This book, first published in 1991, is a full study of early Hellenistic coinage. It provides a history of the coinage of Alexander the Great and his successors in the Near and Middle East, and of the cities of Greece and Asia Minor. It is fully illustrated and provides a detailed and authoritative guide to the coinage of the period.

Roman Rule in Asia Minor, Volume 2

(Notes) Gorgias Press

Contains over 130 maps spanning the Bronze Age in the Aegean to the reign of Constantine. Focuses on political and military developments, archaeological discoveries, trade, colonization, and religion.

Anissa's Redemption Univ of California

Press

NOTE: This is a "clean read" edition of *The Syrian Virgin* (i.e., this version has no profanity and minimally described intimacy). Due to war themes, the book is not recommended for readers under 16. Anissa is traumatized by the most brutal conflict of the 21st Century: the Syrian Civil War. In 2012, Islamists in Homs terrorize a Syrian-Christian community and destroy everything that a young woman holds dear. Narrowly escaping death, Anissa restarts her devastated life as a college student in New York City. She is bewildered and lost, but hopeful for a better life in a new land. Anissa is soon drawn to two powerful individuals: Michael Kassab, the Syrian-American leader working to found the first Mideast Christian state, and

Julien Morales, her Columbia University professor who runs a \$20 billion hedge fund. Complicating matters, Michael is still attached to his ex-girlfriend and Julien is the most sought after bachelor in Manhattan (and has hidden demons that even his therapist can't extract). Anissa's heart and her communal ties pull her in different directions, as she seeks hope and renewal in a dark world. Anissa of Syria might be compared to *The Kite Runner* and *The Diary of Anne Frank*.

Routledge

"An enlarged and improved version of "Arabisches Wèörterbuch fèur die Schriftsprache der Gegenwart" by Hans Wehr and includes the contents of the "Supplement zum Arabischen

Wèörterbuch fèur die Schriftsprache der Gegenwart" and a collection of new additional material (about 13.000 entries) by the same author."

Ancient Coinage: The ancient coins of the northern Black Sea littoral Christian Faith Publishing, Inc.

In the present volume, Hanna Aydin offers a history of the Syrian Orthodox Church of Antioch from its beginning to the late twentieth century.

Ancient Antioch BRILL

"Van Dam's exploration . . . makes for fascinating reading and should provoke fruitful debate."—Choice

God's Sky Cambridge University Press

*** This novel contains a detailed synopsis of book 1 in the series and can be read as a standalone. Anissa Toma fled war-torn Syria after narrowly

escaping the massacre of her Christian family by Islamists. Fortunate enough to rebuild her shattered life in New York City, the young refugee gained admission to an elite college, where she excelled. Her beauty, brains, and purity soon captured the interest of two powerful men: Michael, an activist working to establish Antioch, the first Mideast Christian state, and Julien, her professor and one of the city's wealthiest bachelors. As Anissa's saga continues, the refugee-turned-rising-star must navigate between Michael and Julien, while trying to help her surviving relatives and other vulnerable Christians in Syria. As she gets closer to both men in a complex and evolving love triangle, can she unlock Julien's traumatic childhood to open up his heart? Or will

Julien find greater solace from his nightmares and other demons in the sessions with his intriguing therapist? What will Michael do for Antioch and for Anissa, and what will Julien's role be? How far will each person go to help Anissa's remaining family and other persecuted Christians at risk in Syria? Find out in this stunning sequel to "The Syrian Virgin." **WARNING:** This book is about a young woman's difficult journey: her escape from Syria's Civil War, her transition to a new a country, and the relationships that she forms along the way, including her romantic interests in two very different men. The story is set against the backdrop of the Syrian Civil War and makes reference to violent acts, sometimes in detail. There is some occasional profanity and a few scenes

that depict sexual intimacy. Accordingly, the recommended minimum age for readers is 16. The novel might be compared to books like "The Diary of Anne Frank" or "The Kite Runner."

A History of Antioch in Syria from Seleucus to the Arab Conquest

Cambridge University Press

This book offers a new narrative of the great ancient city Antioch's origins, growth, and significance.

Hellenistic Civilisation by Sir William

Tarn University of Pennsylvania Press

Here are 102+ ways to use training in family history and genealogy when applied to real-world careers in education, business, or government, including creative entrepreneurial start-ups. With the future marriage of genealogy to smart cards, online

databases, or similar authentication technology for family history, population registration (census), and library research, it may be easier to research family lines, not only by DNA matches through DNA testing for deep ancestry, but also with smart, electronic cards designed for electronic identity. It's also a way to track military records as another way to trace family history. Careers and research may focus on various state libraries or historical associations. History and family studies are part of an interdisciplinary liberal arts program that emphasizes research and writing. Journalism courses help round out your ability to express in plain language the results of your reading, explorations, and interpretations. Obtaining a degree or even taking one

course or self-study in Family, Public, or Social History can lead to broad, interdisciplinary careers. Graduate work in library science, law, journalism, public history, or genetics counseling (with a double major in the life sciences and social work) also lead to careers in which an historical education may be used.

This compendium provides historical narratives, detailed references, citations, and commentaries on all the cities founded or refounded in Europe, The Islands, and Asia Minor during the Hellenistic period. Organized coherently in more than 180 entries, it is one of the most significant reference works in the field of Greek history to be completed in the past decade.

Anissa of Antioch Knopf

OVERVIEW: A male "Sex and the City" full of sexy laughs, romance, and misadventures. **** MORE DETAILS: New York City, May 2000. The Internet bubble

has burst, and Evan's boss fires him with an email. The next day, his girlfriend dumps him, also via email. Afraid to check any more emails, Evan desperately seeks a rebound romance but the catastrophes that ensue go from bad to hilariously worse. Fortunately, Evan meets someone whose legendary disasters with females eclipse even his own. To reverse their fortunes, they recruit their friends into a group of five guys who take on Manhattan in pursuit of dates, sex, and adventure. With musings about life, relationships, and human psychology, this quintessential New York story about the search for happiness follows five men on their comical paths to trouble, self-discovery, and love. **** PRAISE FOR "SEX IN THE TITLE": "the funniest book I [have] read

in a long time...Never before have I had so much fun with 5 totally clueless but completely lovable guys" "This book is so much more than a 'Romantic Comedy'...[It's] funny...clever [and] well written, with superbly developed characters." ----Nikki Hardie of the Blissful Book Blog "A wickedly brilliant story [that] reminded me of the grand influence and power of the written word. [Reading it was like] sitting on a plane and discovering you quite possibly met the most intriguing person you will ever encounter, and for those brief hours suspended in time, all of the universe is up for discussion with out the usual formalities of social standing. "...spans several genres and does it with such cleverness, you cannot help but be impressed...one of my all-time favorite

reads." ----Author JL Brooks "[The] situations [the men] go through will have you laughing hysterically one second, cringing the next, sighing in another and getting misty eyed as well...It's beyond funny, intelligent and heartwarming...[and] will have you hysterically laughing and blissfully satisfied. ----Kristen Karwan of the BOOK fri-ENDS Blog "loved...the male POV on dating, friends, life and all the [dating] disasters that the characters went through [and their] trials and tribulations [searching for] their life long love." "a fun 'Romantic Comedy' [with]...well developed characters and...hilariously fantastic adventures..." ----Abby's Book Blog "a witty, well thought out, splendidly executed satire on growing up" "a tale of coincidence and...how to

deal with life, when all life is sending is hard knocks" ----Little Ebook Reviews "...loved reading about...adventures of being single in NYC! The...characters have...witty and sophisticated dialog and higher-education humor. Misadventures...bring friends together in the most unthinkable [situations]. ----Jennifer Cothran of the Sweet, Beautiful, Moments in West FL book blog "...a lovely surprise and very, very funny...a page-turner and extremely well written...[with] well developed characters and individual stories. ----Magic Within the Pages Book Blog "[A] romance...about a bunch of men trying to find love in the craziness [of] New York in the late 90's and early 00's. It was funny, entertaining and kept me wanting to read more... 'Sex and the

City,' but from a guy's perspective... ----

Persian empire and earlier Middle
Eastern states. They investigate the
economies, social structures, political
systems and cultures of the many
peoples making up the empire, and
analyse, in the context of colonialism
and imperialism, such evidence as exists
for cultural changes, including
Hellenisation. The book makes
accessible the great variety of new and
important documents, Greek and non-
Greek, that have been recently

discovered. It will be of interest to
students,

The World Univ of California Press
Lesia's life in volume one and two took
her on a journey from Jerusalem, Rome,
Patra, Greece, and Ukraine. She kept the
heartbeat of love inside her mind,
reminding her that soon she would be
reunited with her soul mate. Things did
not go as she had hoped. A big dream
was born inside this new-age woman.
She will break the mold of where and
what women were doing in her timeline.
She now accepts the challenge of
building an Andrew School for children
and especially orphans. Her children
would for sure not have slave-posted
ears. Her slave earring is gone, but
memories would sometimes surface. She
ponders that maybe she will be only an

old school maid. Her sandals were divided; she gave Jacob the right one, and is now unhappy with her decision. She decides she would never separate them again. Now, the sandal, with God's help, begins an important maze journey for Jacob, Nathanael, Philip, and his sister, Mariamne, along with Mugface and his family. With ensuing international turmoil in the latter end of the maze, Lee Chin meets the Zhang Family. Speculus the gladiator has now gotten into her human desire! Was her last hug with Dylan leaving the mark of a son on her heart? Will this child face his destiny with no parents or country? Will everyone reach the end and be one big family? My novel was written in volumes, bringing my dream to life! Hopefully someday as a movie and enjoyment for

all ages.

Roman Rule in Asia Minor, to the End of the Third Century After Christ Wipf and Stock Publishers

This book traces the diffusion of the Greek city as a political institution throughout the lands of the Roman Empire bordering the Eastern Mediterranean over a period extending from Alexander's conquest of the East to the sixth century. Arranged in order of annexation, the regions are dealt with individually. The study examines to what extent native institutions were capable of being adapted to the Greek conception of the city, the activities of Hellenistic kings in founding cities, and the spontaneous diffusion of Greek political institutions in the Hellenization of the East. Professor Jones describes the

restrictive effect of centralized administrative policy on some dynasties and the growth of cities in their dominions, and various aspects of the relations between cities and central government, including the cities' role in the economic life of the Empire. Other topics discussed include the local responsibilities of cities, administrative duties such as collecting taxes and levying recruits, the internal and political life of the cities, and their economic effect on the surrounding countryside.

History of the Syrian Church of Antioch

iUniverse

What is known of the expansion of the Roman Empire in Asia and adjacent lands to the East between 133 B.C. and A.D. 285 is presented here in a comprehensive organization of all the

existing scholarship. An authority in the field of ancient history and archaeology, Mr. Magie presents a thorough account of political and economic conditions in this period. Volume 2 contains the notes. Originally published in 1950. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

History of Asceticism in the Syrian Orient

CreateSpace

This volume, the first of six to be published, studies fundamental values of Islam, along with the nature of rights and the responsibilities in a general context. The authors analyse the development of social thought and morality in Islam, and ways in which they are enforced through the family and education. Particular attention is paid to the status of women, children, youth and the socially excluded. Several chapters broach specially Islamic approaches to economics, government and justice. A world religion since its inception in the seventh century A.D., Islam is today seeking vigorous answers to contemporary problems through its multi-faceted history. Issues of poverty and wealth, inequality and demands for

political expression, and respect for diversity in a difficult world of conformity are dealt with in this series. The study is organized along thematic rather than chronological lines and thus it is not necessary to read the volumes in order. Volume II is in fact the first to have been published. Volume IV is forthcoming end 2002, volume V mid 2003 and volumes III and VI in 2004. This volume, the first of six to be published, studies fundamental values of Islam, along with

the nature of rights and the responsibilities in a general context. The authors analyse the development of social thought and morality in Islam, and ways in which they are enforced through the family and education. Particular attention is paid to the status of women, children, youth and the socially excluded. Several chapters broach specially Islamic approaches to economics, government and justice.
