GAMBLE HUANG

The Sandman Universe Presents

Hellblazer (2019-) #1 Vertigo

In these stories from HELLBLAZER #239-249, when the war-mage Mako carves a bloody swath through London's occult underworld, John Constantine tries to rally his former allies, despite all the bridges he's burned... Plus, when something goes horribly wrong in a secret room in the Vatican, a priest is forced to turn to Constantine for help.

And in a story from HELLBLAZER SPECIAL: LADY CONSTANTINE #1-4, Johanna Constantine, 18th-century ancestor of Hellblazer, lands a job that promises a future of wealth and entitlement-and almost certain death and damnation in the frozen North Sea! John Constantine, Hellblazer Vol. 2: The Devil You Know (New Edition) Titan Books (UK)

John Constantine is back in London, back to his old tricks-and just in time, as things have become very dark indeed in his old stomping grounds. A small-time gang lord has found himself dealing with

a big-time outbreak of supernatural weirdness...and, without any allies to call on and nothing left to call his own, John doesn't have much choice in taking a paycheck from one of London's worst, or accepting the help of one of the gang lord's would-be foot soldiers. But what should be an open-and-shut exorcism turns out to be nothing but...and the madness is just getting started! Collects The Sandman Universe Presents: Hellblazer #1, John Constantine: Hellblazer #1-6, and Books of Magic #14.

The Hellblazer Vol. 2: The Smokeless Fire
DC Comics

The very first Hellblazer collection ORIGINAL SINS is available in a new edition that includes John Constantine's appearances in SWAMP THING. This is

the first of a series of new HELLBLAZER editions starring Vertigo's longest running antihero, John Constantine, England's chain-smoking, low-rent magus. This first collection is a loosely connected series of tales of John's early years where Constantine was at his best and at his worst, all at the same time.

John Constantine, Hellblazer Vol. 20: Systems of Control DC Comics

The second year of the Sandman Universe begins with the long-awaited arrival of one of DC's most iconic characters...John Constantine, Hellblazer! He's cheated death and damnation more times than he can count, but never like this. Long ago, in the crucible of a magical war waged across countless futures, Constantine was murdered by an all-powerful

adversary: a twisted version of Timothy Hunter, bloated with evil. But over the past year strange forces have conspired to restart Tim Hunter's tale, and somehow-amid sorcery, insanity and secret agendas-this older, wiser, willier shade of Constantine has been dragged back with it. Unlike young Tim, John remembers every second of a life that went very, very wrong. Now he must ask himself why he, the last person in the world to deserve a second chance, has been given one. Is John Constantine here to put Tim Hunter on the right track and avert a terrible outcome? Or is it because he's the only person in existence with the guts to do what REALLY must be done? After all, he's a nasty piece of work, chief...ask anybody. This oversize one-shot sets the stage,

John Constantine, Hellblazer Vol. 19:

Red Right Hand DC

John Constantine celebrates his fortieth birthday alongside his friends and loved ones, including Swamp Thing and Zatanna, and the love of his life, Kit. However, things never burn bright too long for John Constantine, and he soon finds himself at his lowest point ever. Drunk and homeless, John must pull himself together if he is going to survive against the King of the Vampires, who comes looking for his blood. Collects HELLBLAZER #62-71, HELLBLAZER SPECIAL #1, and VERTIGO JAM #1. *John Constantine, Hellblazer Vol. 13: Haunted Vertigo*

John Constantine is an unconcerned, somewhat amoral occultist with a British working-class background. He's a hero, of sorts, who manages to come out on

top through a combination of luck, trickery, and genuine magical skill. The 'Original sins' collection is a loosely connected series of tales of John's early years where Constantine was at his best and at his worst, all at the same time.

War Lord ABC-CLIO

Features the wrenching finale of Paul Jenkins's never-before-collected run on the title, as well as Garth Ennis and John Higgins's brutal five-issue coda, 'Son of Man.' For a man as cynical and jaded as John Constantine, there's only one kind of torment for which he is unprepared: contentment. But the fact is (even though he recently cut off a piece of his soul and marooned it in Hell to suffer for his sins), things are actually going pretty well. He's got a new girlfriend that he hasn't yet killed or damned or driven

insane; his surviving friends and family are, by all accounts, still alive and healthy; and his enemies, for the most part, are either dead or trapped in some form of eternal torment. Not a bad score, overall. Naturally, this means that it's time for everything to go up in flames. Because when you're as prolific at making enemies as John Constantine is, there's always going to be a few that you don't know about, as well as one or two heavyweights who can afford to bide their time. When the two meet, it's best to get as far away as possible—the collateral damage alone promises to be as deadly as it is indiscriminate. Collects HELLBLAZER #121-133.

Constantine: The Hellblazer Vol. 2: The Art of the Deal Vertigo

The series conclusion sends Constantine

on a mission to find his long-lost nephew! Plus, what's the mystery behind the Suicide Bridge and what would the future be like if Constantine gave up magic? Find out in John Constantine, Hellblazer Vol. 26: The Curse of the Constantines, collecting Hellblazer #292-300, Hellblazer Annual #1, and Hellblazer Special: Bad Blood #1-4.

cancer, Constantine is finally starting to feel ahead of the game. However, between investigations of a grisly serial murderer and strategies against the Lord of Hell, John has no time to rest. Collects issues 47-50, 52-55 and 59-61 of the signature Vertigo series by PREACHER creator Garth Ennis.

By rights, John Constantine should be the happiest magician alive. He's just gotten married to the sexy young alchemist Epiphany Greaves and

successfully fended off his demonic archenemies at the reception. He'll have to replace the thumb he cut off during a bout of magic-induced madness, but hey, for Constantine, that's not bad. But the honeymoon is about to end. His niece, Gemma, is out for revenge for an assault she holds her dear Uncle John responsible for-but in her quest for vengeance, she summons a demon she can't control. Gemma's missteps will take John all the way to Hell in this penultimate volume of Vertigo's longest-running series. John Constantine's character have made him one of the most popular in graphic literature since 1988. John Constantine, Hellblazer Vol. 7: Tainted Love DC

When a nation is steeped in terror and

A billionaire falls out of the sky and is gruesomely skewered on a church spire. Bizarrely, angel wings are attached to his back. More follow until, hallelujah, it's raining businessmen. John discovers a link between the falling elite and a shocking moment in his and Aisha's misspent youth. How do these killings tie to the first death on John's hands? is kind of John's fault, will Constantine be happy to let a few more rich bastards fall from the sky, like a vindictive Robin Hood? Collects the acclaimed three-issue miniseries.
