for your Mac Desktop! Now avid readers have a simple and dependable tool to catalog and share their favorite

book collections in one app! Home [chiisai.com] Welcome to Book Crawler- the HIGHEST RATED book database in the App Store based on hundreds of professional and user reviews! With Book Crawler, you finally have a way to quickly and accurately upload your entire book collection into one easy-to-manage library cataloging database! Book Crawler Overview - chiisai.com Once you have

successfully logged in, a "BookCrawler" directory will be created for storing and retrieving your book crawler files. (Full access -> /BookCrawler, regular access /Apps/BookCrawler) Select "Backup" to upload/backup your file to dropbox and, conversely, "Restore" to download/restore the file to the Book Crawler application. Settings - chiisai.com Established in 2009, Book Crawler has been supported and

updated based off of continuous user feedback. Book Crawler is a great tool for library professionals, book collectors, avid readers, teachers, and students! Note: Book Crawler is not an e-Reader and does not allow you to read books. Book Crawler for Pc - Download free Book app [Windows 10/8/7] Welcome to Book Crawler- the HIGHEST RATED book database in the App Store based on

hundreds of professional and user reviews! With Book Crawler, you finally have a way to quickly and accurately upload your entire book collection into one easy-to-manage library cataloging database! Book Crawler - edshelf Book Crawler, by Jaime Stokes, is a full-featured book cataloging program packed with thoughtful features. For starters, Book Crawler offers several powerful ways

to get books into the application. Hardy souls can input the books manually, filling in nearly two dozen input fields by hand. Book Crawler Review | 148Apps Established in 2009, Book Crawler has been supported and updated based off of continuous user feedback. Book Crawler is a great tool for library professionals, book collectors, avid readers, teachers, and students! Note: Book

Crawler is not an e-Reader and does not allow you to read books.
