Gus. Losing himself. Finding himself. But he doesn't even know how to function anymore. Bright Side wasn't only his best friend; she was like his other half ... How do you go back to doing what you did before, when half of you is gone forever?  
**Fresh Meet** Silver Griffon Associates  
He's got everything but game.... William Drake is an artistic genius with a photographic memory and the intensity to

master practically any task. Oh, and he owns a chunk of a billion-dollar gaming company. A twenty-six year-old guy with his wealth, talent, and good looks shouldn't have problems winning over women. Except he does. To be exact—and detail-obsessed William is always exact—he's got problems with Jenna Kovac, the troubled beauty who has his heart working overtime and his tongue tied in knots. And she can't afford to lose. Jenna Kovac is a survivor. When war ripped her world apart, she lost her family, her homeland, and her one true love. She's made a new life for herself in the US,

but she's learned that nothing is permanent, and some nights it's not even safe to dream. When a scumbag sells her future out from under her, suddenly the only man who can get it back is William Drake, geeky—but scorching-hot—social disaster. William must learn to stay cool under pressure for the all-important duel he's about to fight. Unless she can teach him to loosen up, she'll lose everything. Again. But Jenna's got a few things to learn from this irresistibly enigmatic man. As they spend time together, they're soon exchanging long, slow kisses—and painful secrets. There's so much more to William.

Something that might be worth taking one more risk... Love, Theodosia Silver Griffon Associates Fans call me the king of the water. I'm focused, driven, and most importantly, I win. Life as a professional swimmer comes with sacrifices, but they've never worried me. I'm used to life with little room for anything but training, eating, and sleeping. Nothing more, nothing less. When a son I knew nothing about lands on my doorstep--and a crazy but very beautiful nanny shortly after--my life is turned upside down. Allowing any change into my life could put my goals and dreams in jeopardy, and I've worked too hard and too long for them. When I'm tempted to look beyond lap times and medals to bedtime stories and the possibility of love, I face one of the hardest

questions of my life: is it worth the risk? For The Holidays Simon and Schuster Discover the secret missions behind America's greatest conflicts. Danny Manion has been fighting his entire life. Sometimes with his fists. Sometimes with his words. But when his actions finally land him in real trouble, he can't fight the judge who offers him a choice: jail... or the army. Turns out there's a perfect place for him in the US military: the Studies and Observation Group (SOG), an elite volunteer-only task force comprised of US Air Force Commandos, Army Green Berets, Navy SEALs, and even a CIA agent or two. With the SOG's focus on covert action and psychological warfare, Danny is guaranteed an unusual tour of duty, and a hugely dangerous one. Fortunately, the very same qualities that got him in trouble at home make him a natural-born commando in a secret war. Even if almost nobody knows he's there. National Book Award finalist Chris Lynch begins a new, explosive fiction series based on the real-life, top-secret history of US black ops. It Was Always You Natasha Boyd In 1933, what's left of the Turner family-- twelve-year-old Hallie and her two

brothers--finds itself driving the back roads of rural America. The children have been swept up into a new migratory way of life. America is facing two devastating crises: the Great Depression and the Dust Bowl. Hundreds of thousands of people in cities across the country have lost jobs. In rural America it isn't any better as crops suffer from the never-ending drought. Driven by severe economic hardship, thousands of people take to the road to seek whatever work they can find, often splintering fragile families in the process. As the Turner children move from town to town, searching for work and trying to cobble together the basic necessities of life, they are met with suspicion and hostility. They are viewed as outsiders in their own country. Will they ever find a place to call home? New York Times-bestselling author Sandra Dallas gives middle-grade readers a timely story of young people searching for a home and a better way of life. The Second Mrs. Darcy Natasha Boyd Fairytale endings aren't for everyone. Will Jude and Lillah get theirs? Happily ever after. That was what we were supposed to have. Pudding cups, sandy toes and a lifetime of making each and every one of

our dreams come true—that is the future I'd promised her. I could see it in my dreams, hold it in my hands, but then I watched as all of our hopes and wishes suddenly slipped through my fingers like sand. I thought the worst was behind us, but what if we'd just delayed the inevitable? They say love can overcome any obstacle. But can it survive death? The breathtaking love story of Lailah and Jude concludes in *Beyond These Walls*.

Take a decadent and sizzling armchair vacation to the South of France this summer ... Josie thought she was getting a promotion at her architectural firm, but instead her career implodes. She impulsively takes up her roommates' offer to nanny for a little girl on a mega yacht in the South of France. wounds in a bucket list paradise while she figures out how to get her life back. But this little girl she's arrived to look after has a daddy. A widowed, hot, billionaire of a daddy. And if there's anything that Josie needs less than having to be stuck on a yacht, no matter how luxurious, it's an inconvenient and highly-combustible attraction to her new boss. A man who, for all his wealth, is grumpy, conceited, and utterly closed off. Xavier Pascale is on an emotional island of his own making. It's just him and his daughter and he likes it that way. He works hard, his shareholders are happy, his best friends are his body guard, and the people who work for him. What's wrong with that? But then he meets Josephine Marin. Her arrival in his life is like an earth tremor along a catastrophic emotional fault line. And now... well, now, he's very, very aware of his isolation and his very human need. London Reeves agrees that three years is a long time to live without sex, but she also believes that one steamy hot night could never last longer than the morning after. **Prime Minister** J.L. Berg  
A kinky Prime Minister, a vanilla intern, and a scandal that shouldn't feel so right or cost so much. Gavin: Ellie Montague is smart, sensitive, and so gorgeous it hurts to look at her. She's also an intern in my office. The office of the Prime Minister of Canada.\* That's me. The PM. She calls me that because when she calls me Sir, I get hard and she gets flustered, and as long as she's my intern, I can't twist my hands in her strawberry-blonde hair and show her what else I'd like her to do with that pretty pink mouth.\*\* Ellie: How much I like the PM varies on a daily basis. He's intense, controlling, and a perfectionist in every way--and he demands the same of his staff. How much I want him never wavers. There's something about him that tugs at me deep inside, and makes me wish that just once he'd cross the line in a late night work session. I'd take that

secret to the grave if it meant I got a taste of the barely restrained beast inside him.\*\*\* . . . FOOTNOTES: \* This is a fictional romance. No prime ministers or interns were harmed in the making of this book. \*\* Except it's a kinky romance, so they were hurt a little. \*\*\* Spoiler alert: she gets more than a taste. And she likes it.

Derrick I'd been fighting all my life. Making it my career choice seemed...logical.

Sticking to what I was good at seemed...illogical as often as I ended up in the ER. Then my occupational hazard began to feel like more of a perk when I met, Katy. She was a night nurse at the ER I frequented. She could barely hide her contempt for me, which naturally made the curvy brunette with long wavy hair all the more irresistible. Now I just needed to convince her I was a better lover than I was a fighter. Katy They called him Dagger, for the looks he gave. He knew I hated him on sight, but still, he teased me and tried to sway me. There's no way it would work. I was on the run and still healing from a relationship with a 'roid-raging powerlifter. No way was I going to give it a go with someone trained to cause pain for a living. Then my ex tracked me down. And suddenly, having a fighter in my corner didn't seem like such a bad idea.
