Over 60,000 drivers are killed each year in auto accidents. Thousands more are injured, costing our nation billions of dollars! Teenage drivers alone were responsible for over 14,000 fatal crashes in the past 5 years! "Teach Your Teenager How to Drive a Car" will instruct parents: On how to effectively get their teenagers out onto the road safely and defensively. All the lessons on how to successfully teach a teenager how to drive a car are right here in a simple, easy to follow plan. On how to reinforce all the important skills and techniques associated with modern defensive driving! This book will also serve as a gentle reminder on how the adult instructor must serve as a role model each and every day for their new driver by demonstrating responsible driving habits and behaviors. "Teach Your Teenager How to Drive a Car" will provide new drivers with: All the lessons necessary to navigate our very complicated and hectic highway transportation system. The book progresses from the parking lot all the way to the skills of entering and driving on fast paced multi lane highways. All the proper skills and techniques necessary to handle a 2000 pound vehicle at high speeds both safely and defensively are right here! "Teach Your Teenager How to Drive a Car" will provide valuable lessons on: Proper car pre-start protocol. Handling the natural laws and driving forces. Driving in the city. Handling complicated intersections. Entering, driving on and exiting an expressway. Parallel parking, 3 point turns and angle parking. Handling emergency

situations. Preparing for the road test. And much more! Driving a 2000 pound car at high speeds is no simple task. With the virtual demise of driver education programs in this country, increased pressure has been put on parents to effectively provide the driver education for their new drivers. Unfortunately most parents fail miserably, and really do not know where to begin when instructing their teenage drivers. Millions of dollars are spent on youth sports in america, but very little money is spent on the critical lifesaving skill of how to drive a car properly. Parents and teens download this book now and learn all the skills necessary to help keep you safe on the roads for the duration of your driving careers. "Teach Your Teenager How to Drive" will get you there! So scroll to the top of this page and buy now!

The site initially began as the passion project of a retired HVAC technician. The site quickly gained popularity, building a strong community of aspiring HVAC technicians. Currently, it is managed by a team of ex-HVAC technicians with decades of experience in the industry. Head over to HVACTraining101.Com to learn more. We began by writing about how to become certified as an HVAC technician. With rules and certifications varying for each state, it was a challenging task. We had a few friends in other states help us out, but for some states, we had to dig really deep to find the information needed. Our audience at the time was very happy with the information we provided. At this point, we started getting many questions about EPA 608 certification. Once you get the education and experience needed to become a technician, prospective employers will ask for certification to handle refrigerants. When we started writing about how to become certified, viewers again requested we write a study guide to help them prepare for the 608 exams. The study guides out there were dense and had much more information than was needed to pass the test. This inspired us to embark on a journey to write the simplest study guide for the EPA 608 exam, which would still cover all the necessary information. We hope we have achieved our intended objective. The journey to becoming an HVAC technician can be long and arduous. We congratulate you on taking this path and wish you the best in cracking the EPA 608 exam.
