 Does the identification number 60 indicate a toxic substance or a flammable solid, in the molten state at an elevated temperature? Does the identification number 1035 indicate ethane or butane? What is the difference between natural gas transmission pipelines and natural gas distribution pipelines? If you came upon an overturned truck on the highway that was leaking, would you be able to identify if it was hazardous and know what steps to take? Questions like these and more are answered in the Emergency Response Guidebook. Learn how to identify symbols for and vehicles carrying toxic, flammable, explosive, radioactive, or otherwise harmful substances and how to respond once an incident involving those substances has been identified. Always be prepared in situations that are unfamiliar and dangerous and know how to rectify them. Keeping this guide around at all times will ensure that, if you were to come upon a transportation situation involving hazardous substances or dangerous goods, you will be able to help keep others and yourself out of danger. With color-coded pages for quick and easy reference, this is the official manual used by first responders in the United States and Canada for transportation incidents involving dangerous goods or hazardous materials.

 The *Courage to Be* introduced issues of theology and culture to a general readership. The book examines ontic, moral, and spiritual anxieties across history and in modernity. The author defines courage as the self-affirmation of one's being in spite of a threat of nonbeing. He relates courage to anxiety, anxiety being the threat of non-being and the courage to be what we use to combat that threat. Tillich outlines three types of anxiety and thus three ways to display the courage to be. Tillich writes that the ultimate source of the courage to be is the "God above God," which transcends the theistic idea of God and is the content of absolute faith (defined as "the accepting of the acceptance without somebody or something that accepts").

 For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, one of the top witches in the U.S., clashed with Dr. Brown, who stood against her alone. In the titanic life-and-death struggle that followed, Dr. Brown nearly lost her life. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. This is an honest, in-depth

account of Satan's activities today. You'll see how to: Recognize and combat the many satanists who regularly infiltrate and destroy Christian churches. Recognize and combat satanic attacks. Recognize those serving Satan, and bring them to Jesus Christ.

 A sociological approach to appreciating the heroism and legacy of the Gullah statesman On May 13, 1862, Robert Smalls (1839-1915) commandeered a Confederate warship, the Planter, from Charleston harbor and piloted the vessel to cheering seamen of the Union blockade, thus securing his place in the annals of Civil War heroics. Slave, pilot, businessman, statesman, U.S. congressman—Smalls played many roles en route to becoming an American icon, but none of his accomplishments was a solo effort. Sociologist Andrew Billingsley offers the first biography of Smalls to assess the influence of his families—black and white, past and present—on his life and enduring legend. In so doing, Billingsley creates a compelling mosaic of evolving black-white social relations in the American South as exemplified by this famous figure and his descendants. Born a slave in Beaufort, South Carolina, Robert Smalls was raised with his master's family and grew up amid an odd balance of privilege and bondage which instilled in him an understanding of and desire for freedom, culminating in his daring bid for freedom in 1862. Smalls served with distinction in the Union forces at the helm of the Planter and, after the war, he returned to Beaufort to buy the home of his former masters—a house that remained at the center of the

Smalls family for a century. A founder of the South Carolina Republican Party, Smalls was elected to the state house of representatives, the state senate, and five times to the United States Congress. Throughout the trials and triumphs of his military and public service, he was surrounded by growing family of supporters. Billingsley illustrates how this support system, coupled with Smalls's dogged resilience, empowered him for success. Writing of subsequent generations of the Smalls family, Billingsley delineates the evolving patterns of opportunity, challenge, and change that have been the hallmarks of the African American experience thanks to the selfless investments in freedom and family made by Robert Smalls of South Carolina.

The Reverend Clarence Larkin was one of the most widely influential thinkers on end-times prophecies of the early twentieth century, and his writings remain vital to appreciating the apocalyptic Christian thought that today enjoys widespread popularity. This 1919 book serves as a study guide for the Book of Revelation, the Bible's prophetic final chapter. Larkin explains the concepts of the Beast and the False Prophet, the Seven Seals and the Seven Trumpets, and the importance of the Book of Daniel in understanding the Rapture. Charts and illustrations depict the "Pale Horse Rider," "Daniel's Four Wild Beasts," "Egyptian Plagues Compared," and more. Also available from Cosimo Classics: Larkin's *The Spirit World*, *Rightly Dividing the Word*, and *The Second Coming of Christ*. American Baptist pastor and author CLARENCE LARKIN (1850-1924) was born in Pennsylvania, and later set up his ministry there. He wrote extensively and popularly on a wide range of Biblical and theological matters.

A page-turning novel that is also an exploration of the great philosophical concepts of Western thought, Jostein Gaarder's *Sophie's World* has fired the imagination of readers all over the world, with more than twenty million copies in print. One day fourteen-year-old Sophie Amundsen comes home from school to find in her mailbox two notes, with one question on each: "Who are you?" and "Where does the world come from?" From that irresistible beginning, Sophie becomes obsessed with questions that take her far beyond what she knows of her Norwegian village. Through those letters, she enrolls in a kind of correspondence course, covering Socrates to Sartre, with a mysterious philosopher, while receiving letters addressed to another girl. Who is Hilde? And why does her mail keep turning up? To unravel this riddle, Sophie must use the philosophy she is learning—but the truth turns out to be far more complicated than she could have imagined.

This book is a daring and no-holds-barred description of the false teachings and dangerous trends that have sent much of the Nigerian Church off course over the past four decades. Gary Maxey is joined by Peter Ozodo in describing four major threats to Christian orthodoxy that are threatening the orthodoxy of Nigerian Christianity. The first is the unbalanced Prosperity Gospel that is shown to be an import from the scripturally unbalanced American Word of Faith movement. The second is the revival of African Traditional Religion within the Church. The third threat is a subtle redefining of Christian spirituality, moving away from sound foundations in biblical morality. The fourth threat is the

contemporary Hyper Grace movement, found in the teachings of Singapore's Joseph Prince and a host of American imitators. All four of these threats have become deeply entrenched in various sectors of the Nigerian Church. With a powerful Introduction by Gbile Akanni, this book is a must-read by every Nigerian pastor, as well as discerning lay people. Maxey and Ozodo not only point out the problems but they point to clear solutions. Their conviction is that before we can expect a national spiritual revival in Nigeria we must first see a clear reformation in which these and other errors are clearly dealt with.

Madman, tyrant, animal—history has given Adolf Hitler many names. In *Mein Kampf* (My Struggle), often called the Nazi bible, Hitler describes his life, frustrations, ideals, and dreams. Born to an impoverished couple in a small town in Austria, the young Adolf grew up with the fervent desire to become a painter. The death of his parents and outright rejection from art schools in Vienna forced him into underpaid work as a laborer. During the First World War, Hitler served in the infantry and was decorated for bravery. After the war, he became actively involved with socialist political groups and quickly rose to power, establishing himself as Chairman of the National Socialist German Worker's party. In 1924, Hitler led a coalition of nationalist groups in a bid to overthrow the Bavarian government in Munich. The infamous Munich "Beer-hall putsch" was unsuccessful, and Hitler was arrested. During the nine months he was in prison, an embittered and frustrated Hitler dictated a personal manifesto to his loyal follower Rudolph Hess. He vented his sentiments against communism and the Jewish people in this document, which was to become *Mein Kampf*, the controversial book that is seen as the blue-print for Hitler's political and military campaign. In *Mein Kampf*, Hitler describes his strategy for rebuilding Germany and conquering Europe. It is a glimpse into the mind of a man who destabilized world peace and pursued the genocide now known as the Holocaust.

To Have Or to Be? is one of the seminal books of the second half of the 20th century. Nothing less than a manifesto for a new social and psychological revolution to save our threatened planet, this book is a summary of the penetrating thought of Eric Fromm. His thesis is that two modes of existence struggle for the spirit of humankind: the having mode, which concentrates on material possessions, power, and aggression, and is the basis of the universal evils of greed, envy, and violence; and the being mode, which is based on love, the pleasure of sharing, and in productive activity. To Have Or to Be? is a brilliant program for socioeconomic change.
