Starfell: Willow Moss and
the Magic Thief (Starfell,
Book 4) HarperCollins

Conn is following a shooting star through a wilderness of woods and mountains, far from his home. What is he up to? Conn thinks the star will lead him to his locus

magicalicus, or wizard stone. He needs this to save his city of Wellmet, whose magic is close to dying. With a new order of exile from Wellmet, this time with a death penalty, Conn has never been in such a tight fix. When a flame dragon shoots from the sky to pick him up in his mouth, Conn is swept away to a further adventure. Who is the dragon and will Conn ever

get back to save his city, and himself, in time?

The Magic Thief: Found
Harper Collins
Amid the crumbling splendour of wintertime Venice, two orphans are on the run. The mysterious Thief Lord

offers shelter, but a terrible danger is gathering force...

Magic Thief The Magic Thief: Home

The fourth book in the magical Starfell series, starring misfit witch Willow Moss. Perfect for readers of 8+ and beautifully illustrated throughout by Sarah Warburton. Willow Moss and the Lost Day was selected as Waterstones Book of the Month.

The Magic Thief Quercus Books

Badger just can't face eating the same old

apples, worms, and roots. They're too boring! He dreams of eating something new and fancy. Badger gets some yummy ideas from seeing the animals who live near his den, but the main ingredients he tries to catch aren't so eager to become his lunch. And in the end, they unwittingly convince Badger that he should have appreciated what he had in the first place.

The Last Mapmaker Scholastic Inc.

Welcome to the New York Shade! We've got the stuff

made out of dreams in this little slice of Hell on Earth. We've also got the stuff made out of nightmares.

Supernaturals are free to be who they are in the Shade. That's the whole point of its existence-just not for me. My name is Sin Montero, hellbeast mercenary, and the best liar you've ever met. I've spent my whole life lying about what I am, until it all comes crashing down on me with a single bite. Turns out, my blood can't tell lies, not to a vampire. Damian Reed is achingly

beautiful the way a lion is breathtaking-right until he rips your throat out. He claims my baby brother is in trouble, and if I don't help him find what he's looking for, he's going to turn me in to the authorities. Now that's a big problem for me. You see, if the Sacri Guild caught wind of what I truly am, they would kill me without hesitation. But if I do what Damian Reed asks, there's a good chance I'll die in the process. So many great options, right? Good thing I'm not as helpless as I let

people think. I've got a few tricks up my sleeve, and a crazy familiar who may or may not really be a squirrel. My brother's life is on the line so I'll take my chances with the vampire. Let's just hope I survive him with my head and my heart-intact.

The Magic Thief: Lost
Little, Brown Books for
Young Readers

"We live here, my girl, because it is close to the Way, and echoes of its magic are felt in our world. The Way is a path leading to another place, where the people are

governed by different rules. Magic runs through them and their land." With her boundless curiosity and wild spirit, Fer has always felt that she doesn't belong. Not when the forest is calling to her, when the rush of wind through branches feels more real than school or the quiet farms near her house. Then she saves an injured creature—he looks like a boy, but he's really something else. He knows who Fer truly is, and invites her through the Way, a passage to a

strange, dangerous land. Fer feels an instant attachment to this realm, where magic is real and oaths forge bonds stronger than iron. But a powerful huntress named the Mór rules here, and Fer can sense that the land is perilously out of balance. Fer must unlock the secrets about the parents she never knew and claim her true place before the worlds on both sides of the Way descend into endless winter. Sarah Prineas captivates in this fantasy-adventure about a girl who must find within

herself the power to set right a terrible evil. **Ash & Bramble** Harper Collins
 In *The Magic Thief: Lost*, the second book in Sarah Prineas's acclaimed middle grade fantasy series, wizard's apprentice Conn is forced to improvise after he loses his locus magicalicus—with explosive results! Never mix fire with magic! Conn may only be a wizard's apprentice, but even he knows it's dangerous to play with fire . . . especially around magic.

His master, Nevery, warns him that it could all blow up in his face. Besides, they have bigger problems to deal with. There is evil afoot in the city of Wellmet, an evil that isn't human. But Conn is drawn to the murmurs he hears every time he sets off an explosion—something is trying to talk to him, to warn him. When none of the wizards listen, Conn takes matters into his own hands. His quest to protect everything he loves brings him face-to-face with a powerful

sorcerer-king and a treachery beyond even his vivid imagination. Diana Wynne Jones, author of Howl's Moving Castle, praised this middle grade fantasy series filled with magic and wonder, saying of the first book: "I couldn't put it down. Wonderful, exciting stuff." *Janetta and the Book Thief* Harper Collins
He's not a stray house cat, he's an immortal being. And now he must choose whether to return to his planet or remain with his new human friend in a humorous, heart-

tugging story from the author of *I, Cosmo*. The cat that Olive rescues from a flood has a secret: he's not really a cat at all, but an alien who crashed to Earth on a beam of light. The cat, whom Olive names Leonard, was prepared to visit the planet as a human--but something went wrong. Now Leonard may never know what it's like to hold an umbrella, go bowling, or host a dinner party. (And his human jokes still need some work: Knock, knock. Who's there? Just Leonard. It is me.) While

Olive worries about whether she will have to move after her mom and her new boyfriend get back from their summer vacation, Leonard tries to figure out how to get from South Carolina to Yellowstone National Park, because if he's not there at the end of the month, he'll miss his ride home. But as Olive teaches Leonard about the beautiful and confusing world of humans, he starts to realize how much he cares about this particular one. A sweet and dryly funny story

about what it means to be human--and what it means to be home.

The Magic Thief: A Proper Wizard Crossroad Press

The Familiars series is a thrilling tale of magic and adventure perfect for fans of Erin Hunter's Warriors series. A wizard-in-training is nothing without a familiar, so it's lucky that Jack finds Aldwyn, a cat with a past but without a lot of magical experience. They'll have to learn fast and work together to save themselves, their friends, and the entire queendom

of Vastia. An Indie New Voices Pick, *The Familiars* is soon to be a major motion picture directed by Sam Raimi of Spider-Man. Together for the first time, this collection includes: *The Familiars* *The Familiars #2: Secrets of the Crown* *The Familiars #3: Circle of Heroes* *The Familiars #4: Palace of Dreams* *The Familiars 4-Book Collection* HarperCollins A sneak peek at an electrifying tale of greed and power, magic and destiny, and one boy's courage at the heart of it

all, from Jennifer A. Nielsen, the New York Times bestselling author of the *Ascendance Trilogy*. When Nic, a slave in the mines outside of Rome, is forced to enter a sealed cavern containing the lost treasures of Julius Caesar, he finds much more than gold and gemstones: He discovers an ancient bulla, an amulet that belonged to the great Caesar and is filled with a magic once reserved for the Gods -- magic some Romans would kill for. Now, with the deadly power of the bulla pulsing

through his veins, Nic is determined to become free. But instead, he finds himself at the center of a ruthless conspiracy to overthrow the emperor and spark the Praetor War, a battle to destroy Rome from within. Traitors and spies lurk at every turn, each more desperate than the next to use Nic's newfound powers for their own dark purposes. In a quest to stop the rebellion, save Rome, and secure his own freedom, Nic must harness the magic within himself and defeat the

empire's most powerful and savage leaders.

A Time Travel Novel

Harper Collins
Second in "The Magic Thief" trilogy. Conn's quest to save his city's magic has become urgent - his power stone is lost, and ruthless assassins are stalking the city's people. But when Conn blows up Wizard Nevery's home, he is banished from the city, and travels to Dosh, a glittering city in the desert. Ages: 9+
Simon and Schuster
From award-winning author Sarah Prineas

comes a brand-new digital short story! This original 50-page short story will enchant fans of the Magic Thief series. Thief-turned-wizard Connwaer has earned the reputation as one of the greatest magisters of the age, but not everyone believes in his abilities. When Verent, a young apprentice from neighboring Danivelle, comes to Wellmet to ask for Conn's help with his city's magical problems, he is less than impressed with Conn. Will Verent be able to overcome his misgivings about Conn in

order to help his town? And with Conn's help, will Verent become a proper wizard? Includes a special sneak peek at the first chapter of *The Magic Thief: Home*, the fourth installment in the *Magic Thief* series!

Winterling HarperCollins UK

A powerful, impactful, eye-opening journey that explores through the Civil Rights Movement in 1950s-1960s America in spare and evocative verse, with historical photos interspersed throughout. In stunning

verse and vivid use of white space, Erica Martin's debut poetry collection walks readers through the Civil Rights Movement—from the well-documented events that shaped the nation's treatment of Black people, beginning with the "Separate but Equal" ruling—and introduces lesser-known figures and moments that were just as crucial to the Movement and our nation's centuries-long fight for justice and equality. A poignant, powerful, all-too-timely

collection that is both a vital history lesson and much-needed conversation starter in our modern world. Complete with historical photographs, author's note, chronology of events, research, and sources.

In late 19th-century

Colorado, Louisa's father is erroneously arrested for thievery and, while under the charge of the awful Smirch family, Louisa and a magical friend must find a way to prove his innocence.

The Magic Thief Harper Collins

WINNER OF THE PULITZER PRIZE • NEW YORK TIMES BESTSELLER • The epic, beloved novel of two boy geniuses dreaming up superheroes in New York's Golden Age of comics, now with special bonus material by the author—soon to be a

Showtime limited series “It's absolutely gosh-wow, super-colossal—smart, funny, and a continual pleasure to read.”—The Washington Post Book World Named one of the 10 Best Books of the Decade by Entertainment Weekly • Finalist for the PEN/Faulkner Award, National Book Critics Circle Award, and Los Angeles Times Book Prize A “towering, swash-buckling thrill of a book” (Newsweek), hailed as Chabon's “magnum opus” (The New York Review of Books), The Amazing

Adventures of Kavalier & Clay is a triumph of originality, imagination, and storytelling, an exuberant, irresistible novel that begins in New York City in 1939. A young escape artist and budding magician named Joe Kavalier arrives on the doorstep of his cousin, Sammy Clay. While the long shadow of Hitler falls across Europe, America is happily in thrall to the Golden Age of comic books, and in a distant corner of Brooklyn, Sammy is looking for a way to cash in on the

craze. He finds the ideal partner in the aloof, artistically gifted Joe, and together they embark on an adventure that takes them deep into the heart of Manhattan, and the heart of old-fashioned American ambition. From the shared fears, dreams, and desires of two teenage boys, they spin comic book tales of the heroic, fascist-fighting Escapist and the beautiful, mysterious Luna Moth, otherworldly mistress of the night. Climbing from the streets of Brooklyn to the top of the Empire

State Building, Joe and Sammy carve out lives, and careers, as vivid as cyan and magenta ink. Spanning continents and eras, this superb book by one of America's finest writers remains one of the defining novels of our modern American age. Winner of the Bay Area Book Reviewers Award and the New York Society Library Book Award [The Amazing Adventures of Kavalier & Clay \(with bonus content\)](#) HarperCollins NATIONAL BOOK AWARD WINNER • NATIONAL

BESTSELLER • From one of America's iconic writers, a stunning book of electric honesty and passion that explores an intensely personal yet universal experience: a portrait of a marriage—and a life, in good times and bad—that will speak to anyone who has ever loved a husband or wife or child. Several days before Christmas 2003, John Gregory Dunne and Joan Didion saw their only daughter, Quintana, fall ill with what seemed at first flu, then pneumonia, then

complete septic shock. She was put into an induced coma and placed on life support. Days later—the night before New Year’s Eve—the Dunnes were just sitting down to dinner after visiting the hospital when John Gregory Dunne suffered a massive and fatal coronary. In a second, this close, symbiotic partnership of forty years was over. Four weeks later, their daughter pulled through. Two months after that, arriving at LAX, she collapsed and underwent

six hours of brain surgery at UCLA Medical Center to relieve a massive hematoma. This powerful book is Didion’s attempt to make sense of the “weeks and then months that cut loose any fixed idea I ever had about death, about illness ... about marriage and children and memory ... about the shallowness of sanity, about life itself. [Mark of the Thief \(Free Preview Edition\)](#) Random House Books for Young Readers
A gargantuan, mind-altering comedy about the

Pursuit of Happiness in America Set in an addicts’ halfway house and a tennis academy, and featuring the most endearingly screwed-up family to come along in recent fiction, *Infinite Jest* explores essential questions about what entertainment is and why it has come to so dominate our lives; about how our desire for entertainment affects our need to connect with other people; and about what the pleasures we choose say about who we are. Equal parts

philosophical quest and screwball comedy, Infinite Jest bends every rule of fiction without sacrificing for a moment its own entertainment value. It is an exuberant, uniquely American exploration of the passions that make us human - and one of those rare books that renew the idea of what a novel can do. "The next step in fiction...Edgy, accurate, and darkly witty...Think Beckett, think Pynchon, think Gaddis. Think." -- Sven Birkerts, *The Atlantic* *And We Rise* Disney Electronic Content

A magic pudding who changes from steak and kidney to jam roll and apple dumpling in seconds. A walking, talking dessert that never runs out of pleasing things to eat. A koala bear, named Bunyip Bluegum, A sailor named Bill Barnacle, and Sam Sawnoff the penguin have a wonderful hilarious magical adventure defending the Pudding against thieves who want it for themselves. [The Nightmare Thief](#) Sourcebooks, Inc. With nearly 2 million

books in print, this Little Apple series is H-O-T, hot. The SECRET is out -- DROON is the series that kids, parents, and teachers are talking about! There's no place like home! Eric and his friends have finally restored the Rainbow Stairs, but that was the easy part. Now Gethwing is loose in the Upper World, and the Moon Dragon is causing big trouble. Eric, Julie, and Neal have to protect their town, but they're up against mysterious creatures, strangely-

behaving parents, and kids stop Gethwing before he destroys the Upper
powerful magic. Can the World -- for good?
