*The Passage*  
Cambridge  
University  
Press  
With shades of  
E. Lockhart's  
We Were  
Liars, this dark  
and twisted  
mystery by  
the highly  
acclaimed

author of Grit  
will be the  
page-turner of  
the year.  
Everyone in  
Tenney's  
Harbor knows  
about the  
Garrison  
tragedy. How  
an  
unexplained  
fire ravaged  
their house,  
killing four of  
the five family  
members. But

what people  
don't know is  
who did it. All  
fingers point  
at Pearl  
Haskins'  
father, who  
was the  
caretaker of  
the property,  
but Pearl just  
doesn't  
believe it.  
Leave it to a  
town of rich  
people to  
blame "the

help.” With her disgraced father now trying to find work in between booze benders, Pearl’s future doesn’t hold much more than waiting tables at the local country club, where the wealthy come to flaunt their money and spread their gossip. This year, Tristan, the last surviving Garrison, and his group of affluent and arrogant friends have made a point of sitting in Pearl’s section.

Though she’s repulsed by most of them, Tristan’s quiet sadness and somber demeanor have her rethinking her judgments. Befriending the boys could mean getting closer to the truth, clearing her father’s name, and giving Tristan the closure he seems to be searching for. But it could also trap Pearl in a sinister web of secrets, lies, and betrayals that would leave no life unchanged...if it doesn’t take hers first.

The story of a woman's search for strength and independence  
Meet Akhilandeswari, Akhila for short: forty-five and single, an income tax clerk and a woman who has never been allowed to live her own life—always the daughter, the sister, the aunt, the provider. Until the day she gets herself a one-way ticket to the seaside town of Kanyakumari, gloriously

alone for the first time in her life and determined to break free of all that her conservative Tamil brahmin life has bound her to. In the intimate atmosphere of the ladies coupe which she shares with five other women, Akhila gets to know her fellow travellers: Janaki, pampered wife and confused mother; Margaret Shanti, a chemistry teacher married to the poetry of elements and

an insensitive tyrant too self-absorbed to recognize her needs; Prabha Devi, the perfect daughter and wife, transformed for life by a glimpse of a swimming pool; fourteen-year-old Sheela, with her ability to perceive what others cannot; and Marikolanthu, whose innocence was destroyed by one night of lust. As she listens to the women's stories, Akhila is drawn into the most private

moments of their lives, seeking in them a solution to the question that has been with her all her life: Can a woman stay single and be happy, or does a woman need a man to feel complete?

Nominee! A  
powerful story  
of loss, second  
chances, and  
first love,  
reminiscent of  
Sarah Dessen  
and John  
Green. When  
Oakley Nelson  
loses her older  
brother,  
Lucas, to  
cancer, she  
thinks she'll  
never recover.  
Between her  
parents'  
arguing and  
the battle  
she's fighting  
with  
depression,  
she feels  
nothing inside  
but a hollow  
emptiness.  
When Mom  
suggests they  
spend a few  
months in  
California with  
Aunt Jo,  
Oakley isn't  
sure a change  
of scenery will  
alter anything,  
but she's  
willing to give  
it a try. In  
California,  
Oakley  
discovers a  
sort of safety  
and freedom  
in Aunt Jo's  
beach house.  
Once they're  
settled, Mom  
hands her a  
notebook full  
of letters  
addressed to  
her—from  
Lucas. As  
Oakley reads  
one each day,  
she realizes  
how much he

each letter  
challenges her  
to be better  
and to

He wants her  
to move on. If  
only it were  
that easy. But  
then a surfer  
named Carson  
comes into  
her life, and  
Oakley is  
blindsided. He  
makes her  
feel again. As  
she lets him  
in, she is  
surprised by  
how much she  
cares for him,  
and that's  
when things  
get  
complicated.  
How can she  
fall in love and  
be happy

when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for

small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we

are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home. [Memoirs of a Boy Soldier](#) Doubleday Canada "The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish

forever. It inspired me as a writer and still remains hugely inspirational.” —Kevin Kwan, author of *Crazy Rich Asians* Amy Tan’s beloved, *New York Times* bestselling tale of mothers and daughters, now the focus of a new documentary *Amy Tan: Unintended Memoir* on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who’s “saying” the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. “To despair was to wish back for something already lost. Or to prolong what was already unbearable.” Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair

over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery. The Football Girl A Study Guide for Edward Bond's "Lear" Acclaimed as a modern dramatic masterpiece, Rosencrantz & Guildenstern

are Dead is the fabulously inventive tale of Hamlet as told from the worm's-eye view of the bewildered Rosencrantz and Guildenstern, two minor characters in Shakespeare's play. In Tom Stoppard's best-known work, this Shakespearean Laurel and Hardy finally get a chance to take the lead role, but do so in a world where echoes of Waiting for Godot resound, where reality and illusion

intermix, and where fate leads our two heroes to a tragic but inevitable end. Tom Stoppard was catapulted into the front ranks of modern playwrights overnight when Rosencrantz and Guildenstern Are Dead opened in London in 1967. Its subsequent run in New York brought it the same enthusiastic acclaim, and the play has since been performed numerous

times in the major theatrical centers of the world. It has won top honors for play and playwright in a poll of London Theater critics, and in its printed form it was chosen one of the "Notable Books of 1967" by the American Library Association. Tigers, Not Daughters Houghton Mifflin Harcourt Technology and increasing levels of education have exposed people to

more information than ever before. These societal gains, however, have also helped fuel a surge in narcissistic and misguided intellectual egalitarianism that has crippled informed debates on any number of issues. Today, everyone knows everything: with only a quick trip through WebMD or Wikipedia, average citizens believe themselves to be on an equal

intellectual footing with doctors and diplomats. All voices, even the most ridiculous, demand to be taken with equal seriousness, and any claim to the contrary is dismissed as undemocratic elitism. Tom Nichols' The Death of Expertise shows how this rejection of experts has occurred: the openness of the internet, the emergence of a customer satisfaction model in higher

education, and the transformation of the news industry into a 24-hour entertainment machine, among other reasons. Paradoxically, the increasingly democratic dissemination of information, rather than producing an educated public, has instead created an army of ill-informed and angry citizens who denounce intellectual achievement. When ordinary citizens believe that no one knows

more than anyone else, democratic institutions themselves are in danger of falling either to populism or to technocracy or, in the worst case, a combination of both. An update to the 2017 breakout hit, the paperback edition of *The Death of Expertise* provides a new foreword to cover the alarming exacerbation of these trends in the aftermath of Donald Trump's election.

Judging from events on the ground since it first published, *The Death of Expertise* issues a warning about the stability and survival of modern democracy in the Information Age that is even more important today. Clouds of war are gathering over a fogbound London.  
Twenty-eight year old Jack is poor, lonely and desperate to change his life. So when he's offered the chance to be the

wireless operator on an Arctic expedition, he jumps at it. Spirits are high as the ship leaves Norway: five men and eight huskies, crossing the Barents Sea by the light of the midnight sun. At last they reach the remote, uninhabited bay where they will camp for the next year. Gruhuken. But the Arctic summer is brief. As night returns to claim the land, Jack feels a creeping unease. One

by one, his companions are forced to leave. He faces a stark choice. Stay or go. Soon he will see the last of the sun, as the polar night engulfs the camp in months of darkness. Soon he will reach the point of no return - when the sea will freeze, making escape impossible. And Gruhuken is not uninhabited. Jack is not alone. Something walks there in the dark. This

 The "wisest and most captivating novel" (Boston Globe) from the author of *The Valley of Amazement* and the new memoir *Where the Past Begins* Set in

San Francisco and in a remote village of Southwestern China, Amy Tan's *The Hundred Secret Senses* is a tale of American assumptions shaken by Chinese ghosts and broadened with hope. In 1962, five-year-old Olivia meets the half-sister she never knew existed, eighteen-year-old Kwan from China, who sees ghosts with her "yin eyes."  
 Decades later, Olivia describes her

complicated relationship with her sister and her failing marriage, as Kwan reveals her story, sweeping the reader into the splendor and violence of mid-nineteenth century China. With her characteristic wisdom, grace, and humor, Tan conjures up a story of the inheritance of love, its secrets and senses, its illusions and truths.

Thomas Nelson A YA romance—with a sparkling commercial voice and a dash of science—that explores a relationship over six years. The moment Spencer meets Hope the summer before seventh grade, it's something at first sight. The pair become fast friends, climbing trees and planning world travels. After years of being outshone by his older brother and teased

because of his Tourette syndrome, Spencer finally feels like he belongs. But as Hope and Spencer get older and life gets messier, the clear label of “friend” gets messier, too. Through sibling feuds and family tragedies, new relationships and broken hearts, the two grow together and apart, and Spencer, an aspiring scientist, tries to map it all out using his trusty system of taxonomy. He wants to identify and

classify their relationship, but in the end, he finds that life doesn't always fit into easy-to-manage boxes, and it's this messy complexity that makes life so rich and beautiful. Kiss the Ground Delacorte Press Girl meets boy. It's a story as old as time. But what happens when an old story meets a brand new set of circumstances? Ali Smith's remix of Ovid's most joyful metamorphosi
