A solid understanding of how banks operate is crucial to grasp the functioning of modern society. Banks are an intrinsic part of business, finance, and everyday life. Modern banking is regulated by a sophisticated set of laws and regulations that are constantly evolving. Banking Law and Practice from the Hong Kong Institute of Bankers outlines and explains these laws and regulations clearly and in detail. This regulatory framework has a deep impact on banks, bankers, and anyone that deals with them, which is the overwhelming majority of society. This high level of impact makes Banking Law and Practice an important book as well as a necessary and authoritative reference for industry professionals, students, and the public at large. Banking Law and Practice discusses a range of topics that have a direct bearing on the day-to-day operations of banks, from contracts to how to ensure safe and secure lending. It examines the development and current state of banking

legislation and regulation and facilitates bankers and their institutions to shape their practice to meet all the necessary legal and regulatory requirements. Students, industry professionals, and the public at large will welcome the thorough and clear explanations of the legal and regulatory framework in which banks operate. This book is essential reading for candidates studying for the HKIB Associateship Examination and anyone else seeking expert knowledge of the legal and regulatory structure affecting banks in Hong Kong. Topics covered in this book include: Contractual Relationships Code of Banking Practice Money Laundering Negotiable Instruments Law Related to Securities Bankruptcy and Insolvency

An Introduction to Sociology is your essential guide to understanding the social forces that shape our

lives and the world around us. This innovative textbook introduces you to the key theories, themes, and concepts in the discipline of sociology and helps you to develop as a sociologist by providing comprehensive coverage of all the main areas of study. Presenting you with the history, current debates and recent research developments for each topic, this book covers everything from classical sociologies and traditional subjects such as class, families, and religion, through to more progressive areas like digital society, social media, migration, and the interconnectedness of modern global society. The book's extensive coverage means it can be used throughout your studies, from first year to final year. Key features: Each chapter is written by an internationally renowned expert who uses specialist insight and the latest research to provide a reliable and up-to-date overview. Includes a selection of unique learning features such as "Hear from the Expert" boxes and "Key Cases" from around the world, as well as reflective activities and revision questions that will enhance your knowledge. Features a section titled "What is sociology useful for?" which includes chapters on the public value of sociology and the role of sociology in contemporary society. The book is supported by a wide-ranging collection of online teaching and learning resources including exclusive video content from SAGE Video, links to SAGE Journal Articles, sample essay questions, and a selection of multiple-choice questions. This definitive text is perfect for first-year sociology undergraduates and anyone studying sociology at university or college level.

MPPSC General Aptitude Test Paper 2 Guide for 2021 Exam Oways
