*Secrets for Arranging Rooms, from Tabletops to Bookshelves*  
 Ramsey Press  
 Start a successful business mid-life When you think of someone launching a start-up, the image of a twenty-something techie probably springs to mind. However, Gen Xers and Baby Boomers are just as likely to start businesses and reinvent themselves later in life. *Never Too Old to Get Rich* is an exciting roadmap for anyone age 50+ looking to be their own boss and launch their dream business. This book provides up-to-date resources and guidance for launching a business when you're 50+. There are snappy profiles of more than a dozen successful older entrepreneurs, describing their inspirational journeys launching businesses and nonprofits, followed by Q&A conversations, and pull-out boxes containing action steps. The author walks you through her three-part fitness program: guidelines for becoming

financially fit, physically fit, and spiritually fit, before delving more deeply into how would-be entrepreneurs over 50 can succeed. • Describes how you can find capital to start your own business • Offers encouraging stories of real people who have become their own bosses and succeeded as entrepreneurs • Written by PBS Next Avenue's entrepreneur expert, Kerry Hannon • Teaches you how to start your own business *Never Too Old to Get Rich* is the ideal book for older readers looking to pursue new business ventures later in life.

*Redefining Anxiety* John Wiley & Sons

Written by the award winning owner of The Fashion Truck, Emily Benson, *The Ultimate Boutique Handbook* is a comprehensive, easy to follow guide of how to open a boutique of your own. After reading this guide, you'll have the knowledge and the confidence to build the boutique of your dreams!

**A Guide for Budding Entrepreneurs Who Can't Find  
 Answers on Google** Vinco Publishing, Limited

Christy Wright gives you the tools you need to get your goals on paper and the inspiration to see them through.

*IWork4Him* Ramsey Press

With “elements of *The Bold Type*, *Mad Men*, and *The Devil Wears Prada*” (*Entertainment Weekly*), a young woman navigates a tricky twenty-first-century career—and the trickier question of who she wants to be—in this savagely wise debut novel Casey Pendergast is losing her way. Once a book-loving English major, Casey lands a job at a top ad agency that highly values her ability to tell a good story. Her best friend thinks she’s a sellout, but Casey tells herself that she’s just paying the bills—and she can’t help that she has champagne taste. When her hard-to-please boss assigns her to a top-secret campaign that pairs literary authors with corporations hungry for upmarket cachet, Casey is both excited and skeptical. But as she crisscrosses America, wooing her former idols, she’s shocked at how quickly they compromise their integrity: A short-story writer leaves academia to craft campaigns for a plus-size clothing chain, a reclusive nature writer signs away her life’s work to a manufacturer of granola bars. When she falls in love with one of her authors, Casey can no longer ignore her own nagging doubts about the human cost of her success. By the time the year’s biggest book festival rolls around in Las Vegas, it will take every ounce of Casey’s moxie to undo the damage—and, hopefully, save her own soul. Told in an unforgettable voice, with razor-sharp observations about everything from feminism to pop culture to social media, *A Lady’s Guide to Selling Out* is the story of a young woman untangling the contradictions of our era and trying to escape the rat race—by any means necessary. Praise for *A Lady’s Guide to Selling Out* “Bitingly funny . . . [Sally] Franson’s snappy debut nimbly skewers the high-flying world of advertising and romance in the age of social media. . . . Franson’s irresistibly flawed heroine holds her own as she strives to find honesty, meaning, and even love in a demanding world, resulting in an addictive, escapist novel.”—*Publishers Weekly* “A high-spirited heroine loses herself in a vortex of modern striving in this debut novel. . . . Come for the hilarious narration, stay for the whirlwind plot, luxuriate in the satirical gleam.”—*Kirkus Reviews* “A wry, observant take on career success and ambition.”—*New York Post* “A book lover is torn between a cushy gig and . . . well, her soul, basically.”—*Cosmopolitan*

*A Workbook to Grow Your Creative Passion Into a Full-time Gig*  
Thomas Nelson

It's your step-by-step guide to grow throughout 2020!

*The Guilt-Free Guide to Life Balance* Clarkson Potter

"Being a busy mom with three young kids and a career, national bestselling author Christy Wright knows what it's like to be stretched too thin. After years of trying to do it all and failing, she realized she had to do something different. It wasn't just a matter of saying no to a few things. She had to get a handle on why it kept happening. Here's what she discovered: Life balance doesn't come from getting more done. In fact, balance isn't something you do at all. Real life balance is about doing the right things at the right time—and it leads to a life of peace, fulfillment, and confidence. In *Take Back Your Time*, Christy redefines what

balance is and reveals the clear path to actually achieve it. Readers will learn how to: - Decide what matters - Stop doing what doesn't matter - Create a schedule that reflects what matters - Protect what matters - Be present for what matters You weren't created to live busy and burnt out, unhappy and unfulfilled. You shouldn't be haunted by this elusive idea of balancing it all. There's more for you right now. Today. And it starts with taking back your time the guilt-free way!"--

**Convenience Store Woman** Simon and Schuster

Your dream of opening a boutique is about to become a reality! And if it's already your reality, it's about to become better! Do you dream of opening a boutique of your own, but you continue to run into roadblocks? Have you obtained your business license, but can't seem to find merchandise to sell in your boutique? Are you looking for new trends and fresh styles to sell in your boutique? Can't find any wholesale clothing vendors? Have you been searching Google for the answers to your questions and finding nothing? Well, look no more! I'm Jance Chartae and I am here to answer all of your boutique questions and concerns. After nearly 12 years of working in retail I have acquired a multitude of skills that I aspire to share with budding entrepreneurs like yourself; specifically those who aspire to one day own a boutique of their own. It seems that there is a lack of information out there for new boutique owners. It may appear that resources are lacking. Well, I am here to assure you that the answers to your questions are out there! The resources do exist! This is your resource; the answer to some of your questions. The idea of this book started one day while searching for answers of my own. I came across a YouTube channel where a woman stated that she found it to be "rude" for people to ask for her resources. She essentially had the capability to help others, but she was completely unwilling. It is because of situations like this that many people fail to move ahead with their entrepreneurial dreams. We lack enough people in this world who are willing to share their knowledge! From that moment on I aspired to share every bit of information that I acquired. So, I created this book, the first of what will be many, to provide future and current boutique owners with answers to various questions. Some of the topics that will be addressed in this book are: - Creating a Vision for Your Boutique- Where to Buy Merchandise for Your Boutique- How to Select Merchandise for Your Boutique- Attending Fashion Trade Shows- Buying Wholesale Clothing Online- Visiting the Fashion District While this book most certainly isn't a comprehensive description of all it will take to own and operate a successful boutique, it is most certainly a great resource for those who need a little more clarity. This book will give you insight into the world of running a boutique, as well buying merchandise for a boutique. My only goal is to be as genuine and as transparent as possible in order to help others become successful boutique owners and hopefully help you to save some time, frustration and money along the way. No matter what stage of your career that you're at, whether current boutique owner or future boutique owner, there is something in this book for you! *A Woman's Guide to Finding Contentment* Stylish and Successful More than 500,000 Copies in Print! Helping Women Trust God and Overcome Anxiety Field-Tested, Revised, and Updated for a New Generation of Readers As women whether single women, married women, moms, grandmothers we worry a lot. We worry about our children, our friends, our careers, our families, our spouses and the list goes on. We want to be content and trust God with our worries, but it's a struggle to let go and free ourselves from the burden of anxiety. If you're tired of worrying about all the what-ifs in your life and want to experience the calm and contentment that the Bible promises, *Calm My Anxious Heart* is what you've been looking for. Filled with encouragement and practical help for

overcoming anxiety, this book includes a ten-week Bible study to help you discover what the Bible says about anxiety and contentment and ways to apply it to your daily life. This classic book has been field-tested, revised, and updated for a new generation of readers. A companion journal is also available to record your thoughts as you listen to God's teaching, embrace the present, and live with joy. With *Calm My Anxious Heart*, you can let go of anxiety and experience contentment that comes from trusting God.

*The Everything Guide to Starting and Running a Retail Store*  
Clovercroft Publishing

Right now, 70% of Americans aren't passionate about their work and are desperately longing for meaning and purpose. They're sick of "average" and know there's something better out there, but they just don't know how to reach it. One basic principle—The Proximity Principle—can change everything you thought you knew about pursuing a career you love. In his latest book, *The Proximity Principle*, national radio host and career expert Ken Coleman provides a simple plan of how positioning yourself near the right people and places can help you land the job you love. Forget the traditional career advice you've heard! Networking, handing out business cards, and updating your online profile do nothing to set you apart from other candidates. Ken will show you how to be intentional and genuine about the connections you make with a fresh, unexpected take on resumes and the job interview process. You'll discover the five people you should look for and the four best places to grow, learn, practice, and perform so you can step into the role you were created to fill. After reading *The Proximity Principle*, you'll know how to connect with the right people and put yourself in the right places, so opportunities will come—and you'll be prepared to take them.

What are my start-up costs? How much will my store make? Should I sell online? How can I compete with larger stores? If you've ever considered owning a store but don't know where to start, *The Everything Guide to Starting and Running a Retail Store* is perfect for you. This resource will help you recognize the importance of an independent retail store in community life and the opportunities it offers for a rewarding lifestyle. This comprehensive guide shows you how to: Spot and capitalize on small retailer trends Conduct your own market analysis Research and select the most appropriate retailing software Run your business day to day Attract customers with effective advertising Make the leap to online selling This helpful handbook offers practical advice on retail store planning and management with valuable guidelines and real-world examples that can make the difference between your store's success and failure. This guide provides all the tools you need to run a store that your customers—and you—will enjoy for many years to come!

**A Novel** Harper Collins

What if there was a personal guide that would prepare graduating seniors for their college experience? Now, there is one. Rachel Cruze is excited to introduce *The Graduate's Survival Guide*. No incoming college freshman should leave home without this gift, which will help prepare them for many of the dangers and unanswered questions they have about college. *The Graduate's Survival Guide* includes a book, presented in a fun and easy Q&A format, that will quickly become a trusted companion. Topics Include: Balancing a Checkbook Collision and Liability Insurance Compound Interest Credit Cards Debt Giving Part-Time Jobs Saving Student Loans and Much More. The guide also includes a humorous and informative DVD about college life. In segmented tracks, Rachel Cruze, Christy Wright and Jon Acuff share helpful and hilarious tips and stories on topics like class scheduling, finances, eating out, college living, and roommates.

*The Graduate's Survival Guide* is the gift you wish you'd had when you went to college. Don't let the graduating seniors in your life leave home without it!

*Your Personal Guide to Getting Results* Archway Publishing  
In this candid, refreshing guide for young women to take with us as we run the world, Emilie Aries shows you how to own your power, know your worth, and design your career and life accordingly. Young women today face an uncertain job market, the pressure to ascend at all costs, and a fear of burning out. But the landscape is changing, and women are taking an assertive role in shaping our careers and lives, while investing more and more in our community of support. *Bossed Up* teaches you how to: Break out of the "martyrdom mindset," and cultivate your Boss Identity by getting clear on what you really want for your career and life without apology; Hone the self-advocacy skills necessary for success; Understand the differences between being assertive (which is part of being a leader) and being aggressive (which is more like being a bully) - and how that clarity can transform your trajectory; Beat burnout by identifying how the warning signs may be showing up in your life and how to prioritize bringing more rest, purpose, agency, and community to your day-to-day life; Unpack the steps to cultivating something more than just confidence; a boss identity, which will establish your ability to be the boss of your life no matter what comes your way. Drawing from timely research, and with personal stories, and spotlights on a diverse group of women from the *Bossed Up* community, this book will show you how to craft a happy, healthy, and sustainable career path you'll love.

*The Graduate's Survival Guide* Penguin

Are you ready to try your hand at painting a mural? Have you wondered how to find clients who will pay you to paint? In this handbook you will learn how to: Find clients Develop a site-specific design Select the right materials Block in a mural Build an art business that is sustainable and fun Mural art is exploding. It has leapfrogged over its traditionally circumspect reputation by the "art establishment" into a full-blown renaissance for the medium. The current popularity of mural art is fueled by grassroots political activism and community placemaking, as well as increased demand for eye-catching photos on social media, including "selfie moments" and one-of-a-kind interior design. *The Mural Artist's Handbook* is a "nuts and bolts" guide on how to paint a mural for anyone wanting to jump in on the current mural art trend. Morgan draws on her 20-year career as a mural artist to lay bare the "Wild West" of mural art. This handbook provides detailed project considerations for a variety of clients, including residential, schools, commercial, and publicly-funded mural projects. This handbook also unlocks the mystery of how to find steady, paid work as a mural artist so that artists can spend the best hours of their days, week after week, building mastery in the craft of painting murals.

*The Step-by-Step Guide to Getting Your Kid Through College Without Student Loans* Business Boutique A Woman's Guide for Making Money Doing What She Loves

The English-language debut of one of Japan's most talented contemporary writers, selling over 650,000 copies there, *Convenience Store Woman* is the heartwarming and surprising story of thirty-six-year-old Tokyo resident Keiko Furukura. Keiko has never fit in, neither in her family, nor in school, but when at the age of eighteen she begins working at the Hiromachi branch of "Smile Mart," she finds peace and purpose in her life. In the store, unlike anywhere else, she understands the rules of social interaction—many are laid out line by line in the store's manual—and she does her best to copy the dress, mannerisms, and speech of her colleagues, playing the part of a "normal" person excellently, more or less. Managers come and go, but

Keiko stays at the store for eighteen years. It's almost hard to tell where the store ends and she begins. Keiko is very happy, but the people close to her, from her family to her coworkers, increasingly pressure her to find a husband, and to start a proper career, prompting her to take desperate action... A brilliant depiction of an unusual psyche and a world hidden from view, *Convenience Store Woman* is an ironic and sharp-eyed look at contemporary work culture and the pressures to conform, as well as a charming and completely fresh portrait of an unforgettable heroine.

The ultimate guide to owning your power--and mastering how to use it. How can so many women feel "good and mad" yet still reluctant to speak up in a meeting or difficult conversation? Why do women often feel like they're too much--and, at the same time, not enough? What causes us, at the most critical moments in our lives, to freeze? Kasia Urbaniak teaches power to women--and her answers to these questions may surprise you. Based on insights from her experiences as a dominatrix, her training to become a Taoist nun, and the countless women she has taught to expand their influence, this book offers precise, practical instruction in how to stand in your power, find your voice, and use it well. Learn how to:

- Embrace your desires as the pathway to your destiny.
- Ask for--and get--what you need in your life, work, and in the bedroom.
- Skillfully navigate hearing "no" and any resistance, even your own.
- Flip power dynamics when someone crosses your boundaries and puts you on the spot.
- Create new and expanded roles for the people in your life with precise, targeted asks.

Whether you're getting crystal clear on exactly what you want, or turning the tables on a man who has shut you up and shut you down, Urbaniak's methods teach women to stand for themselves in every interaction. Part manual, part manifesto, part behind the scenes look, *Unbound* is a how-to guide to the impossible, the outrageous, the unimaginable--a field guide to living your wildest, best, and most satisfying life.

Every parent wants the best for their child. That's why they send them to college! But most parents struggle to pay for school and end up turning to student loans. That's why the majority of graduates walk away with \$35,000 in student loan debt and no clue what that debt will really cost them.<sup>1</sup> Student loan debt doesn't open doors for young adults—it closes them. They postpone getting married and starting a family. That debt even takes away their freedom to pursue their dreams. But there is a different way. Going to college without student loans is possible! In *Debt-Free Degree*, Anthony O'Neal teaches parents how to get their child through school without debt, even if they haven't saved for it. He also shows parents:

- \*How to prepare their child for college
- \*Which classes to take in high school
- \*How and when to take the ACT and SAT
- \*The right way to do college visits
- \*How to choose a major

A college education is supposed to prepare a graduate for their future, not rob them of their paycheck and freedom for decades. *Debt-Free Degree* shows parents how to pay cash for college and set their child up to succeed for life.

"Over the last few years we've seen a remarkable surge of women running for office, and even better, winning. Running takes courage, passion, and commitment, but it also takes books like this. June and Kate have created a wonderful resource for women as they think about taking the leap."—Hillary Rodham Clinton Turn "can I do this?" into "yes, I can!" Join the growing wave of women leaders with *Represent*, an energetic, interactive, and inspiring step-by-step guide showing how to run for the approximately 500,000 elected offices in the US. Written with humor and honesty by writer, comedian, actress, and activist June Diane Raphael and Kate Black, former chief of staff at EMILY's list, *Represent* is structured around a 21-point document called "I'm Running for Office: The Checklist." Doubling as a workbook, *Represent* covers it all, from the nuts and bolts of where to run, fundraising, and filing deadlines, to issues like balancing family and campaigning, managing social media and how running for office can work in your real life. With infographics, profiles of women politicians, and wisdom and advice from women in office, this is a must-own for any woman thinking of joining the pink wave.

Have you lost your identity in the busyness of life? In her latest book, *Living True: 40 Days to Get Back to You*, #1 bestselling author Christy Wright guides women on a 40-day journey back to who they were created to be. As an in-demand speaker, Christy connects with and challenges thousands of women every year in the areas of faith, personal development and business. Between endless errands and an overwhelming schedule, it's easy for women to feel like they've lost themselves in the busyness of life. She's heard hundreds of women say, "I'm pulled in so many directions by so many people. I don't know who I am anymore." In *Living True*, Christy walks readers through four sections that will help them discover: Who God Is — 10 Attributes of God Who You Are — 10 Things God Says About You Where You Are — 10 Seasons of Life Where You Are Going — 10 Reasons to Be Hopeful After reading *Living True*, readers will find grace in their current season and confidence to step into who they were created to be.

[The Entrepreneur's Guide to Second Life](#) PublicAffairs

Anxiety is real--but it isn't the end of your story. Dr. John Delony knows what anxiety feels like. He's walked that dark road himself, but he found light and hope on the other side of it. Bringing together his own journey and two decades of counseling and research, he walks you through: The four biggest myths about anxiety and the life-changing truth Practical steps you can take today to start getting your life back Long-term strategies for healing to help you move forward John will show you that most of what you've heard about anxiety is wrong. Things like: If you have anxiety, you're broken and need to be fixed Anxiety is a disease that can only be cured with medicine Anxiety is caused by your genetics While mental health is complex, our culture has made anxiety into something it's not. For the majority of people who face anxiety, the truth is simpler than we think: anxiety is an alarm. It's a signal--nothing more and nothing less. Anxiety is simply our body's way of telling us something is wrong. If we stop and listen, we can calm the alarm and move forward into healing and hope.
