students need to produce their own revision notes

The New Wider World Coursemate for Edexcel B GCSE Geography Hodder Education

Studying PGCE Geography at M Level is for all students undertaking their PGCE, those working to gain Masters credits, and experienced teachers who wish to broaden their understanding of geography education. Bridging the gap between theory and practice, it is designed to support and challenge teachers as they explore geography education research, consider how theory and research enhance practice, and develop critical reflection on practice. Divided into three key sections, it: investigates professional practice - what we understand about professionalism and quality in geography education, and how teachers can improve their practice introduces perspectives and debates on key themes and ideas in geography education, including subject expertise, sustainable development, learning outside the classroom, and assessment provides practical guidance on the skills involved in undertaking M level work - extended reading, engaging with theory, undertaking research, and writing your dissertation. Chapters include key readings and questions to encourage further research and reflection, and every chapter is illustrated with summaries of real students' dissertations, demonstrating the kind of research undertaken at M Level. Written by experts in geography education, Studying PGCE Geography at M Level offers invaluable support and inspiration for all those engaged in teaching, research and writing in geography education.

Revise A2 Level Geography for Edexcel Specification B Hodder Education

Endorsed for Edexcel. Trust the leading A level Geography publisher to boost your students' geographical knowledge and skills with a fully updated edition of our bestselling Student's Book; designed to provide the in-depth subject coverage, developmental activities and exam support you need at a time of curriculum change. - Helps students acquire, apply and revise core knowledge using clear explanations of key geographical content and concepts - Progressively builds the geographical and data skills emphasised in the 2016 specification by offering plenty of opportunities to learn and practise relevant skills for each topic - Brings geographical theory to life with a bank of engaging, up-to-date case studies, examples and place contexts - Consolidates topic knowledge and enables students to track their learning with review questions at the end of each chapter - Prepares students for the demands of AS and A level examinations by including numerous exam-style questions, ideal for skills development and rolling revision throughout the course - Makes it easier for you to meet the increased fieldwork requirements, suggesting topic-focused enquiries for both physical and human geography
