Underwood (2013-08-09) by (ISBN:) from Amazon's Book Store. Everyday low prices and free delivery on eligible orders.Competitive Intelligence For Dummies(R) by James D ...Competitive intelligence is the art of defining, gathering, analyzing, and distributing intelligence about products, customers, competitors, individuals, concepts, information, ideas, or data needed to support executives and managers in making strategic decisions for an organization. Competitive Intelligence For Dummies introduces you

to this fascinating subject and gives you the tools you need to incorporate it into your business decision-making process. Competitive Intelligence For Dummies [Book] How to Garner Executive Buy-in for Competitive Intelligence. The biggest obstacle to implementing competitive intelligence in an organization is the internal resistance to it. In certain cases, an organization's leadership simply fails to appreciate the value of CI; they see it as a cost center rather than as a profit center. Some managers may perceive CI as a threat or just another source of reports they already have in excess. How to Garner Executive Buy-in for Competitive Intelligence Competitive Intelligence for Dummies helps listeners gather valuable information on the competition, the

operational environment, and the target customer. It also explains how to carefully analyze and use this information in decision making processes to gain market share and stay on the cutting edge of an industry.
