What if
everything
you think you
know about
addiction is

wrong? Johann
Hari's journey
into the heart
of the war on
drugs led him
to ask this
question--and
to write the
book that
gave rise to
his viral TED
talk, viewed
more than 62
million times,
and inspired
the feature

film *The
United States
vs. Billie
Holiday* and
the
documentary
series *The Fix*.
One of Johann
Hari's earliest
memories is of
trying to wake
up one of his
relatives and
not being able
to. As he grew
older, he

realized he had addiction in his family. Confused, not knowing what to do, he set out and traveled over 30,000 miles over three years to discover what really causes addiction--and what really solves it. He uncovered a range of remarkable human stories--of how the war on drugs began with Billie Holiday, the great jazz singer, being stalked and killed by a racist policeman; of the scientist

who discovered the surprising key to addiction; and of the countries that ended their own war on drugs--with extraordinary results. Chasing the Scream is the story of a life-changing journey that transformed the addiction debate internationally --and showed the world that the opposite of addiction is connection. NAMED ONE

OF THE BEST BOOKS OF THE YEAR BY MARIE CLAIRE
• "Fiendish, fast-paced, and very funny."—Paula Hawkins, #1 New York Times bestselling author of The Girl on the Train Joe Goldberg is done with the cities. He's done with the muck and the posers, done with Love. Now he's saying hello to nature, to simple pleasures on a cozy island in the Pacific Northwest. For the first time in a long time,

he can just breathe. He gets a job at the local library—he does know a thing or two about books—and that’s where he meets her: Mary Kay DiMarco. Librarian. Joe won’t meddle, he will not obsess. He’ll win her the old-fashioned way . . . by providing a shoulder to cry on, a helping hand. Over time, they’ll both heal their wounds and begin their happily ever after in this sleepy town.

The trouble is . . . Mary Kay already has a life. She’s a mother. She’s a friend. She’s . . . busy. True love can only triumph if both people are willing to make room for the real thing. Joe cleared his decks. He’s ready. And hopefully, with his encouragement and undying support, Mary Kay will do the right thing and make room for him.

From Caroline Jayne Church, the mega

bestselling illustrator behind *I Love You Through and Through*, *Good Night, I Love You*, and *Ten Tiny Toes* comes an instant classic in the making with a new padded storybook to treasure and share over and over again. With charming illustrations and poignant rhyming text, this tender story is a heartwarming reminder of the never ending love between a parent and child. A sweet message to

name it. The rare instance when prose and plot are equally delicious.” —Lena Dunham From debut author Caroline Kepnes comes *You*, one of *Suspense Magazine’s* Best Books of the Year, and a brilliant and terrifying novel for the social media age. When a beautiful, aspiring writer strides into the East Village bookstore where Joe Goldberg works, he does what anyone would

do: he Googles the name on her credit card. There is only one Guinevere Beck in New York City. She has a public Facebook account and Tweets incessantly, telling Joe everything he needs to know: she is simply Beck to her friends, she went to Brown University, she lives on Bank Street, and she’ll be at a bar in Brooklyn tonight—the perfect place for a “chance” meeting. As Joe invisibly

and obsessively takes control of Beck's life, he orchestrates a series of events to ensure Beck finds herself in his waiting arms. Moving from stalker to boyfriend, Joe transforms himself into Beck's perfect man, all while quietly removing the obstacles that stand in their way—even if it means murder. A terrifying exploration of how vulnerable we all are to stalking and manipulation,

debut author Caroline Kepnes delivers a razor-sharp novel for our hyper-connected digital age. You is a compulsively readable page-turner that's being compared to Gone Girl, American Psycho, and Stephen King's Misery. **Cruel Beautiful World** Random House Trade Paperbacks Ivy Jensen survived the Dark House once, but can she make it out a second

time? Two months have passed since Ivy narrowly escaped the Nightmare Elf's grip, but the memories of Parker, Natalie, Shayla, Frankie, and Garth continue to haunt her. Their killer is still out there—somewhere. The police trail has gone cold, though, and it's up to Ivy to piece together the clues to find him. When a cryptic video arrives in her inbox, Ivy soon finds herself back in

the spotlight, this time on a twisted scavenger hunt through the dark, ancient halls of a long-forgotten Gothic school building. Ivy's not alone, either. Taylor Monroe has returned to the scene. But can Taylor be trusted? Or is she another pawn in the Nightmare Elf's deadly game? Laurie Faria Stolarz crafts a mesmerizing thriller that will leave readers looking over their shoulders.

Sweet Caroline Random House Bel has just moved to a rundown seaside town, where she is lonely and miserable - until she meets Luka, a mysterious homeless boy of Croatian origin who is living in the disused fairground due to be demolished to make way for a new marina. Luka's mother Eva is missing and he suspects foul play. Bel agrees to help him find out what has

happened, and she starts to fall in love with him - though he remains mysteriously distant. After a chain of disturbing events, the shocking truth about Luka and his mother is revealed. Bel finds that her feelings for Luka are reciprocated, but knows that she will have to let him go . . .

With her customary page-turning style and potent

themes, this is Caroline Overington at her thought-provoking best. 'Why do some people decide to get married when everyone around them would seem to agree that marriage, at least for the two people in question, is a terrifically bad idea?' The year is 1999, and Lachlan Colbert - Colby - has the world at his feet. He's got a big job on Wall Street and a sleek bachelor pad in the heart of Manhattan. With money

no object, he and his friends take a trip to Australia to see in the new millennium. And it's there, on a hired yacht sailing the Whitsundays, that he meets Caitlin. Caitlin Hourigan has got wild hair and torn shorts - and has barely ever left the small patch of Queensland where she grew up. But Colby is smitten and for Caitlin, a girl from the wrong side of the tracks, a blissful future awaits - marriage, a

big house, a beautiful little boy. But nothing is ever as perfect as it seems. And for Lachlan and Caitlin the nightmare is only just beginning. *When You Open a Book* Kensington Books A mesmerizing novel...what begins as a gothic ghost story soon evolves into a wickedly twisted treasure hunt in *The Supernatural Enhancements*, Edgar Cantero's wholly

original, modern-day adventure. When twentysomething A., the European relative of the Wells family, inherits a beautiful, yet eerie, estate set deep in the woods of Point Bless, Virginia, it comes as a surprise to everyone—including A. himself. After all, he never knew he had a "second cousin, twice removed" in America, much less that his eccentric relative had recently committed

suicide by jumping out of the third floor bedroom window—at the same age and in the same way as his father had before him . . . Together with A.'s companion, Niamh, a mute teenage punk girl from Ireland, they arrive in Virginia and quickly come to feel as if they have inherited much more than just a rambling home and an opulent lifestyle. Axton House is haunted... they know

it...but the presence of a ghost is just the first of a series of disturbing secrets they slowly uncover. What led to the suicides? What became of the Axton House butler who fled shortly after his master died? What lurks in the garden maze - and what does the basement vault keep? Even more troubling, what of the rumors in town about a mysterious yearly gathering at Axton House

on the night of the winter solstice? Told vividly through a series of journal entries, cryptic ciphers, recovered security footage, and letters to a distant Aunt Liza, Edgar Cantero has written an absorbing, kinetic and highly original supernatural adventure with classic horror elements that introduces readers to a deviously sly and powerful new voice. *Maestra*
