Things Are Never So Bad That They Can't Get Worse Black Squirrel Books

NATIONAL BESTSELLER • Senator John McCain tells the story of his great American journey, from the U.S. Navy to his electrifying campaign for the presidency in 2000, interwoven with heartfelt portraits of the mavericks who have inspired him through the years. After five and a half years as a prisoner of war in Vietnam, naval aviator John McCain returned home a changed man. Regaining his health and flight-eligibility status, he resumed his military career, commanding carrier pilots and serving as the navy's liaison to what is sometimes ironically called the world's most exclusive club, the United States Senate. Accompanying Senators John Tower and Henry "Scoop" Jackson on international trips, McCain began his political education in the company of two masters, leaders whose standards he would strive to maintain upon his election to the U.S. Congress. There, he learned valuable lessons in cooperation from a good-humored congressman from the other party, Morris Udall. In 1986, McCain was elected to the U.S. Senate, inheriting the seat of another role model, Barry Goldwater. During his time in public office, McCain has seen acts of principle and acts of craven self-interest. He describes both extremes in these pages, with his characteristic straight talk and humor. He writes honestly of the lowest point in his career, the Keating Five savings and loan debacle, as well as his triumphant moments—his return to Vietnam and his efforts to normalize relations between the U.S. and Vietnamese governments; his fight for campaign finance reform; and his galvanizing bid for the presidency in 2000. Writes McCain: "A rebel without a cause is just a punk. Whatever you're called—rebel, unorthodox, nonconformist, radical—it's all self-indulgence without a good cause to give your life meaning." This is the story of McCain's causes, the people who made him do it, and the meaning he found. *Worth the Fighting For* reminds us of what's best in America, and in ourselves. Praise for *Worth the Fighting For* "When [John] McCain writes of people and patriotism, his pages shine with a devotion, a loving awe, that makes *Worth the Fighting For* worth the shelling out for. . . . McCain the man remains one of the most inspiring public figures of his generation."—Jonathan Rauch, *The Washington Post* "[An] unpredictable, outspoken memoir . . . a testimonial to heroism from someone who has first-hand knowledge of what it takes."—*The New York Times*

Jeta e re Skyhorse Publishing Inc.

Named Foreign Affairs Best Books of 2022 and the National Endowment for Democracy Notable Books of 2022 "Richly reported...a thorough and important history." -Tim Padgett, *The New York Times* A nuanced and deeply-reported account of the collapse of Venezuela, and what it could mean for the rest of the world. Today, Venezuela is a country of perpetual crisis—a country of rolling blackouts, nearly worthless currency, uncertain supply of water and food, and extreme poverty. In the same land where oil—the largest reserve in the world—sits so close to the surface that it bubbles from the ground, where gold and other mineral resources are abundant, and where the government spends billions of dollars on public works projects that go abandoned, the supermarket shelves are bare and the hospitals have no medicine. Twenty percent of the population has fled, creating the largest refugee exodus in the world, rivaling only war-torn Syria's crisis. Venezuela's collapse affects all of Latin America, as well as the United States and the international community. Republicans like to point to Venezuela as the perfect example of the emptiness of socialism, but it is a better model for something else: the destructive potential of charismatic populist leadership. The ascent of Hugo

Chávez was a precursor to the emergence of strongmen that can now be seen all over the world, and the success of the corrupt economy he presided over only lasted while oil sold for more than \$100 a barrel. Chávez's regime and policies, which have been reinforced under Nicolás Maduro, squandered abundant resources and ultimately bankrupted the country. *Things Are Never So Bad That They Can't Get Worse* is a fluid combination of journalism, memoir, and history that chronicles Venezuela's tragic journey from petro-riches to poverty. Author William Neuman witnessed it all firsthand while living in Caracas and serving as the New York Times Andes Region Bureau Chief. His book paints a clear-eyed, riveting, and highly personal portrait of the crisis unfolding in real time, with all of its tropical surrealism, extremes of wealth and suffering, and gripping drama. It is also a heartfelt reflection of the country's great beauty and vibrancy—and the energy, passion, and humor of its people, even under the most challenging circumstances.

Worth the Fighting For Legare Street Press

A socially stunted thirty-five-year-old man named Bobby Bunting deals with isolation and his fear of women in highly unusual ways.

The General of the Dead Army Arcade Publishing

This is the story of an Italian general, accompanied by his chaplain, charged with the mission of scouring Albania in search of the bones of their fallen countrymen, killed twenty years earlier during World War II.

An Outline of Albanian Literature Skyhorse

From Ismail Kadare, winner of the inaugural Man Booker International Prize – a novelist in the class of Coetzee, Pamuk, Márquez, and Rushdie – the stunning new translation of one of his major works. In the early fifteenth century, as winter falls away, the people of Albania know that their fate is sealed. They have refused to negotiate with the Ottoman Empire, and war is now inevitable. Soon enough, dust kicked up by Turkish horses is spotted from a citadel. Brightly coloured banners, hastily constructed minarets, and tens of thousands of men fill the plain below. From this moment on, the world is waiting to hear that the fortress has fallen. The *Siege* tells the enthralling story of the weeks and months that follow – of the exhilaration and despair of the battlefield, the constantly shifting strategies of war, and those whose lives are held in the balance, from the Pasha himself to the artillerymen, astrologer, blind poet, and harem of women who accompany him. "Believe me," the general said. "I've taken part in many sieges but this," he waved towards the castle walls, "is where the most fearful carnage of our times will take place. And you surely know as well as I do that great massacres always give birth to great books. You really do have an opportunity to write a thundering chronicle redolent with pitch and blood, and it will be utterly different from the graceful whines composed at the fireside by squealers who never went to war." Brilliantly vivid, as insightful as it is compelling, *The Siege* is an unforgettable account of the clash of two great civilisations, and a portrait of war that will resonate across the centuries.

Chronicle in Stone CRC Press

"Edited by Paul J. Bauer and Mark Dawidziak."

The Ghost Rider Princeton University Press

A *New York Times* Book Review Editors' Choice "Erotic, paranoiac and lightly fantastical." —*The Wall Street Journal* "Ismail Kadare's readers are astonished every year when the Nobel committee overlooks him. . . . *A Girl in Exile*, published in Albanian in 2009, may rekindle the worldwide hopes." —*The New York Times* Book Review During the bureaucratic machinery of Albania's 1945–1991 dictatorship, playwright Rudian Stefa is called in for questioning by the Party Committee. A girl—Linda B.—has been found dead, with a signed copy of his latest book in her possession. He soon learns that Linda's family, considered suspect, was exiled to a small town far from the capital. Under the influence of a paranoid regime, Rudian finds himself swept along on a surreal quest to discover what really happened to Linda B. "At a time when parts of the world are indulging nostalgia for communism, Kadare's novel confronts the infuriating impossibility of art in an autocratic, anti-individualist system." —*The Washington Post* "A *Girl in Exile* confirms Kadare to be the best writer at work today who remembers—almost aggressively so, refusing to forget—European totalitarianism." —*The New Republic*
