## CAMILLE ALENA

---

*The Penthouse Prince* Createspace Independent Publishing Platform  
 Untoward reactions to environmental chemicals, particularly when a subject reports difficulties with exposures to chemicals of diverse classes involving more than one organ system, have been poorly understood and an area of great controversy. Studies of airway inflammation induced by respiratory irritants have established neurogenic inflammation as the mechanism for irritant asthma and rhinitis. Remodeling of the airway after an acute irritant exposure can lead to a heightened sensitivity to irritants that persists. Recognition that rhinitis, while sometimes regarded as a trivial

disease, is associated with extra-airway manifestations such as fatigue and disturbances of sleep, mood, and cognition, further elucidates how chemical exposures can be serious for susceptible individuals. This book reviews current scientific understanding of irritant airway inflammation and related conditions, including cardiovascular effects of particulate exposures, airborne contact dermatitis and irritant dermatitis, and the brain as a target organ for both allergic and irritant reactions. It is essential reading for physicians and other healthcare workers caring for patients with environmental intolerances. Allergists, toxicologists, occupational and environmental physicians, and pulmonologists will find the materials particularly valuable. Patients and advocates for those with chemical

intolerances will also find the book of interest.

Eva Kosmas Flores finds inspiration in her Greek heritage and the bountiful produce of her garden in Oregon. She uses both to craft her seasonal and approachable recipes, each paired with a mouthwatering image. The bounty of fresh, vibrant produce overflowing from her garden comes through on every page, and Flores undertakes rigorous recipe testing to share her most creative, delicious ways to make use of these foods. Showcasing her unforgettable, atmospheric photography style, *First We Eat* is a gorgeous reference on seasonal cooking that celebrates the beauty of the Pacific Northwest, Mediterranean influences, effortless and stylish presentations, and simple

preparations, all designed to share with friends and family.

The CIA and Mind Control Harvill Press

This extensively revised and expanded edition broadens the reach and depth of the permaculture approach for urban and suburban gardeners. The text's message is that working with nature, not against it, results in more beautiful, abundant, and forgiving gardens.

Hidden Deep RosettaBooks

NEW YORK TIMES BESTSELLER • WINNER OF THE BOOKER PRIZE • A modern masterpiece that "reminds us of the power of truth in the face of evil" (People)—and can be read on its own or as a sequel to Margaret Atwood's classic, *The Handmaid's Tale*. "Atwood's powers are on full display" (Los Angeles Times) in this deeply compelling Booker Prize-winning novel, now updated with additional content that explores the historical sources, ideas, and material that inspired Atwood. More than fifteen years after the events of *The Handmaid's Tale*, the theocratic regime of the Republic of Gilead maintains its grip on power, but there are signs it is beginning to rot from within. At this crucial moment, the lives of three radically different women converge, with potentially explosive results. Two have grown up as part of the first generation to come of age in the new order. The testimonies of these two young women are joined by a third: Aunt Lydia. Her complex past and uncertain future unfold in surprising and pivotal ways. With *The Testaments*, Margaret Atwood opens up the innermost workings of Gilead, as each woman is forced to come to terms with who she is, and how far she will go for what she believes.

### **The Toxicant Induction of Irritant Asthma, Rhinitis, and Related Conditions**

The Inheritance Games

When the first Disneyland opened its doors in 1955, it reinvented the American amusement park and transformed the travel, tourism and entertainment industries forever. Now a global vacation empire, the original park in Anaheim, California, has been joined by massive complexes in Florida, Tokyo, Paris, Hong Kong and Shanghai. Spanning six decades, three continents and five distinct cultures, Sabrina Mittermeier presents an interdisciplinary examination of the parks, situating them in their proper historical context and exploring the distinct cultural, social and economic landscapes that defined each one at the time of its construction. She then spotlights the central role of class in the subsequent success or failure of each venture. The first comparative study of the Disney

theme parks, this book closes a significant gap in existing research and is an important new contribution to the field, providing the first discussion of the Disney parks and what they reveal about the cultures they are set in. There has been a lack of focus on cross- and trans-cultural analyses of theme parks generally and Disney theme parks specifically, until now. It is also particularly interesting – and will be welcomed for it – for the non-United States context of the study. This is a thorough examination of all of the existing Disney Parks and how they function within their respective cultures. While Disney themes and characters attempt to be universal, the author does a good job of arguing for where this is not possible and how glocalization is crucial to the parks' successes. The writing is academic, but it is not inaccessible. It will have wide disciplinary appeal within academia, as tourism studies cross into a variety of fields including history, American studies, fandom studies, performance studies and cultural studies. It will be invaluable to those working in the field of theme park scholarship and the study of Disney theme parks, theme parks in general and related areas like world's expositions and spaces of the consumer and lifestyle worlds. It will also be of interest to Disney fans, those who have visited any of the parks or are interested to know more about the parks and their cultural situation and context.

*The Simplified Planner* Simon and Schuster  
A former CIA officer describes how the game of espionage is played, with particular reference to Egypt in the Nasser era.

Big Data in Organizations and the Role of Human Resource Management Stackpole Books

*Jane Eyre + Wuthering Heights (2 Unabridged Classics)* Routledge

" Kids are dying miseriously at a Swiss boarding school, and Alex Rider, reluctant teen superspy, is going undercover to find out why. But the mystery he uncovers is more nefarious than he ever expected, and now the clock is ticking on Alex's mission. Is his luck about to run out?" from the back cover.

**The Handmaid's Tale** Henry Holt and Company

This clever and witty debut novel about the unexpected consequences of one woman's attempt to exert control over her life by adhering to a strict wellness routine is "the kind of book you devour in a day or two...sexy and funny, but also very perceptive" (BuzzFeed). Kit and David were college sweethearts. Now married and in their thirties, they live in Kit's childhood home in Bay Ridge, Brooklyn. While David has a successful career, jetting off on work trips to exciting destinations, Kit is stuck in a loop. She keeps quitting her job managing her sister's bakery to seek a more ambitious profession, but fear of failure always brings her back to Sweet Cheeks. Kit finds a fraught solace in cycling through fad diets, which David, in his efforts to be supportive, follows along with her. Their latest program is the Radiant Regimen, an intense cleanse, and Kit is optimistic about embarking on a new chapter of healthy eating and self-control. Hungry in more ways than one, she soon falls into a flirtation with a carpenter named Matt who is building new shelves for the bakery kitchen. Unable to resist their mutual attraction, Kit and Matt soon begin a passionate affair. Kit suppresses her guilt by obsessing over her diet, pushing herself in greater extremes. Told in precise, intimate detail, *Cheat Day* is "an incredibly likable novel of hungers controlled and liberated, and marriage's gray areas" (Booklist) that explores monogamy versus monotony, deprivation versus indulgence, and limitations of modern wellness.

The Light We Lost Abrams

Big data are changing the way we work. This book conveys a theoretical understanding of big data and the related interactions on a socio-technological level as well as on the organizational level. Big data challenge the human resource department to take a new role. An organization's new competitive advantage is its employees augmented by big data.

*The Manchurian Candidate* Entangled: Indulgence  
Eerie stories of ghosts, spirits, and hauntings from across the Keystone State.

*Delta Green: Music from a Darkened Room* Anchor  
Don't miss this New York Times bestselling "impossible to put down" (Buzzfeed) novel with deadly stakes, thrilling twists, and juicy secrets--perfect for fans of *One of Us is Lying* and *Knives Out*. Avery Grambs has a plan for a better future: survive high school, win a scholarship, and get out. But her fortunes change in an instant when billionaire Tobias Hawthorne dies and leaves Avery virtually his entire fortune. The catch? Avery has no idea why--or even who Tobias Hawthorne is. To receive her inheritance, Avery must move into sprawling, secret passage-filled Hawthorne House where every room bears the old man's touch--and his love of puzzles, riddles, and codes. Unfortunately for Avery, Hawthorne House is also occupied by the family that Tobias Hawthorne just dispossessed. This includes the four Hawthorne grandsons: dangerous, magnetic, brilliant boys who grew up with every expectation that one day, they would inherit billions. Their apparent Grayson Hawthorne is convinced that Avery must be a conwoman, and he's determined to take her down. His brother, Jameson, views her as their grandfather's last hurrah: a twisted riddle, a puzzle to be solved. Caught in a world of wealth and privilege, with danger around every turn, Avery will have to play the game herself just to survive.

A Novel Entangled: Bliss

A chilling look at the near future presents the story of Offred, a Handmaid in the Republic of Gilead, once the United States, an oppressive world where women are no longer allowed to read and are valued only as long as they are viable for reproduction. 25,000 first printing.

*The Search for the "Manchurian Candidate"* Yale University Press

The Inheritance Games Little, Brown Books for Young Readers

Cheat Day Puffin Books

The classic thriller about a hostile foreign power infiltrating American politics: "Brilliant . . . wild and exhilarating." —The

New Yorker A war hero and the recipient of the Congressional Medal of Honor, Sgt. Raymond Shaw is keeping a deadly secret—even from himself. During his time as a prisoner of war in North Korea, he was brainwashed by his Communist captors and transformed into a deadly weapon—a sleeper assassin, programmed to kill without question or mercy at his captors' signal. Now he's been returned to the United States with a covert mission: to kill a candidate running for US president . . . This "shocking, tense" and sharply satirical novel has become a modern classic, and was the basis for two film adaptations (San Francisco Chronicle). "Crammed with suspense." —Chicago Tribune "Condon is wickedly skillful." —Time

Lilac Little, Brown Books for Young Readers

Doctor Benny Sorensen has had it up to here with her party-throwing playboy neighbor. She's declaring war. She doesn't care how gorgeous or charming he is, he's going down. That is until he proposes something she's not sure she can say no to... Wealthy ad man Henry Ellison lives an uncomplicated life that revolves around work, women, and partying. In that order. Until Benny storms into his life. To placate his attractive but hotheaded neighbor, Henry offers to help her land a date with the man of her dreams. Only as Henry makes her over and coaches her on the fine art of flirting, he realizes that the idea of this woman in any other man's arms but his own is unacceptable. But Benny's a forever kind of girl and forever might just be the one commitment he can't make. Each book in the Sorensen Family series is a standalone, full-length story that can be enjoyed out of order. Series Order: Book #1 Her Backup Boyfriend Book #2 Her Accidental Husband Book #3 The Playboy's Proposal Book #4 Her Surprise Engagement

**The Amoralty of Power Politics** Dell Publishing Company

I, Braxton Fawn, am the luckiest girl alive. Or so the world keeps telling me. Every so often, gods walk the earth. This time they came as musicians. When Bound loses its lead guitarist, yours truly is chosen to fill his shoes. From dive bars to the big stage, my instant claim to fame is nothing short of a fairytale. The only problem? My new bandmates. Jaded, gorgeous, and ridiculously talented—they're determined to turn my dream into a nightmare. It's no secret I wasn't their first choice. I wasn't even their last. The label wants a new image, Bound wants me gone, but I've got my own agenda. To succeed I have to survive a world tour, public scrutiny, and

idols turned enemies. But the biggest threat of all isn't a meticulous frontman, a narcissistic bassist, and a drummer with too many secrets. It's me. Somehow, I must resist the temptation of Houston Morrow, Loren James, and Jericho Noble. It seemed easy enough when I boarded their tour bus, but it only took one city for the lines we'd drawn to blur. Only ninety-nine more to go. Lilac is a contemporary reverse harem and standalone suitable for 18+.

*A Cultural History of the Disneyland Theme Parks* Intellect Books

Aria and her sisters return to the Human Realm of Haven Falls to find one of their own that's gone missing. They soon discover things have changed in the Human Realm and that nothing is what it seems, including Knox, the egotistical, self-centered, frustratingly gorgeous man who declared himself King during their absence. Sparks fly when the two enter a fiery battle of wills as Aria learns she is more than just a witch in the Hecate bloodline; she is much, much more. Will Aria embrace her savage side to find her sister and save her family, or will she burn to ashes from his heated kisses and burning hot embrace? Knox has ulterior motives for being in Haven Falls and never expected the little witch to show up and brazenly challenge his rule. It was supposed to be easy; get in and get out. Move pieces into place and set the stage for the war he's been planning for over five hundred years. Aria is his sworn enemy but something within her calls to him and he hates himself for craving the fiery kisses that have reignited his cold, dead heart. One taste, and he thought he could get her out of his system. He was wrong. Will Knox let go of the memories of the past, driving his need for revenge that will destroy the pretty little witch he craves, or will he push the boundaries to fight for and claim what is his by right? Either way, war is inevitable. And nothing will stop him from reaching for what is his. Epic Fantasy with heavy love-hate situations.

**The Good Girl** Stone Publishing

**The Inheritance Games** Chelsea Green Publishing

This carefully crafted ebook: "Jane Eyre + Wuthering Heights (2 Unabridged Classics)" is formatted for your eReader with a functional and detailed table of contents. Charlotte Brontë's most beloved novel describes the passionate love between the courageous orphan Jane Eyre and the brilliant, brooding, and domineering Rochester. The loneliness and cruelty of Jane's childhood strengthens her natural independence and spirit, which prove invaluable when she takes a position as a governess at Thornfield Hall. But after she falls in love with her sardonic employer, her discovery of his terrible secret forces her to make a

heart-wrenching choice. Ever since its publication in 1847, Jane Eyre has enthralled every kind of reader, from the most critical and cultivated to the youngest and most unabashedly romantic. It lives as one of the great triumphs of storytelling and as a moving and unforgettable portrayal of a woman's quest for self-respect. Born into a poor family and raised by an oppressive aunt, young Jane Eyre becomes the governess at Thornfield Manor to escape the confines of her life. There her fiery independence clashes with the brooding and mysterious nature of her employer, Mr. Rochester. But what begins as outright loathing slowly evolves into a passionate romance. When a terrible secret from Rochester's past threatens to tear the two apart, Jane must make an impossible choice: Should she follow her heart or walk away and lose her love forever? Considered by many to be Charlotte Brontë's masterpiece, Jane Eyre chronicles the passionate love between the independent and strong-willed orphan Jane Eyre and the dark, impassioned Mr. Rochester. Having endured a lonely and cruel childhood, orphan Jane Eyre, who is reared in the home of her heartless aunt prior to attending a boarding school with an equally torturous regime, is

strengthened by these experiences. The natural independence and unbroken spirit she emerges with allows her to thrive as a governess at Thornfield Hall. It is only after she falls in love with her employer and discovers his explosive secret that she is forced to return to the poverty and isolation of her past. Wuthering Heights is the only published novel by Emily Brontë, written between October 1845 and June 1846 and published in July of the following year. It was not printed until December 1847 under the pseudonym Ellis Bell, after the success of her sister Charlotte Brontë's novel Jane Eyre. A posthumous second edition was edited by Charlotte in 1850. It is one of the world's greatest tales of unrequited love, captivating readers with its intense passion and drama. A classic novel of consuming passions, played out against the lonely moors of northern England, recounts the turbulent and tempestuous love story. The title of the novel comes from the Yorkshire manor on the moors of the story. The narrative centres on the all-encompassing, passionate, but ultimately doomed love between Catherine Earnshaw and Heathcliff, and how this unresolved passion eventually destroys them and the people around them.
