How can the church move forward in unity amid such political strife and cultural contention? As Christians, we've felt pushed to the outskirts of national public life, yet even within our congregations we are divided about how to respond. Some want to strengthen the evangelical voting bloc. Others focus on social justice causes, and still others would abandon the public square altogether. What do we do when brothers and sisters in Christ sit next to each other in the pews but feel divided and angry? Is there a way forward? In *How the Nations Rage*, political theology scholar and pastor Jonathan Leeman challenges Christians from across the spectrum to hit the restart button by shifting our focus from redeeming the nation to living as a nation already redeemed rejecting the false allure of building heaven on earth while living faithfully as citizens of a heavenly kingdom letting Jesus' teaching shape our public engagement as we love our neighbors and seek justice. When we identify with Christ more than a political party or social grouping, we can return to the church's unchanging political task: to become the salt and light Jesus calls us to be and offer the hope of his kingdom to the nations.

Work Matters Berrett-Koehler Publishers

Folding laundry. Weeding the garden.

Cooking dinner. Changing diapers. Work in the home can seem so ordinary. Does any of it matter? Is there meaning in our most mundane moments at home? When the work of the home fills our days, it is easy to get disillusioned and miss God's grand purpose for our work. As image bearers of the Creator who made us to work, we contribute to society, bringing order out of chaos and loving God through loving others—meaning there's glory in every moment. In this encouraging book, Courtney Reissig combats the common

misconceptions about the value of at-home work—helping us see how Christ infuses purpose into every facet of the ordinary.
