This essential authorized biography of
Eugene Peterson offers unique insights
into the experiences and spiritual

convictions of the iconic American pastor
and beloved translator of The Message. “In
the time of a generation-wide breakdown
in trust with leaders in every sphere of
society, Eugene’s quiet life of deep
integrity and gospel purpose is a bright
light against a dark backdrop.”—John Mark
Comer, author of The Ruthless Elimination
of Hurry “This hunger for something
radical—something so true that it burned
in his bones—was a constant in Eugene’s

life. His longing for God ignited a ferocity
in his soul.” Encounter the multifaceted
life of one of the most influential and
creative pastors of the past half century
with unforgettable stories of Eugene’s
lifelong devotion to his craft and love of
language, the influences and experiences
that shaped his unquenchable faith, the
inspiration for his decision to translate The
Message, and his success and struggles as
a pastor, husband, and father. Author

Winn Collier was given exclusive access to Eugene and his materials for the production of this landmark work. Drawing from his friendship and expansive view of Peterson's life, Collier offers an intimate, beautiful, and earthy look into a remarkable life. For Eugene, the gifts of life were inexhaustible: the glint of fading light over the lake; a kiss from his wife, Jan; a good joke; a bowl of butter pecan ice cream. As you enter into his story, you'll find yourself doing the same—noticing how the most ordinary things shimmer with a new and unexpected beauty.

Glenn Hinson focuses on a single gospel program and offers a major contribution to our understanding not just of gospel but of the nature of religious experience. A key feature of African American performance is the layering of performative voices and the constant shifting of performative

focus. To capture this layering, Hinson demonstrates how all the parts of the gospel program work together to shape a single whole, joining speech and song, performer and audience, testimony, prayer, preaching, and singing into a seamless and multifaceted service of worship. Personal stories ground the discussion at every turn, while experiential testimony fuels the unfolding arguments. *Fire in My Bones* is an original exploration of experience and belief in a community of African American Christians, but it is also an exploration of African American aesthetics, the study of belief, and the ethnographic enterprise.

From #1 New York Times bestselling

author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and

unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenders want her dead. The wolvren are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

 WINNER OF THE NOBEL PRIZE IN LITERATURE "A brilliant literary murder mystery." —Chicago Tribune
 "Extraordinary. Tokarczuk's novel is funny, vivid, dangerous, and disturbing, and it

raises some fierce questions about human behavior. My sincere admiration for her brilliant work." —Annie Proulx In a remote Polish village, Janina devotes the dark winter days to studying astrology, translating the poetry of William Blake, and taking care of the summer homes of wealthy Warsaw residents. Her reputation as a crank and a recluse is amplified by her not-so-secret preference for the company of animals over humans. Then a neighbor, Big Foot, turns up dead. Soon other bodies are discovered, in increasingly strange circumstances. As suspicions mount, Janina inserts herself into the investigation, certain that she knows whodunit. If only anyone would pay her mind . . . A deeply satisfying thriller cum fairy tale, *Drive Your Plow over the Bones of the Dead* is a provocative exploration of the murky borderland between sanity and madness, justice and tradition, autonomy and fate. Whom do we deem sane? it asks. Who is worthy of a voice?

Letters from Grandpa Entangled: Teen When Bill Mason set off alone into the wilderness in his red canoe, many people went with him, if only in their

imaginations. Now, James Raffan leads us into the heart of the vast landscape that was Bill Mason's own brilliant imagination, on a biographical journey that is entertaining, enriching and inspiring. Bill Mason was a filmmaker who gave us classics such as *Cry of the Wild* and *Paddle to the Sea*; he was author of the canoeist's bible, *Path of the Paddle*; he was the consummate outdoorsman. But few Canadians know that his gentleness and rugged self-sufficiency masked a life of great physical struggles. James Raffan reveals the private, sometimes anguished, man behind the legend.

Book Two in the critically acclaimed *Fire Sermon* post-apocalyptic trilogy, "with its well-built world, vivid characters and suspenseful plot" (Kirkus Reviews, starred review), is an exciting and thought-provoking continuation of this epic social commentary written by award-winning poet Francesca Haig. Four hundred years after a nuclear apocalypse, all humans are born in pairs: the Alphas, and their deformed Omega twins, who are ruthlessly oppressed. But despite their claims of

superiority, the Alphas cannot escape one harsh fact: Whenever one twin dies, so does the other. Following the events of *The Fire Sermon*, the Omega resistance has been brutally attacked, its members dead or in hiding. The Alpha Council's plan for permanently containing the Omegas has begun. But all is not entirely lost: the Council's seer, the Confessor, is dead, killed by her twin's sacrifice. Cass is left haunted by visions of the past, while her brother Zach's cruelty and obsession push her to the edge and threaten to destroy everything she hopes for. As the country moves closer to all-out civil war, Cass will learn that to change the future she will need to uncover the past. But nothing can prepare her for what she discovers: a deeply buried secret that raises the stakes higher than ever before.
