Student's Book. Per Le Scuole Superiori

Enterprise 1 and Enterprise 2 each consist of four modules and are designed for learners of English at early-secondary level. The course focuses on the gradual development of all four language skills - listening, reading, speaking and writing. The Student's Book and the Workbook for each level are designed to be covered in approximately 80 to 90 hours of classroom work.

**teacher's book** ELI  
 Grammarway with answers is a series of four books for self-access study and/or classroom use. Grammarway with answers contains a full key to all the exercises and is an ideal supplement to any main coursebook of English language learning at secondary level. The two versions of Grammarway are not interchangeable.

 CEF Levels: A1, A2 and B1. Career Paths English: Information Technology is a new educational resource for technology professionals who want to improve their English communication skills in a work environment. Incorporating career-specific vocabulary and contexts, each unit offers step-by-step instruction that immerses students in the four key language components: reading, listening, speaking, and writing. Career Paths English: Information Technology addresses topics including computer components, accessories, software, Internet security, web design and the future of the industry. The series is organized into three levels of difficulty and offers over 400 vocabulary terms and phrases. Every unit includes a test of reading comprehension, vocabulary, and listening skills, and leads students through written and oral production. Included Features: A variety of realistic reading passages; Career-specific dialogues; 45 reading and listening comprehension checks; Over 400 vocabulary terms and phrases; Guided speaking and writing exercises; Complete glossary of terms and phrases. The Teacher's book contains full answer key and audio scripts. The audio CDs contain all recorded material in British English.
