A cloth bag containing eight paperback copies of the title, that may also include a folder with sign out sheets.

My (Underground) American Dream Simon and Schuster

As renowned historian Roger Daniels shows in this brilliant new work, America's inconsistent, often illogical, and always cumbersome immigration policy has profoundly affected our recent past. The federal government's efforts to pick and choose among the multitude of immigrants seeking to enter the United States began with the Chinese Exclusion Act of 1882. Conceived in ignorance and falsely presented to the public, it had undreamt of consequences, and this pattern has been rarely deviated from since. Immigration policy in Daniels' skilled hands shows Americans at their best and worst, from the nativist violence that forced Theodore Roosevelt's 1907 "gentlemen's agreement" with Japan to the generous refugee policies adopted after World War Two and throughout the Cold War. And in a conclusion drawn from today's headlines, Daniels makes clear how far ignorance, partisan politics, and unintended consequences have overtaken immigration policy during the current administration's War on Terror. Irreverent, deeply informed, and authoritative, *Guarding the Golden Door* presents an unforgettable interpretation of modern American history.

The Mystery of the Kibbutz Mariner Books

"También de este lado hay sueños. On this side, too, there are dreams. Lydia Quixano Perez lives in the Mexican city of Acapulco. She runs a bookstore. She has a son, Luca, the love of her life, and a wonderful husband who is a journalist. And while there are cracks beginning to show in Acapulco because of the drug cartels, her life is, by and large, fairly comfortable. Even though she knows they'll never sell, Lydia stocks some of her all-time favorite books in her store. And then one day a man enters the shop to browse and comes up to the register with four books

he would like to buy--two of them her favorites. Javier is erudite. He is charming. And, unbeknownst to Lydia, he is the jefe of the newest drug cartel that has gruesomely taken over the city. When Lydia's husband's tell-all profile of Javier is published, none of their lives will ever be the same. Forced to flee, Lydia and eight-year-old Luca soon find themselves miles and worlds away from their comfortable middle-class existence. Instantly transformed into migrants, Lydia and Luca ride la bestia--trains that make their way north toward the United States, which is the only place Javier's reach doesn't extend. As they join the countless people trying to reach el norte, Lydia soon sees that everyone is running from something. But what exactly are they running to? *American Dirt* will leave readers utterly changed when they finish reading it. A page-turner filled with poignancy, drama, and humanity on every page, it is a literary achievement."--

How to American Vintage

In his analytical narrative, Mr. Daniels examines the condition of immigrants, as well as African Americans and Native Americans; with attention to legislation, judicial decisions, mob violence, and the responses of minorities, from 1890 - 1924.

Just Like Us Holiday House

THE NATIONAL BESTSELLER "This riveting, courageous memoir ought to be mandatory reading for every American." —Michelle Alexander, New York Times bestselling author of *The New Jim Crow* "I cried reading this book, realizing more fully what my parents endured." —Amy Tan, New York Times bestselling author of *The Joy Luck Club* and *Where the Past Begins* "This book couldn't be more timely and more necessary." —Dave Eggers, New York Times bestselling author of *What Is the What* and *The Monk of Mokha* Pulitzer-Prize winning journalist Jose Antonio Vargas, called "the most famous undocumented immigrant in America," tackles one of the defining issues of our time in this explosive and deeply personal call to arms. "This is not a book about the politics of immigration. This book--at its core--is not about immigration at all. This book is about homelessness, not in a traditional sense, but in the unsettled, unmoored psychological state that undocumented immigrants like myself find ourselves in. This book is about lying and being forced to lie to get by; about

passing as an American and as a contributing citizen; about families, keeping them together, and having to make new ones when you can't. This book is about constantly hiding from the government and, in the process, hiding from ourselves. This book is about what it means to not have a home. After 25 years of living illegally in a country that does not consider me one of its own, this book is the closest thing I have to freedom." —Jose Antonio Vargas, from *Dear America*

Someone Like Me Farrar, Straus and Giroux

A gorgeously illustrated collection featuring inspiring immigrants from every country in the world, celebrating the incredible range of what it means to be an American This dazzling volume brings American immigrant stories to life in short biographies written by award-winning writer Sara Nović, with charming full-color illustrations by Alison Kolesar. At a time when public debate is focused on who belongs in America, this book honors the crucial contributions of our friends and neighbors who have chosen to make this country their home. Featured within are war heroes and fashion designers, Supreme Court justices and pop stars, athletes and civil rights leaders, as well as: • the doctors who saved Ronald Reagan's life • the creators of iconic American products like Levi's, Chevy cars and trucks, and Nathan's Famous hot dogs • the scientists who contributed to the Manhattan Project • the architects behind landmarks of the American skyline like the World Financial Center in New York City, the Gateway Arch in St. Louis, and the Sears Tower in Chicago • Plus these familiar names from every walk of life: Madeleine Albright • Isabel Allende • Mario Andretti • Desi Arnaz • Isaac Asimov • George Balanchine • Sergey Brin • Gisele Bündchen • Willem de Kooning • Oscar de la Renta • Marlene Dietrich • Albert Einstein • Alfred Hitchcock • Arianna Huffington • Enrique Iglesias • Iman • Grace Jones • Henry Kissinger • Mila Kunis • Hedy Lamarr • Yo-Yo Ma • Miriam Makeba • Pedro Martínez • Joni Mitchell • Sidney Poitier • Wolfgang Puck • Rihanna • Knute Rockne • M. Night Shyamalan • Gene Simmons • Nikola Tesla • the von Trapps • Elie Wiesel • Anna Wintour

Dreamers Duke University Press

Standup comic, actor and fan favorite from HBO's *Silicon Valley*

and the film *Crazy Rich Asians* shares his memoir of growing up as a Chinese immigrant in California and making it in Hollywood. "I turned down a job in finance to pursue a career in stand-up comedy. My dad thought I was crazy. But I figured it was better to disappoint my parents for a few years than to disappoint myself for the rest of my life. I had to disappoint them in order to pursue what I loved. That was the only way to have my Chinese turnip cake and eat an American apple pie too." Jimmy O. Yang is a standup comedian, film and TV actor and fan favorite as the character Jian Yang from the popular HBO series *Silicon Valley*. In *How to American*, he shares his story of growing up as a Chinese immigrant who pursued a Hollywood career against the wishes of his parents: Yang arrived in Los Angeles from Hong Kong at age 13, learned English by watching BET RapCity for three hours a day, and worked as a strip club DJ while pursuing his comedy career. He chronicles a near deportation episode during a college trip Tijuana to finally becoming a proud US citizen ten years later. Featuring those and many other hilarious stories, while sharing some hard-earned lessons, *How to American* mocks stereotypes while offering tongue in cheek advice on pursuing the American dreams of fame, fortune, and strippers.

A Nation of Immigrants HarperCollins

In this inspirational and unflinchingly honest memoir, acclaimed author Reyna Grande describes her childhood torn between the United States and Mexico, and shines a light on the experiences, fears, and hopes of those who choose to make the harrowing journey across the border. Reyna Grande vividly brings to life her tumultuous early years in this "compelling...unvarnished, resonant" (BookPage) story of a childhood spent torn between two parents and two countries. As her parents make the dangerous trek across the Mexican border to "El Otro Lado" (The Other Side) in pursuit of the American dream, Reyna and her siblings are forced into the already overburdened household of their stern grandmother. When their mother at last returns, Reyna prepares for her own journey to "El Otro Lado" to live with the man who has haunted her imagination for years, her long-absent father. Funny, heartbreaking, and lyrical, *The Distance Between Us* poignantly captures the confusion and contradictions of childhood, reminding us that the joys and sorrows we experience are imprinted on the heart forever, calling out to us of those places we first called home. Also available in Spanish as *La*

distancia entre nosotros.

Not Like Us Harvard University Press

A remarkable true story from social justice advocate and national bestselling author Julissa Arce about her journey to belong in America while growing up undocumented in Texas. Born in the picturesque town of Taxco, Mexico, Julissa Arce was left behind for months at a time with her two sisters, a nanny, and her grandma while her parents worked tirelessly in America in hopes of building a home and providing a better life for their children. That is, until her parents brought Julissa to Texas to live with them. From then on, Julissa secretly lived as an undocumented immigrant, went on to become a scholarship winner and an honors college graduate, and climbed the ladder to become a vice president at Goldman Sachs. This moving, at times heartbreaking, but always inspiring story will show young readers that anything is possible. Julissa's story provides a deep look into the little-understood world of a new generation of undocumented immigrants in the United States today--kids who live next door, sit next to you in class, or may even be one of your best friends.

Immigrants and the American Dream Center Street

Maybe it's the end of the world, but not for Candace Chen, a millennial, first-generation American and office drone meandering her way into adulthood in Ling Ma's offbeat, wryly funny, apocalyptic satire, *Severance*. "A stunning, audacious book with a fresh take on both office politics and what the apocalypse might bring." —Michael Schaub, NPR.org "A satirical spin on the end times-- kind of like *The Office* meets *The Leftovers*." --Estelle Tang, Elle NAMED A BEST BOOK OF THE YEAR BY: NPR * The New Yorker ("Books We Loved") * Elle * Marie Claire * Amazon Editors * The Paris Review (Staff Favorites) * Refinery29 * Bustle * BuzzFeed * BookPage * Bookish * Mental Floss * Chicago Review of Books * HuffPost * Electric Literature * A.V. Club * Jezebel * Vulture * Literary Hub * Flavorwire Winner of the NYPL Young Lions Fiction Award * Winner of the Kirkus Prize for Fiction * Winner of the VCU Cabell First Novelist Award * Finalist for the PEN/Hemingway Award for Debut Novel * A New York Times Notable Book of 2018 * An Indie Next Selection Candace Chen, a millennial drone self-sequestered in a Manhattan office tower, is devoted to routine. With the recent passing of her Chinese immigrant parents, she's had her fill of uncertainty. She's content just to carry on: She goes to work, troubleshoots the teen-

targeted Gemstone Bible, watches movies in a Greenpoint basement with her boyfriend. So Candace barely notices when a plague of biblical proportions sweeps New York. Then Shen Fever spreads. Families flee. Companies cease operations. The subways screech to a halt. Her bosses enlist her as part of a dwindling skeleton crew with a big end-date payoff. Soon entirely alone, still unfevered, she photographs the eerie, abandoned city as the anonymous blogger NY Ghost. Candace won't be able to make it on her own forever, though. Enter a group of survivors, led by the power-hungry IT tech Bob. They're traveling to a place called the Facility, where, Bob promises, they will have everything they need to start society anew. But Candace is carrying a secret she knows Bob will exploit. Should she escape from her rescuers? A send-up and takedown of the rituals, routines, and missed opportunities of contemporary life, Ling Ma's *Severance* is a moving family story, a quirky coming-of-adulthood tale, and a hilarious, deadpan satire. Most important, it's a heartfelt tribute to the connections that drive us to do more than survive.

Welcoming the Stranger Gallery Books

From the author of Pulitzer-nominated *The Devil's Highway* and national bestseller *The Hummingbird's Daughter* comes an exquisitely composed collection of poetry on life at the border. Weaving English and Spanish languages as fluidly as he blends cultures of the southwest, Luis Urrea offers a tour of Tijuana, spanning from Skid Row, to the suburbs of East Los Angeles, to the stunning yet deadly Mojave Desert, to Mexico and the border fence itself. Mixing lyricism and colloquial voices, mysticism and the daily grind, Urrea explores duality and the concept of blurring borders in a melting pot society.

INSTANT NEW YORK TIMES BESTSELLER From Academy

Award-nominated actress and 2023 SeeHer award recipient America Ferrera comes a vibrant and varied collection of first-person accounts from prominent figures about the experience of growing up between cultures. America Ferrera has always felt wholly American, and yet, her identity is inextricably linked to her parents' homeland and Honduran culture. Speaking Spanish at home, having Saturday-morning-salsa-dance-parties in the kitchen, and eating tamales alongside apple pie at Christmas never seemed at odds with her American identity. Still, she yearned to see that identity reflected in the larger American

narrative. Now, in *American Like Me*, America invites thirty-one of her friends, peers, and heroes to share their stories about life between cultures. We know them as actors, comedians, athletes, politicians, artists, and writers. However, they are also immigrants, children or grandchildren of immigrants, indigenous people, or people who otherwise grew up with deep and personal connections to more than one culture. Each of them struggled to establish a sense of self, find belonging, and feel seen. And they call themselves American enthusiastically, reluctantly, or not at all. Ranging from the heartfelt to the hilarious, their stories shine a light on a quintessentially American experience and will appeal to anyone with a complicated relationship to family, culture, and growing up.

All-American Nativism InterVarsity Press

More Like Us is a celebration of American openness to immigration and aspiration and a skeptic's tour of the rigidity of Asian societies. Fallows is the author of the highly acclaimed *National Defense*.

The Book of Unknown Americans Basic Books

The birth of rock 'n roll ignited a firestorm of controversy--one critic called it "musical riots put to a switchblade beat"--but if it generated much sound and fury, what, if anything, did it signify? As Glenn Altschuler reveals in *All Shook Up*, the rise of rock 'n roll--and the outraged reception to it--in fact can tell us a lot about the values of the United States in the 1950s, a decade that saw a great struggle for the control of popular culture. Altschuler shows, in particular, how rock's "switchblade beat" opened up wide fissures in American society along the fault-lines of family, sexuality, and race. For instance, the birth of rock coincided with the Civil Rights movement and brought "race music" into many white homes for the first time. Elvis freely credited blacks with originating the music he sang and some of the great early rockers were African American, most notably, Little Richard and Chuck Berry. In addition, rock celebrated romance and sex, rattled the reticent by pushing sexuality into the public arena, and mocked deferred gratification and the obsession with work of men in gray flannel suits. And it delighted in the separate world of the teenager and deepened the divide between the generations, helping teenagers differentiate themselves from others. Altschuler includes vivid biographical sketches of the great rock 'n rollers, including Elvis Presley, Fats Domino, Chuck Berry, Little

Richard, Jerry Lee Lewis, and Buddy Holly--plus their white-bread doppelgangers such as Pat Boone. Rock 'n roll seemed to be everywhere during the decade, exhilarating, influential, and an outrage to those Americans intent on wishing away all forms of dissent and conflict. As vibrant as the music itself, *All Shook Up* reveals how rock 'n roll challenged and changed American culture and laid the foundation for the social upheaval of the sixties.

Tijuana Book of the Dead State University of New York Press

We are resilience. We are hope. We are dreamers. Yuyi Morales brought her hopes, her passion, her strength, and her stories with her, when she came to the United States in 1994 with her infant son. She left behind nearly everything she owned, but she didn't come empty-handed. From the author-illustrator of *Bright Star*, *Dreamers* is a celebration of making your home with the things you always carry: your resilience, your dreams, your hopes and history. It's the story of finding your way in a new place, of navigating an unfamiliar world and finding the best parts of it. In dark times, it's a promise that you can make better tomorrows. This lovingly-illustrated picture book memoir looks at the myriad gifts migrants bring with them when they leave their homes. It's a story about family. And it's a story to remind us that we are all dreamers, bringing our own strengths wherever we roam. Beautiful and powerful at any time but given particular urgency as the status of our own Dreamers becomes uncertain, this is a story that is both topical and timeless. The lyrical text is complemented by sumptuously detailed illustrations, rich in symbolism. Also included are a brief autobiographical essay about Yuyi's own experience, a list of books that inspired her (and still do), and a description of the beautiful images, textures, and mementos she used to create this book. A parallel Spanish-language edition, *Soñadores*, is also available. Winner of the Pura Belpré Illustrator Award! "Powerful" —Joaquin Castro • "Illuminating" —Reyna Grande • "A

love letter to our people" —José Olivarez • "I have been waiting

for this book all my life" —Paul Ortiz Bestselling author Julissa

Arce calls for a celebration of our uniqueness, our origins, our

heritage, and the beauty of the differences that make us

Americans in this powerful polemic against the myth that

assimilation leads to happiness and belonging for immigrants.

"You sound like a white girl." These were the words spoken to

Julissa by a high school crush as she struggled to find her place in

America. As a brown immigrant from Mexico, assimilation had

been demanded of her since the moment she set foot in San

Antonio, Texas, in 1994. She'd spent so much time getting rid of

her accent so no one could tell English was her second language

that in that moment she felt those words—you sound like a white

girl?—were a compliment. As a child, she didn't yet understand

that assimilating to "American" culture really meant imitating

"white" America—that sounding like a white girl was a racist idea

meant to tame her, change her, and make her small. She ran the

race, completing each stage, but never quite fit in, until she

stopped running altogether. In this dual polemic and manifesto,

Julissa dives into and tears apart the lie that assimilation leads to

belonging. She combs through history and her own story to break

down this myth, arguing that assimilation is a moving finish line

designed to keep Black and brown Americans and immigrants

chasing racist American ideals. She talks about the Lie of Success,

the Lie of Legality, the Lie of Whiteness, and the Lie of

English—each promising that if you obtain these things, you will

reach acceptance and won't be an outsider anymore. Julissa

deftly argues that these demands leave her and those like her in

a purgatory—neither able to secure the power and belonging

within whiteness nor find it in the community and cultures

whiteness demands immigrants and people of color leave behind.

In *You Sound Like a White Girl*, Julissa offers a bold new promise:

Belonging only comes through celebrating yourself, your history, your culture, and everything that makes you uniquely you. Only in turning away from the white gaze can we truly make America beautiful. An America where difference is celebrated, heritage is shared and embraced, and belonging is for everyone. Through unearthing veiled history and reclaiming her own identity, Julissa shows us how to do this.

[Guarding the Golden Door](#) W. W. Norton & Company

Revised and expanded edition of the groundbreaking book which demystifies twenty-one of the most widespread myths and beliefs about immigrants and immigrations. Aviva Chomsky dismantles twenty-one of the most widespread and pernicious myths and beliefs about immigrants and immigration in this incisive book. "They Take Our Jobs!" challenges the underlying assumptions that fuel misinformed claims about immigrants, radically altering our notions of citizenship, discrimination, and US history. With fresh material including a new introduction, revised timeline, and updated terminology section, this expanded edition is essential reading for anyone who wants to understand how these myths are used to promote aggressive anti-immigrant policies.

["They Take Our Jobs!"](#) Beacon Press

2019 NATIONAL BOOK AWARD FINALIST Winner of the Arab American Book Award in Fiction Finalist for the Kirkus Prize in Fiction Finalist for the California Book Award Longlisted for the Aspen Words Literary Prize A Los Angeles Times bestseller Named a Best Book of the Year by The Washington Post, Time, NPR, Minneapolis Star Tribune, Dallas Morning News, The Guardian, Variety, and Kirkus Reviews Late one spring night in California,

Driss Guerraoui—father, husband, business owner, Moroccan immigrant—is hit and killed by a speeding car. The aftermath of his death brings together a diverse cast of characters: Guerraoui's daughter Nora, a jazz composer returning to the small town in the Mojave she thought she'd left for good; her mother, Maryam, who still pines for her life in the old country; Efraín, an undocumented witness whose fear of deportation prevents him from coming forward; Jeremy, an old friend of Nora's and an Iraqi War veteran; Coleman, a detective who is slowly discovering her son's secrets; Anderson, a neighbor trying to reconnect with his family; and the murdered man himself. As the characters—deeply divided by race, religion, and class—tell their stories, each in their own voice, connections among them emerge. Driss's family confronts its secrets, a town faces its hypocrisies, and love—messy and unpredictable—is born. Timely, riveting, and unforgettable, *The Other Americans* is at once a family saga, a murder mystery, and a love story informed by the treacherous fault lines of American culture.

The Distance Between Us Simon and Schuster

A National Bestseller! What does an undocumented immigrant look like? What kind of family must she come from? How could she get into this country? What is the true price she must pay to remain in the United States? JULISSA ARCE knows firsthand that the most common, preconceived answers to those questions are sometimes far too simple—and often just plain wrong. On the surface, Arce's story reads like a how-to manual for achieving the American dream: growing up in an apartment on the outskirts of San Antonio, she worked tirelessly, achieved academic excellence, and landed a coveted job on Wall Street, complete

with a six-figure salary. The level of professional and financial success that she achieved was the very definition of the American dream. But in this brave new memoir, Arce digs deep to reveal the physical, financial, and emotional costs of the stunning secret that she, like many other high-achieving, successful individuals in the United States, had been forced to keep not only from her bosses, but even from her closest friends. From the time she was brought to this country by her hardworking parents as a child, Arce—the scholarship winner, the honors college graduate, the young woman who climbed the ladder to become a vice president at Goldman Sachs—had secretly lived as an undocumented immigrant. In this surprising, at times heart-wrenching, but always inspirational personal story of struggle, grief, and ultimate redemption, Arce takes readers deep into the little-understood world of a generation of undocumented immigrants in the United States today—people who live next door, sit in your classrooms, work in the same office, and may very well be your boss. By opening up about the story of her successes, her heartbreaks, and her long-fought journey to emerge from the shadows and become an American citizen, Arce shows us the true cost of achieving the American dream—from the perspective of a woman who had to scale unseen and unimaginable walls to get there. *The Ungrateful Refugee* Canongate Books
With a timely new chapter on immigration in the current age of globalization, a new Preface, and new appendixes with the most recent statistics, this revised edition is an engrossing study of immigration to the United States from the colonial era to the present.
