Octavia is used to having anything (or anyone) she wants - but will she get her just desserts this time? Perfect for fans of Jojo Moyes, Marian Keyes, Dolly Alderton and Jane Fallon. ***** As soon as Octavia catches a glimpse of Jeremy in the nightclub, she knows she just has to have him. It doesn't matter that he's just got engaged to an old school friend of hers: good natured Gussie. His look suggested bed rather than breakfast, and made her weak at the knees... Rich and stunning, Octavia is used to men falling in love with her at a moment's notice and an invitation to join Gussie and Jeremy for a cozy weekend on a canal barge comes like a gift from the gods. How can she fail to hook Jeremy? But the other part of the foursome is whizz-kid business tycoon Gareth Llewellyn, a swarthy Welshman with all the tenderness of a scrum-half...definitely not Octavia's type! And one way and another, he certainly manages to thwart her plans...

"Company policy forbids me from exchanging my blood, my soul, or my firstborn child with customers..." When Ross starts working third-shift at a gas station, he doesn't think anything extraordinary will happen. He expects a lot of quiet shifts. Well, you know what they say about assumptions. One explosion later and he's the personal assistant to a vampire-who he admits is not only sexy, but the sane one-in charge of his supernatural clan's paperwork, and managing any trouble the members get into. Spoiler alert: the clan can get into quite a bit of trouble. Ross is definitely not paid enough for this. Tags: The crack ship armada sails again, and then it got out of hand, poor put upon retail workers, Ross didn't deserve this, Fate is cruel, so am I, the trauma of changing jobs, Ross has a paperclip and knows how to use it, Ross isn't clear if he's a PA, bartender, or babysitter, troublesome werewolves, Australian wizards, spells gone awry, very awry, sexy vampires, developing relationship, coming out, not a single degree of chill from Glenn where Ross is concerned, slow burn, boss/secretary, light bondage, Ross has to teach ancient mythical beings how to text, pray for him, SHENANIGANS, did I mention crack?, the most absurd workplace romance in history

She'd been overjoyed when Pendle, her super-cool barrister boyfriend, invited her home for the

weekend to meet his family. But home turned out to be a decaying mansion in the Lake District, and family were his glamorous, scatty mother who forgot the mounting bills by throwing wild parties, and brothers, Ace, dark and forbidding, and Jack, handsome, married and only too ready to take over with Pru if Pendle didn't get a move on. It was only when she noticed the way Pendle looked at Jack's wife Maggie that it began to dawn on Pru that there was more to this weekend than met the eye. It looked like a non-stop game of changing partners . . .

Six "perfect murders" by Margery Allingham, Dorothy L. Sayers, and other Golden Age Mystery authors of the Detection Club—plus an essay by Agatha Christie. Founded in England in the 1930s, the Detection Club brought together an impressive array of Golden Age Mystery authors. Their projects included *The Floating Admiral*, a whodunit in which twelve different writers contributed individual chapters, as well as *Ask a Policeman*, another collaboration in which the mystery writers swapped detectives to solve a murder. In *Six Against the Yard*, a half dozen mystery masters—Margery Allingham, Father Ronald Knox, Anthony Berkeley, Russell Thorndike, Dorothy L. Sayers, and Freeman Wills Crofts—each create a perfect crime, a seemingly unsolvable mystery. The stories are then analyzed by Ex-Superintendent Cornish, C.I.D., a real-life retired police detective, to see if they would indeed stump Scotland Yard. This edition also features an afterword by inaugural Detection Club member Agatha Christie on a true unsolved case of arsenic poisoning in Britain in 1929.

'Cooper's sheer exuberance and energy are contagious' The Times No picture ever came more beautiful than Raphael's Pandora. Discovered by a dashing young lieutenant, Raymond Kelvedon in a Normandy Chateau in 1944, she had cast her spell over his family - all artists and dealers - for fifty years. Hanging in a turret of their lovely Cotswold house, Pandora witnessed Raymond's tempestuous wife Galena both entertaining a string of lovers, and giving birth to her four children: Jupiter, Alizarin, Jonathan and superbrat Sienna. Then an exquisite stranger rolls up, claiming to be a long-lost daughter of the family, setting the three Belvedon brothers at each other's throats. Accompanying her is her fatally glamorous boyfriend, whose very different agenda includes an unhealthy interest in the Raphael. During a fireworks party, the painting is stolen. The hunt to retrieve it takes the reader on a thrilling journey to Vienna, Geneva, Paris, New York and London. After a nail-biting court case and a record-smashing Old Masters sale at Sotheby's, passionate love triumphs and Pandora is restored to her rightful home.

'There is no one else like Cooper.' GUARDIAN 'Reading Mount! was pure, unadulterated joy . . . I loved every moment.' Sophie Kinsella _____ In Jilly Cooper's latest, raciest novel, Rupert Campbell-Black takes centre stage in the cut-throat world of flat racing. Rupert is consumed by one obsession: that Love Rat, his adored grey horse, be proclaimed champion stallion. He longs to trounce Roberto's Revenge, the stallion owned by his detested rival Cosmo Rannaldini, which means abandoning his racing empire at Penscombe and his darling wife Taggie, and chasing winners in the richest races worldwide, from Dubai to Los Angeles to Melbourne. Luckily, the fort at home is held by Rupert's assistant Gav, a genius with horses, fancied by every stable lass, but damaged by alcoholism and a vile wife. When Gala, a grieving but ravishing Zimbabwean widow moves to Penscombe as carer for Rupert's wayward father, it is not just Gav who is attracted to her: a returning Rupert finds himself dangerously tempted. Gala adores horses, and when she switches to working in the yard, her carer's job is taken by a devastatingly handsome South African man who claims to be gay but seems far keener on caring for the angelic Taggie. And as increasingly sinister acts of sabotage strike at Penscombe, the game of musical loose boxes gathers apace . . .

_____ Readers love Jilly Cooper: ***** 'Unputdownable and addictive as always.' *****

'Rupert is back. Still gorgeous. Still naughty. Still wondrous.' ***** 'I loved this book from start to

'Delicious . . . I could not put the damned thing down' Sunday Express 'Triumphant . . . a boisterous tale of sex and Chopin' Tatler Abigail Rosen, nicknamed Appassionata, was the sexiest, most flamboyant violinist in classical music, but she was also the loneliest and the most exploited girl in the world. When a dramatic suicide attempt destroyed her violin career, she set her sights on the male-dominated heights of the conductor's rostrum. Given the chance to take over the Rutminster Symphony Orchestra, Abby is ecstatic, not realising the RSO is in hock up to its neck and is composed of the wildest bunch of musicians ever to blow a horn or caress a fiddle. Abby finds it increasingly difficult to control her undisciplined rabble and pretend she is not madly attracted to the fatally glamorous horn player, Viking O'Neill, who claims droit de seigneur over every pretty woman joining the orchestra. And then Rannaldini, arch-fiend and international maestro, rolls up with Machiavellian plans of his own to sabotage the RSO. Effervescent as champagne, Jilly Cooper's novel brings back old favourites like Rupert and Taggie Campbell-Black, but also ends triumphantly with a rampaging orchestral tour of Spain and the high drama of an international piano competition. Readers adore Appassionata: ***** 'Glamorous individuals and a story that gets you turning the pages . . . a book to make you laugh and cry.' ***** 'A sheer delight. Unputdownable! Bravo Jilly!' ***** 'A real gem of a book which yet again had me hooked from start to finish.'

"Peter Spiegelman's Dr. Knox is a bruised wonder of a crime novel. Filled with page-turning intrigue and an L.A. atmosphere so richly rendered you can practically smell the 'eucalyptus and dust,' it is both thrilling and rueful, harrowing and moving. DON'T MISS IT" —Megan Abbott, award-winning author of *The Fever* From the author of *Red Cat* and *Thick as Thieves*: a gripping new thriller about a medical doctor with a powerful humanitarian impulse, an unhealthy appetite for risk, and a knack for finding himself between a rock and a hard place. Adam Knox comes from a long line of patrician Connecticut doctors—a line he broke to serve with an NGO in the war-torn Central African Republic. His attempt to protect his patients there from a brutal militia ended in disaster and disgrace, and now he runs a clinic near Los Angeles's Skid Row, making ends meet by making house calls—cash only, no questions asked—on those too famous or too criminal to seek other medical care. When a young boy is abandoned at his clinic, Knox is determined to find the boy's family and save him from the not-so-tender mercies of the child welfare bureaucracy. But Knox's search for the volatile woman who may or may not be the boy's mother leads him and his friend, a former Special Forces operator, into a labyrinth of human traffickers, Russian mobsters, and corporate security thugs; and squarely into the sights of a powerful, secretive, and utterly ruthless family that threatens to destroy Dr. Knox and everything—and everyone—he holds dear.

The powerful tale of an Egyptologist determined to find a mythic treasure buried in the desert sand—even if it costs him his life. After losing a chance to be an assistant professor, Dr. Mark Davison is saved from unemployment by a stroke of extraordinary good fortune. A stranger arrives on his doorstep with an item any historian would envy—the journal of a Victorian Egyptologist who disappeared while looking for the legendary tomb of King Akhnaton. Mark accepts the offer to dig in the fabled sands of Tel el-Amarna to discover the grave—and a treasure that has eluded every seeker thus far. He then embarks on the journey to Egypt, leaving behind the woman he loves and finding himself in the company of two beautiful yet mysterious women. But Mark didn't bargain for the seven curses of the Watch Gods. Silent and stone-faced, the seven gigantic carved figures have stood sentinel at the entrance to the tomb for more than three thousand years, created by a fearful priesthood who knew that what they kept in everlasting quarantine must never be let loose. The guardians were charged with an evil power that could bring to life the oldest, most dreadful nightmares of mankind—nightmares that could annihilate the expedition that dares to disturb the tomb. But not even danger, myth, or legend will keep Mark from making the discovery of a lifetime.

'Compulsively readable and funny...the irrepressible Jilly remains irresistible' - The Times In Jilly Cooper's third Rutshire chronicle we meet Ricky France-Lynch, who is moody, macho, and magnificent. During the ten years she lived at the edge of Putney Common Jilly Cooper walked daily on this expanse of green. For most of the time she lived there she kept a diary, noting the effects of the changing seasons and writing about her encounters with dogs and humans. The book is a distillation of those diaries: an affectionate and enthralling portrait - warts and all - of life on Putney Common. Never has Jilly Cooper written more lyrically about flowers, trees, birds and the natural world; more tellingly about the sorrows - as well as the joys - of caring for dogs and children; or more outrageously about the gossip, illicit romances and jealousies of life in a small community.

At Bagley Hall, a notoriously wild, but increasingly academic, independent, crammed with the children of the famous, trouble is afoot. The ambitious and fatally attractive headmaster, Hengist Brett-Taylor, hatches a plan to share the facilities of his school with Larkminster Comprehensive - known locally, as 'Larks'. His reasons for doing so are purely financial, but he is encouraged by the opportunities the scheme gives him for frequent meetings with Janna Curtis, the dynamic new head of Larks, who has been drafted in to save what is a fast-sinking school from closure. Janna is young, pretty, enthusiastic and vastly brave - and she will do anything to rescue her demoralised, run-down and cash-strapped school. Neither parents nor staff of either school are too keen on this radical move, although some can see the possible financial advantages. For the students, however, it offers great opportunities to get up to even more mayhem than usual.

Jilly Cooper's observations from her days as a much-loved newspaper columnist cover everything to do with sex, socialising and survival - from marriage, friendship and the minutiae of family life, to the tedium of going to visit people for the weekend, the stress of hosting dinner parties and the descent of middle age. In this raucous collection of true-life stories, Chelsea Handler recounts her time spent in the social trenches with that wild, strange, irresistible, and often gratifying beast: the one-night stand. You've either done it or know someone who has: the one-night stand, the familiar outcome of a night spent at a bar, sometimes the sole payoff for your friend's irritating wedding, or the only relief from a disastrous vacation. Often embarrassing and uncomfortable, occasionally outlandish, but most times just a necessary and irresistible evil, the one-night stand is a social rite as old as sex itself and as common as a bar stool. Enter Chelsea Handler. Gorgeous, sharp, and anything but shy, Chelsea loves men and lots of them. My Horizontal Life chronicles her romp through the different bedrooms of a variety of suitors, a no-holds-barred account of what can happen between a man and a sometimes very intoxicated, outgoing woman during one night of passion. From her short fling with a Vegas stripper to her even shorter dalliance with a well-endowed little person, from her uncomfortable tryst with a cruise ship performer to her misguided rebound with a man who likes to play leather dress-up, Chelsea recalls the highs and lows of her one-night stands with hilarious honesty. Encouraged by her motley collection of friends (aka: her partners in crime) but challenged by her family members (who at times find themselves a surprise part of the encounter), Chelsea hits bottom and bounces back, unafraid to share the gritty details. My Horizontal Life is one guilty pleasure you won't be ashamed to talk about in the morning.

Lysander Hawkley combined breathtaking good looks with the kindest of hearts. He couldn't pass a stray dog, an ill-treated horse or a neglected wife without rushing to the rescue. And with neglected wives the rescue invariably led to ecstatic bonking, which didn't please their erring husbands one bit. Lysander's mid-life crisis had begun at twenty-two. Reeling from the death of his beautiful mother, he was out of work, drinking too much and desperately in debt. The solution came from Ferdie, his fat, fast-operating friend: if Lysander was so good at making husbands jealous, why shouldn't he get paid for it? Let loose among the neglected wives of the ritzy county of Rutshire, Lysander causes absolute havoc. But it is only when he meets Rannaldini, Rutshire's King Rat and a temperamental, fiendishly promiscuous international conductor, that the trouble really starts. The only unglamorous woman around Rannaldini is Kitty, his plump young wife who runs his life like clockwork. Soon Lysander is convinced that Kitty must be rescued from Rannaldini at all costs, even if it means enlisting the help of the old blue-eyed havoc maker: Rupert Campbell-Black.
