An Illustrated Guide to Public Speaking Center Street

"There's always a point in the season when you're faced with a challenge and you see what you're capable of. And you grow up." -- J.T. Curtis, head coach, John Curtis Christian School Patriots On Saturday, August 27, 2005, the John Curtis Patriots met for a grueling practice in the late summer New Orleans sun, the air a visible fog of humidity. They had pulled off a 19-0 shutout in their pre-season game the night before, but it was a game full of dumb mistakes. Head coach J.T. Curtis was determined to drill those mistakes out of them before their highly anticipated next game, which sportswriters had dubbed "the Battle of the Bayou" against a big team coming in all the way from Utah. As fate played out, that afternoon was the last time the Patriots would see one another for weeks; some teammates they'd never see again. Hurricane Katrina was about to tear their lives apart. The Patriots are a most unlikely football dynasty. There is a small, nondescript, family-run school, the buildings constructed by hand by the school's founding patriarch, John Curtis Sr. In this era of high school football as big business with 20,000 seat stadiums, John Curtis has no stadium of its own. The team plays an old-school offense, and Coach Curtis insists on a no-cut policy, giving every kid who wants to play a chance. As of 2005, they'd won nineteen state championships in Curtis's thirty-five years of coaching, making him the second most winning high school coach ever.

Curtis has honed to a fine art the skill of teaching players how to transcend their natural talents. No screamer, he strives to teach kids about playing with purpose, the power of respect, dignity, poise, patience, trust in teamwork, and the payoff of perseverance, showing them how to be winners not only on the gridiron, but in life, and making boys into men. Hurricane Katrina would put those lessons to the test of a lifetime. Hurricane Season is the story of a great coach, his team, his family, and their school -- and a remarkable fight back from shocking tragedy. It is a story of football and faith, and of the transformative power of a team that rises above adversity, and above its own abilities, to come together again and prove what they're made of. It is the gripping story of how, as one player put it, "football became my place of peace."

NATIONAL BESTSELLER • An audacious, darkly glittering novel set in the eerie days of civilization's collapse—the spellbinding story of a Hollywood star, his would-be savior, and a nomadic group of actors roaming the scattered outposts of the Great Lakes region, risking everything for art and humanity. Now an original series on HBO Max. Over one million copies sold! Kirsten Raymonde will never forget the night Arthur Leander, the famous Hollywood actor, had a heart attack on stage during a production of King Lear. That was the night when a devastating flu pandemic arrived in the city, and within weeks, civilization as we know it came to an end. Twenty years later, Kirsten moves between the settlements of the altered world with a small troupe of actors and musicians. They call themselves The Traveling Symphony, and they have dedicated themselves to keeping the remnants of art and humanity alive. But when they arrive in St. Deborah by the Water, they encounter a violent prophet who will threaten the tiny band's existence. And as the story takes off, moving back and forth in time, and vividly depicting life before and after the pandemic, the strange twist of fate that connects them all will be revealed. Look for Emily St. John Mandel's new novel, *Sea of Tranquility*, coming soon!

Kids love magic. They love to see it, and they love to do it. Enter Joshua Jay, who started doing magic when he was 7 and was named champion at the World Magic Seminar (the Olympics of magic) by the time he was 16. His Big Magic for Little Hands is packed with 25 astonishing illusions for kids ages 7 and up. In other words, it's sleight of hand for the small of hand. These are tricks that require little prep time and dexterity yet are guaranteed to deliver a big payoff. The large format, oversized

ext, and black-and-white vintage-style illustrations make Big Magic particularly easy to follow and kid-friendly. Here's how to levitate your sibling several feet off a bed. Escape Houdini-like from tightly bound ropes. There are also impromptu effects that can be performed anytime, anywhere, like Spook-Key, in which an antique key mysteriously rotates in your hand. Each easy-to-perform feat is clearly illustrated with step-by-step drawings and accompanied by insider tips. Joshua Jay is a master who guides his apprentices through every aspect of the magician's art, from the first step—taking the Magician's Oath—to how to minimize nervousness (Rule #1: Rehearse. A lot).

Whether we are watching TV, surfing the Internet, listening to our

iPods, or reading a novel, we all engage with media as an audience. Despite the widespread use of this term in our popular culture, the meaning of the "audience" is complex, and it has undergone significant historical shifts as new forms of mediated communication have developed from print, telegraphy, and radio to film, television, and the Internet. John L. Sullivan's second edition of *Media Audiences: Effects, Users, Institutions, and Power* explores the concept of media audiences from four broad perspectives: as "victims" of mass media, as market constructions & commodities, as users of media, and as producers & subcultures of mass media. The goal is for students to be able to think critically about the role and status of media audiences in contemporary society, reflecting on their relative power in relation to institutional media producers.

"We've got some difficult days ahead," civil rights activist Martin

Luther King, Jr., told a crowd gathered at Memphis's Clayborn Temple on April 3, 1968. "But it really doesn't matter to me now because I've been to the mountaintop. . . . And I've seen the promised land. I may not get there with you. But I want you to know tonight that we as a people will get to the promised land." These prophetic words, uttered the day before his assassination, challenged those he left behind to see that his "promised land" of racial equality became a reality; a reality to which King devoted the last twelve years of his life. These words and other are commemorated here in the only major one-volume collection of this seminal twentieth-century American prophet's writings, speeches, interviews, and autobiographical reflections. A Testament of Hope contains Martin Luther King, Jr.'s essential thoughts on nonviolence, social policy, integration, black nationalism, the ethics of love and hope, and more.
