Discover the real sources of many of the traditions, beliefs, and techniques of modern Witchcraft! And what author Raven Grimassi reveals in Hereditary Witchcraft is the documented ancient roots of the Old Religion. One-by-one, Grimassi goes through the tenets of Witchcraft and shows their ancient sources. The association of the pentagram with Witchcraft goes back at least 2,500 years. The idea of the four elements goes back to a philosopher named Empedocles of Sicily in around 475 B.C.E. The practice of many covens today of having a Priestess, Priest, and Maiden can be traced back over 2,000 years to ancient Pompeii. This book is filled with history, myth, and folklore. But it is also filled with rituals and techniques that you can do. On these pages you will learn how to prepare and banish a magic circle. You'll learn rituals you can do by yourself, including those for the Solstices, Diana's Day, and Cornucopia. With this information you can become a follower of the Old Ways! Of course, one of the most famous aspects of Witchcraft is magick. Grimassi doesn't disappoint here, either. You'll learn runic magick and divination; you'll learn about doing magick with the Moon and stars; you'll learn secret symbols and the powers of herbs. If you are a Witch - or you're thinking about becoming a Witch - this is one of the most important books you could possibly have. You'll find the documentation to support the antiquity of your beliefs and the way Witchcraft is practiced today. This book is both a guide for everyday life and a resource to discover Wiccan origins. If you don't have a copy of this book, get one today. You'll use it for the rest of your life.

The Pagan Religions of the Ancient British Isles Crossing Press

This thorough writing enables the curious seeker to pin down a truly progressive path in perhaps one of the oldest forms of spiritual and magical awareness. To initiates and those in the know, 'the old religion' gives a name to this path. More commonly, the old religion is called Wicca. In this book, you'll find the means to realise your position as a natural born magician. This book encourages the reader to become aware of the symbolic meanings associated with witches tools like the pentacle. Once the reader understands what the pentacle represents, they can enter into the world of creating energetic influences, or magic. This book gives a solid, straightforward grounding into what the Old Gods mean, working with the elemental forces, casting magical circles, practising Sabbat ceremonies and much more. The author, Nigel Cox, is a practising witch who brings his knowledge of witchcraft and the old religion into an easy to read and straightforward way, encouraging those interested in this pagan path to move confidently into it, and if the reader chooses, initiate as a witch and develop a meaningful relationship with the old gods, witchcraft and the old religion.

The Triumph of the Moon Llewellyn Worldwide

The High Priestess and author of Wicca presents an accessible introduction to magic in the modern world. Exploring how you can integrate magic into your daily life, Vivianne Crowley shows that contemporary self-help methods are rooted in magical practices. She explains how magic can help

us discover and unfold our potential selves, and how we can use magic as a force for good to heal and remove fears. Vivianne dispels modern myths of magic as wizards, dragons, or evil sorcerers and explores ways that magic can be applied in the twenty-first century to help us become more self-aware and empowered in our everyday lives. Everyday Magic is part of The Paranormal, a series that resurrects rare titles, classic publications, and out-of-print texts, as well as publishes new supernatural and otherworldly ebooks for the digital age. The series includes a range of paranormal subjects from angels, fairies, and UFOs to near-death experiences, vampires, ghosts, and witchcraft. Praise for Vivianne Crowley's Wicca: A Comprehensive Guide to the Old Religion in the Modern World "This book is an excellent introduction to the modern practices and beliefs of the revived Craft and can be thoroughly recommended." —Prediction "At last, a really thorough and authoritative exposition of present day coven witchcraft." —Quest

Wicca Llewellyn Worldwide Limited

This fascinating ethnography explores contemporary witchcraft from the unusual perspective of self-identified witches & magicians.

Wicca Nancy Chandler

The history of American Paganism - with so many invented lineages, so many solitary practitioners, so much resistance to staid definition, so much hiddenness - can be hard to decipher. But in Her Hidden Children, author Chas S. Clifton relates many never-before-told stories of the origins of Paganism and Wicca in the United States, describing the people, publications, and organizations that allowed Paganism and Wicca to take root and become "nature religion." With a timeline, glossary, and photos of important figures, Her Hidden Children is important for any student of Paganism or American religion.

A Rebirth of the Ancient Religion of the Goddess: 20th Anniversary Edition Booksurge Publishing

Pagans often claim that their spiritual inspiration comes not from a written scripture but from personal experience and original creativity. Yet, there are many written works which also constitute its testament. Some of them are thousands of years old. This title collects these original works.

The Path of Solitary Witchcraft Red Wheel/Weiser

Describes the basics of Wicca, presents lists of correspondences, and provides guidelines for creating spells, rituals, and tools to help with issues such as love, health, and money.

Ways of the Strega Wicca The Old Religion in the New Millennium

Buckland's Complete Book of Witchcraft has influenced and guided countless students, coven initiates, and solitaries around the world. One of modern Wicca's most recommended books, this comprehensive text features a step-by-step course in Witchcraft, with photographs and illustrations, rituals, beliefs, history, and lore, as well as instruction in spellwork, divination, herbalism, healing, channeling, dreamwork, sabbats, esbats, covens, and solitary practice. The workbook format

includes exam questions at the end of each lesson, so you can build a permanent record of your spiritual and magical training. This complete self-study course in modern Wicca is a treasured classic—an essential and trusted guide that belongs in every Witch's library. Praise: "A masterwork by one of the great Elders of the Craft. Raymond Buckland has presented a treasure trove of Wiccan lore. It is a legacy that will provide magic, beauty, and wisdom to future generations of those who seek the ancient paths of the Old Religion."—Ed Fitch, author of *Magical Rites from the Crystal Well* "I read Buckland's *Complete Book of Witchcraft* with much pleasure. This book contains enough information and know-how for all approaches: the historical, the philosophical, and the pragmatic . . . quite entertaining, as much for the armchair enthusiast as for the practicing occultist."—Marion Zimmer Bradley, author of *The Mists of Avalon* "Never in the history of the Craft has a single book educated as many people, spurred as many spiritual paths, or conjured as much personal possibility as Buckland's *Complete Book of Witchcraft*."—Dorothy Morrison, author of *The Craft*

A Pagan Testament Llewellyn Worldwide

Following on from *First Directions* .. this new series provides a more in-depth, sophisticated introduction. An introductory Guide to Wicca, exploring all the fundamental issues of this path.

The Trinitarian Tradition Harper San Francisco

This is the ultimate guide to the ancient religion of Wicca by best-selling Pagan author, D. J. Conway. *WICCA: THE COMPLETE CRAFT* offers a comprehensive overview of Wiccan philosophy, dispels the common misconceptions, and is a useful primer for practicing Wicca as a spiritual lifestyle. Included are chapters on sacred space, ritual tools, holy days, meditations and visualizations, spells and the art of spell casting, as well as terminology.

Origins of Modern Witchcraft Harper Collins

An examination of Witchcraft and the many ways it is practiced today uncovers the roots of Wiccan beliefs, Wiccan Scripture, and sacred symbols, in an updated edition that includes hands-on advice for spellwork and sample rituals for celebrations and worship.

A Seeker's Guide HarperCollins Publishers

Argues that witchcraft is the world's oldest religion, clears up misconceptions about witches, and discusses occult rituals

Wicca: A comprehensive guide to the Old Religion in the modern world David and Charles

You've heard that dreamlike voice calling to you: a yearning to work with the earth's life energies...a heartfelt desire to become a student of the Craft. Now is the time to call forth your passion and strength of will, and commit yourself fully to the Path of the Wise. *Dedicant: A Witch's Circle of Fire* invites you to set forth on the sacred journey to becoming a Witch. Designed to harmonize with the Wheel of the Year, the monthly lessons feature seasonally themed stories, meditations, Witchcraft lore, ethics questions, spells, and pathworking rituals. The course on Wicca culminates in a powerful self-initiation rite that brings you to the level of Initiate. Blending purposeful study with reflection and awareness, the Circles system of Wicca study is ideal for the solitary student or as part of a coven curriculum. *Dedicant* helps you ignite your inner light and keep it burning by teaching you the core essentials of Wiccan wisdom: Creating a spiritual grimoire Writing and performing daily devotionals Calling the Gods and Goddesses Conducting Sabbat and Esbat rituals Performing herb and energy work Making and using magical tools Selecting ritual garb Casting a power circle Praise:

"Calafia does a great job of laying out the groundwork, and she presents it in a unique, workable structure that's easy to follow and offers a solid scaffolding for self-development."—*Witches and Pagans*

Traditional Wicca Penguin Group USA

"A step-by-step guide to Wicca as a lifestyle; practical, easy to read, and no-nonsense in tone."

—Shelley Rabinovitch, author of *The Encyclopedia of Modern Witchcraft and Neo-Paganism* The Father of American Wicca, Raymond Buckland, provides this indispensable, comprehensive handbook to the solitary practice of Wicca through every season of life. For readers of *The Green Witch* by Arin Murphy-Hiscock and *The Spell Book for New Witches* by Ambrosia Hawthorn, this modern guide will help you learn to add depth to your solo practice from a master of his craft. *Wicca for One* is a journey through expert advice on becoming a Witch and improving your life through magic. You will learn how to master spells, rites, traditions, and celebrations alone while learning the following: · The advantages and drawbacks of practicing solitary Wicca · Constructing the tools and sacred space needed to create magic every day · Using dreamwork, tarot cards, crystals, nature, astrology, and other divinations · Maintaining ethics without the guidance of a coven · Developing the power to heal and to ward off negativity Let *Wicca for One* be your guide and inspiration as you travel the time-honored path of the solitary practitioner. "A complete handbook of rites, rituals, and ultimately personal empowerment. Truly a guide for magickal living, and for all seasons of life."

—Anthony Paige, author of *Rocking the Goddess*

Secrets of the Old Religion John Wiley & Sons

Contemplative Wicca provides an exclusively contemplative practice of Wicca based on science, the concept of Oneness, and the traditional Wiccan veneration of nature. It offers a monotheistic, pagan theology and a unique and forward-thinking viewpoint on which to base spiritual practice, extending the current discussion of Wiccan custom and belief. This book explores how Oneness provides the logical underpinning for contemplation and the spirit of unity, which is so essential to healing society today. Little formal pagan theology has been done to date, and doing it is necessary to further interreligious dialog and to establish paganism in general and Wicca in particular as legitimate religions. This book is intended to remedy this lack and contribute to the discussion of Wicca among pagan scholars and serious practitioners who may be seeking to incorporate contemplative ideas into their work and the construction of their faith.

Wicca David & Charles

Cunningham's classic introduction to Wicca is about how to live life magically, spiritually, and wholly attuned with nature. It is a book of sense and common sense, not only about magick, but about religion and one of the most critical issues of today: how to achieve the much needed and wholesome relationship with our Earth. Cunningham presents Wicca as it is today: a gentle, Earth-oriented religion dedicated to the Goddess and God. *Wicca* also includes Scott Cunningham's own *Book of Shadows* and updated appendices of periodicals and occult suppliers.

A Guide for the Solitary Practitioner HarperElement

Ronald Hutton is known for his colourful and provocative writings on original subjects. This work is no exception: for the first full-scale scholarly study of the only religion England has ever given the world; that of modern pagan witchcraft, which has now spread from English shores across four

continents. Hutton examines the nature of that religion and its development, and offers a microhistory of attitudes to paganism, witchcraft, and magic in British society since 1800. Its pages reveal village cunning folk, Victorian ritual magicians, classicists and archaeologists, leaders of woodcraft and scouting movements, Freemasons, and members of rural secret societies. We also find some of the leading figures of English literature, from the Romantic poets to W.B. Yeats, D.H. Lawrence, and Robert Graves, as well as the main personalities who have represented pagan witchcraft to the world since 1950. Densely researched, *Triumph of the Moon* presents an authoritative insight into a hitherto little-known aspect of modern social history.

The Spiral Dance HarperCollins UK

Christian Wicca: Oxymoron or the Best of Both Worlds? Finally, a how-to guide for practicing Wicca, celebrating the return of the original Christian Trinity: the Father, the Mother, and the Holy Son Jesus. This book is written expressly for Wiccans who wish to walk the spiritual path of earth-based religions, but do not wish to surrender their Judeo-Christian background. Nancy now offers a simple solution to the rapidly emerging ChristoPagan community. Wicca, the Old Religion, or the religion of the wise, is the fastest growing form of spirituality in the United States. Many modern and eclectic Christians have no problem recognizing Jesus as Lord, but instead have a problem accepting the dogma of the organized church. Seekers are also feeling the absence of the Female aspect of the Divine and wish to re-establish the Goddess in their spirituality. In the wake of the discoveries of the Nag Hammadi Library, for the first time since 100-300 A.C.E. - the yin of the Christian faith is seeking to restore its yang! Despite the overwhelming evidence that there is a Divine Mother --- no one has applied this information to Wicca and the Holy Days of the Wheel of the Year. "Christian

Wicca: the Trinitarian Tradition" does this very task, outlining the Sabbats, the Esbats to include the Holy Trinity . . . also introducing observances expressly for Jesus, called Kyriats! Blessed Be!!

Hereditary Witchcraft Aeon Books

The past century has borne witness to a growing interest in the belief systems of ancient Europe, with an array of contemporary Pagan groups claiming to revive these old ways for the needs of the modern world. By far the largest and best known of these Paganisms has been Wicca, a new religious movement that can now count hundreds of thousands of adherents worldwide. Emerging from the occult milieu of mid twentieth-century Britain, Wicca was first presented as the survival of an ancient pre-Christian Witch-Cult, whose participants assembled in covens to venerate their Horned God and Mother Goddess, to celebrate seasonal festivities, and to cast spells by the light of the full moon. Spreading to North America, where it diversified under the impact of environmentalism, feminism, and the 1960s counter-culture, Wicca came to be presented as a Goddess-centred nature religion, in which form it was popularised by a number of best-selling authors and fictional television shows. Today, Wicca is a maturing religious movement replete with its own distinct world-view, unique culture, and internal divisions. This book represents the first published academic introduction to be exclusively devoted to this fascinating faith, exploring how this Witches' Craft developed, what its participants believe and practice, and what the Wiccan community actually looks like. In doing so it sweeps away widely-held misconceptions and offers a comprehensive overview of this religion in all of its varied forms. Drawing upon the work of historians, anthropologists, sociologists, and scholars of religious studies, as well as the writings of Wiccans themselves, it provides an original synthesis that will be invaluable for anyone seeking to learn about the blossoming religion of modern Pagan Witchcraft.
