Fool Me Twice
Harper Collins
A novel about love, loss, and sex -- but not necessarily in that order. Before her mother died, Shelby promised three things:

to listen to her father, to love as much as possible, and to live without restraint.

Those Promises become harder to keep when Shelby's father joins the planning committee for the Princess Ball, an annual dance that ends with

a ceremonial vow to live pure lives -- in other words, no "bad behavior," no breaking the rules, and definitely no sex. Torn between Promises One and Three, Shelby makes a decision -- to exploit a loophole and lose her

virginity before taking the vow. But somewhere between failed hookup attempts and helping her dad plan the ball, Shelby starts to understand what her mother really meant, what her father really needs, and who really has the right to her purity. The Infinite Moment of Us Simon and Schuster Tia and Will's lives get flipped upside down when they're voted Yearbook's Biggest Flirts in this sassy

novel from the author of Endless Summer and The One That I Want. Tia just wants to have fun. She's worked hard to earn her reputation as the life of the party, and she's ready for a carefree senior year of hanging out with friends and hooking up with cute boys. And her first order of business? New guy Will. She can't get enough of his Midwestern accent and laidback swagger. As the sparks start to fly,

Will wants to get serious. Tia's seen how caring too much has left her sisters heartbroken, and she isn't interested in commitment. But pushing Will away drives him into the arms of another girl. Tia tells herself it's no big deal...until the yearbook elections are announced. Getting voted Biggest Flirts with Will is, well, awkward. They may just be friends, but their chemistry is beginning to jeopardize Will's new

relationship—
and causing
Tia to

true feelings.

Simon and

While on
spring break

in Aruba, Anna is accused of her best friend's death and must stand trial for murder in a foreign country. Love on the Edge: Going Too Far and Forget You Simon and Schuster You can't help who you fall in love with. It's a lesson Clementine Williams knows all too well. She's headed into the summer with a broken heart and zero social life. So even though her parents' plan to spend the summer

(trapped) on their sailboat should make Clem break out in hives, she doesn't really mind the chance to float away for a while. Even if it means most of her social interaction will be with her nine-year-old sister. Then she meets James at one of their stops on the Great Loop-a classic sailing track in the US. He and his dad are sailing the same track and he's just the distraction Clem needs. But will he be able to break

down Clem's walls and heal her broken heart? Told in alternating chapters that chronicle the year that broke Clem's heart and the summer that healed it, *Unbreak My Heart* is a wonderful dual love story from magazine writer/editor and rising star, Melissa Walker. *Confessions of an Angry Girl* Simon and Schuster When it comes to the laws of attraction, there are no rules--and the

battle between the sexes is about to make two lawyers hot under the collar. Original. Forget You Penguin When her father, an FBI agent, brings home Blaine, a cute young boy in the Witness Protection Program, Kaitlyn knows that she has to maintain his secret to keep him safe while trying not to fall head-over-heels for him in order to save herself from almost certain

heartbreak. Original. *Most Likely To Love Story* I hugged my sisters and they fit against my sides like two jigsaw pieces that would never fit anywhere else. I couldn't imagine ever letting them go again, like releasing them would be to surrender the best parts of myself. Three sisters share a magical, unshakeable bond in this witty high-concept novel from the critically

acclaimed author of *Audrey, Wait!* Around the time of their parents' divorce, sisters April, May, and June recover special powers from childhood?powers that come in handy navigating the hell that is high school. Powers that help them cope with the hardest year of their lives. But could they have a greater purpose? April, the oldest and a bit of a worrier, can see the future. Middle-child

May can literally disappear. And baby June reads minds?everyone?s but her own. When April gets a vision of disaster, the girls come together to save the day and reconcile their strained family. They realize that no matter what happens, powers or no powers, they?ll always have each other. Because there?s one thing stronger than magic: sisterhood. *Our Song* Penguin

Not all those who wander are lost, but Aubree Sadler most definitely is on this novel?s whirlwind trip through Europe. A romantic and charming YA debut perfect for fans of Stephanie Perkins and Jenny Han. Aubree can?t think of a better place to be than in perfectly boring Ohio, and she?s ready for a relaxing summer. But when her older sister, Elizabeth, gets into real trouble,

Aubree is talked into taking over Elizabeth?s summer job, leading a group of senior citizens on a bus tour through Europe. Aubree doesn?t even make it to the first stop in Amsterdam before their perfect plan unravels, leaving her with no phone, no carefully prepared binder full of helpful facts, and an unexpected guest: the tour company owner?s son, Sam.

Considering she's pretending to be Elizabeth, she absolutely shouldn't fall for him, but she can't help it, especially with the most romantic European cities as the backdrop for their love story. But her relationship with Sam is threatening to ruin her relationship with her sister, and she feels like she's letting both of them down. Aubree knows this trip may show her who she really is—she just hopes she

likes where she ends up. **When You Were Mine** Simon and Schuster Will you go to the proms with me? It was love at first sight for Emily and Ethan. But then Em lost his number and, with it, all the hope of finding a real boyfriend before the end of senior year. All she knows about Ethan is his first name, that he has a supercute smile, and that he's going to a prom this month. Which high school?

That's anyone's guess.... Em enlists the help of her three best friends, who quickly score formal wear and hail a limo. Together, Emily, Max and Sid vow to find Ethan, to find a cure for senioritis, and most important, to find true love - - one hilarious prom night at a time. **Star Crossed** Simon and Schuster "Sawyer and Kaye fall in love despite hating each other"-- **Purity** Simon

apart, but before she can try to reunite them, or help find the body of her captor's first victim, she must come to terms with her past. Puppy Love Speak SHE'S WRITING ABOUT HIM. HE'S WRITING ABOUT HER. AND EVERYBODY IS READING BETWEEN THE LINES. For Erin Blackwell, majoring in creative writing at the New York City college of her dreams is more than a chance to fulfill her

ambitions—it's her ticket away from the tragic memories that shadow her family's racehorse farm in Kentucky. But when she refuses to major in business and take over the farm herself someday, her grandmother gives Erin's college tuition and promised inheritance to their maddeningly handsome stable boy, Hunter Allen. Now Erin has to win an internship and work late nights at a

local coffee shop to make her own dreams a reality. She should despise Hunter . . . so why does he sneak into her thoughts as the hero of her latest writing assignment? Then, on the day she's sharing that assignment with her class, Hunter walks in. He's joining her class. And after he reads about himself in her story, her private fantasies about him must be painfully clear. She only

hopes to persuade him not to reveal her secret to everyone else. But Hunter devises his own creative revenge, writing sexy stories that drive the whole class wild with curiosity and fill Erin's heart with longing. Now she's not just imagining what might have been. She's writing a whole new ending for her romance with Hunter . . . except this story could come true. A Curious Tale of the In-Between
