Silhouette LumikkiAnders son must uncover a dark personal secret to outwit her

bloodthirsty stalker. Lumikki Andersson has a new boyfriend - easygoing, gorgeous Sampsa who adores her. But when her ex Blaze reappears, declaring his devotion, she doesn't know what to feel. She can't deny the chemistry between them, but does he deserve another chance? Then the threatening letters start arriving, from someone who seems to know her

intimately. Suddenly Lumikki is more alone than ever, and it's not only her life on the line. To stop the killer, she must uncover a dark secret that has haunted her family for years . AS BLACK AS EBONY is the final dramatic chapter in the thrilling, contemporary 'Snow White' Trilogy. The third in the bold and thrilling Snow White trilogy - rights have been snapped all over the world, in 40 territories and

counting. Author Salla Simukka won the Topelius Prize, the oldest literary prize in Finland recognising the best Finnish book for children and young people. Masterfully weaves dark elements of fairytales into a compelling Scandinavian thriller. London Penguin Published in Indonesia in 2005, The Rainbow Troops, Andrea Hirata's closely autobiographi

cal debut novel, sold more than five million copies, shattering records. Now it promises to captivate audiences around the globe. Ikal is a student at the poorest village school on the Indonesian island of Belitong, where graduating from sixth grade is considered a remarkable achievement. His school is under constant threat of closure. In fact, Ikal and his friends—a group

nicknamed the Rainbow Troops—face threats from every angle: skeptical government officials, greedy corporations hardly distinguishable from the colonialism they've replaced, deepening poverty and crumbling infrastructure, and their own low self-confidence. But the students also have hope, which comes in the form of two extraordinary teachers, and Ikal's

education in and out of the classroom is an uplifting one. We root for him and his friends as they defy the island's powerful tin mine officials. We meet his first love, the unseen girl who sells chalk from behind a shop screen, whose pretty hands capture Ikal's heart. We cheer for Lintang, the class's barefoot math genius, as he bests the students of the mining corporation's school in an academic

challenge. Above all, we gain an intimate acquaintance with the customs and people of the world's largest Muslim society. This is classic storytelling in the spirit of Khaled Hosseini's *The Kite Runner*: an engrossing depiction of a milieu we have never encountered before, bursting with charm and verve. In this highly-anticipated sequel to *Prophecy of the Sisters*, sixteen year-old orphan Lia Milthorpe continues her quest to end an ancient prophecy that has turned generations of sisters against each other. Having now accepted the responsibilities tied to her role as Gate, Lia journeys to the uncharted isle of Altus to continue her search for the missing pages of the *Book of Chaos*--the pages that could tell her

how to end the prophecy once and for all. Along the way, her courage, strength, and soul are tested in ways she never could have imagined. Meanwhile, twin sister Alice continues to hone her spellcasting abilities, completely ignoring the rules that govern the Otherworlds. Alice will stop at nothing to reclaim Lia's role of Gate, and that's not the only thing she wants. There's also

Lia's true love, James. The outcome of this battle between sisters will have consequences of Biblical proportion. In the end, only one sister will be left standing. [The Haunted](#)

Membuatnya menyalahkan doa-doa yang terbang ke langit. Doa-doa yang lupa kembali kepadanya. An tahu, seharusnya ia tinggalkan kisah sedih itu sejak berhari-hari lalu.

Namun, ia masih saja di tempat yang sama. Bersama impian yang ternyata tak mampu ia jalani sendiri, tetapi tak bisa pula ia lepaskan. Pernahkah kau merasa seperti itu? Tak bisa menyalahkan siapa-siapa, kecuali hatimu yang tak lagi bahagia. Pernahkah kau merasa seperti itu? Saat cinta menyapa, kau memilih berpaling karena terlalu takut bertemu luka? Mungkin,

all, he's still got the company of his faithful dachshund, Boswell, and his bumbling demon friend, Nurd; he has foiled the dreaded forces of darkness not once, but twice; and he's dating the lovely Lucy Highmore, to boot. But things in the little English town of Biddlecombe rarely run smoothly for long. Shadows are gathering in the skies, a black heart of pure evil is bubbling with

revenge, and it rather looks as if the Multiverse is about to come to an end, starting with Biddlecombe. When a new toy shop's opening goes terrifyingly awry, Samuel must gather a ragtag band of dwarfs, policemen, and very polite monsters to face down the greatest threat the Multiverse has ever known, not to mention assorted vampires, a girl with an unnatural fondness for spiders, and

highly flammable unfriendly elves. The latest installment of John Connolly's wholly original and creepily imaginative Samuel Johnson Tales, *The Creeps* is humorous horror for anyone who enjoys fiction at its best.

look at the real reasons for male marital infidelity and what might prevent it Few events cause

as much turmoil in a marriage as infidelity. It can shatter trust and breed insecurity and resentment from which some relationships never recover. People who think it won't happen to them are hit that much harder when it does. Why are men unfaithful? Can infidelity be prevented? What do men say they're getting from their mistresses that they're missing at home? Do a

man's friends have anything to do with his willingness to cheat? In this New York Times bestselling book, experienced family counselor M. Gary Neuman shares the revealing and surprising findings of a cutting-edge research study in which he interviewed men across the country who have physically cheated on their wives. Neuman shares many shocking discoveries,

 Continuing her irresistible Royal Brotherhood Series, bestselling author Sabrina Jeffries introduces the third of three half-noble half brothers—the brashest rogue in all of London.
 Proper Lady Christabel, the Marchioness of Haversham, is desperate to regain some letters that could

destroy her—so desperate that she pretends to be the mistress of notorious gaming-club owner Gavin Byrne to accompany him to a scandalous house party where she can reclaim them. But when she agreed to let Byrne coach her on how a true mistress behaves, she never suspected how very . . . persuasive his wicked lessons would be. Gavin is secretly determined to find the letters

himself and use them for revenge against the noble sire who abandoned him to grow up in London’s worst slums. He’s also delighted at how very successful his “mistress lessons” are: it won’t be long before the luscious young widow is in his bed. But when Christabel catches Gavin in his own seductive net, he faces a difficult choice: to wreak the vengeance he’s planned all his life, or

to protect the woman he
may—to his own astonishment
—need more than revenge.
