La Dolce Vita John Wiley & Sons

A stirring picture of the powerful social forces of conformity and consumerism. The crushing weight of black glass and concrete development, TV, aircon and glossy magazine living meets the age-old Italian qualities of eccentricity, good food, tolerance and a love of the countryside and nature. All told through the endearing persona of an overweight high school girl with a defective heart and a love for writing charmingly bad poetry.

Giada's Italy Harper Perennial

Federico Fellini is one of the most beloved and revered filmmakers of the twentieth century, having entertained audiences worldwide with his ability to breathe life into imagery normally confined to human memory and emotion. His insights into the world of dreams have contributed to his many famous cinematic creations, including *La Dolce Vita*, *8 1/2*, and *La Strada*. A unique combination of memory, fantasy, and desire, this illustrated volume is a personal diary of Fellini's private visions and nighttime fantasies. Fellini, winner of four Oscars for Best Foreign Language Film, kept notebooks filled with unique sketches and notes from his dreams from the 1960s onward. This collection delves into his cinematic genius as it is captured in widely detailed caricatures and personal writings. This dream diary exhibits Fellini's deeply personal taste for the bizarre and the

irrational. His sketches focus on the profound struggle of the soul and are tinged with humor, empathy, and insight. Fellini's *Book of Dreams* is an intriguing source of never-before-published writings and drawings, which reveal the master filmmaker's personal vision and his infinite imagination.

Italy is a country synonymous with style and beauty in all aspects of life: the rich history of Rome, Renaissance art of Florence, graceful canals of Venice, high fashion of Milan, signature pasta alla bolognese of Bologna, colorful architecture of Portofino and winking blue waters of Capri and the Amalfi Coast, among many others. Italians themselves live effortlessly amid all this splendor, knowing instinctively just the type of outfit to throw on, design element to balance, or delectable ingredient to add.

Nino Rota, La Dolce Vita Running Press

The first book in a much loved Italian travel memoir trilogy which also includes the delightful *See Naples and Die* and *Girl by Sea*. Winner of the Grollo Ruzzene Foundation Prize in the Victorian Premier's Literary Awards. We've all dreamed of a new exotic life in a European city, but who actually goes? *When in Rome* shows what can happen when you are courageous - and perhaps crazy - enough to chase this dream. With her thirtieth birthday on the horizon and her safe and comfortable life in Sydney outside her front door, Penelope Green decided it was now or never. Undaunted by the fact she spoke absolutely no Italian, had no job, no friends and nowhere to live, and armed only with an Italian English dictionary, irresistible optimism and a fair dash of bravery, she was determined to carve out her own slice of la dolce vita. Both frank and funny, Penny tells how she plunged into the deep

end of Roman life from her first giddy Vespa ride to daily struggles with the language and culture (not to mention a few lecherous locals), to seeing in her birthday with a kiss from her lover under the floodlit Colosseum. 'Written engagingly and with great honesty, Penelope Green's experiences definitely do not include restoring any farmhouses... Funny and full of heart' - The Australian Women's Weekly 'Descriptions of Rome so vivid you can smell the coffee' - Sun-Herald Author Biography Penelope Green was born in Sydney and worked as a print journalist around Australia for a decade before moving to Rome in 2002. Her first book, *When in Rome*, recounts her early experiences in the Eternal City. In 2005 she moved to Naples to work for ANSamed, a Mediterranean news service. She found an apartment in the city's colourful Spanish Quarter, worked hard at mastering the Neapolitan dialect, and writing her second travel memoir, *See Naples and Die*. *Girl by Sea* completes Penny's Italian experience as she moves to the idyllic island of Procida, across the bay from Capri, with her Italian partner, Alfonso. The couple have now returned to Australia, where they are making a new life for themselves back in the Southern hemisphere. For more information visit penelopegreen.com.au

This bibliography lists English-language translations of twentieth-century Italian literature published chiefly in book form between 1929 and 1997, encompassing fiction, poetry, plays, screenplays, librettos, journals and diaries, and correspondence.

I, Fellini Canongate Books

Federico Fellini's script for perhaps the most famous unmade film in Italian cinema, *The Journey of G. Mastorna* (1965/6), is published here for the first time in full English translation. It offers the reader a remarkable insight into Fellini's creative process and his fascination with human mortality and the great mystery of death. Written in collaboration with Dino Buzzati, Brunello Rondi, and Bernardino Zapponi, the project was ultimately abandoned for a number of reasons, including Fellini's near death, although it continued to inhabit his creative imagination and the landscape of his films for the rest of his career. Marcus Perryman has written two supporting essays which discuss the reasons why the film was never made, compare it to the two other films in the trilogy *La Dolce Vita* and *8 1/2*, and analyze the script in the light of It's a Wonderful Life and Fredric Brown's sci-fi novel *What Mad Universe*. In doing so he opens up an entire world of connections to Fellini's other films, writers and collaborators. It should be essential reading for students and academics studying Fellini's work.

How to Be Italian Berghahn Books

One of the greatest Italian filmmakers, Federico Fellini (1920-1993) created such masterpieces as *La Strada*, *La Dolce Vita*, *8 1/2*, *Juliet of the Spirits*, *Satyricon*, and *Amarcord*. His prodigious body of work evokes Pirandello, existentialism, "the silence of God," as well as show business. Critics have accused him of being a charlatan, hypocrite, clown, and demon, and have hailed him as a magician, poet, genius, and prophet. Fellini on Fellini is a fascinating collection of his articles, interviews, essays, reminiscences, and table talk, carefully arranged to chart the progress of his life and work. There are boyhood memories of his hometown, Rimini, and his highly improbable beginnings as a scriptwriter for Rossellini; letters to Jesuit priests and Marxist critics defending his first international success, *La Strada*; anecdotes and revelations about the making of *La Dolca Vita*, *8 1/2*, and *The Clowns*; and insights into all aspects of filmmaking. Here, Fellini reveals, as no one else can, a rich digest of his brilliant and controversial career.

This book chronicles the demise of the supposedly leftist Italian cultural establishment during the long 1980s. During that time, the nation's literary and intellectual vanguard managed to lose the prominence handed it after the end of World War II and the defeat of Fascism. What emerged instead was a uniquely Italian brand of cultural capital that deliberately avoided any critical questioning of the prevailing order. Ricciardi criticizes the development of this new hegemonic arrangement in film, literature, philosophy, and art criticism. She focuses on several turning points: Fellini's futile, late-career critique of Berlusconi-style commercial television, Calvino's late turn to reactionary belletrism, Vattimo's nihilist and conservative responses to French poststructuralism, and Bonito Oliva's movement of art commodification, Transavanguardia.

Death and the Dolce Vita Berghahn Books

From the photographers who tailed the stars to the legends who secured their place in cinematic fame, *Dolce Vita Confidential* resurrects the drama that permeated the streets and screens of Rome.

The Negroni Lantern

Italy's economic expansion after World War Two triggered significant social and cultural change. Secularization accompanied this development and triggered alarm bells across the nation's immense Catholic community. *The Devil and the Dolce Vita* is the story of that community - the church of Popes Pius XII, John XXIII and Paul VI, the lay Catholic Action association, and the Christian Democratic Party - and their efforts in a series of culture wars to preserve a traditional way of life and to engage and tame the challenges of a rapidly modernizing society. Roy Domenico begins this study during the heady days of the April 1948 Christian Democratic electoral triumph and ends when pro-divorce forces dealt the Catholics a defeat in the referendum of May 1974 where their hopes crashed and probably ended. Between those two dates Catholics engaged secularists in a number of battles - many over film and television censorship, encountering such figures as Roberto Rossellini, Luchino Visconti, Federico Fellini, and Pier Paolo Pasolini. The Venice Film Festival became a locus in the fight as did places like Pozzonovo, near Padua, where the Catholics directed their energies against a Communist youth organization; and Prato in Tuscany where the bishop led a fight to preserve church weddings. Concern with proper decorum led to more skirmishes on beaches and at resorts over modest attire and beauty pageants. By the 1960s and 1970s other issues, such as feminism, a new frankness about sexual relations, and the youth rebellion emerged to contribute to a perfect storm that led to the divorce referendum and widespread despair in the Catholic camp.

After La Dolce Vita Nation Books

Federico Fellini is often considered a disengaged filmmaker, interested in self-referential dreams and grotesquerie rather than contemporary politics. This book challenges that myth by examining the filmmaker's reception in Italy, and by exploring his films in the context of significant political debates. By conceiving Fellini's cinema as an individual expression of the nation's "mythical biography," the director's most celebrated themes and images — a nostalgia for childhood, unattainable female figures, fantasy, the circus, carnival — become symbols of Italy's traumatic modernity and perpetual adolescence.
