 The only reason I first started reading "Shug" was because I was a huge fan of Jenny Han. When I finished the book (at 2:00 am) I was crying because it was done. This heartwarming story about "Shug" Wilcox is addictive. As a young girl myself, I can relate to Shug who has a

huge crush on her best friend Mark. Amazon.com: Shug (9781416909439): Jenny Han: Books
 Shug by Jenny Han (Alladin Mix, 2007), is one such book, and it has instantly become one of my favorite tween YA novels. Han grabs you immediately with Shug's authentic voice and sharp point of view. The novel is all about the way things change once you enter middle school, whether you are ready or not.
