A Jar of Pebbles
Trafford Publishing

A hunt for drug gang diamonds is keeping Basel Inspector Hunkeler on tenterhooks. Basel, nestled at the border of Switzerland with Germany and France, has been hammered by a huge snowstorm, cars and trams can barely move, trees are groaning under the weight of the recent snowfall, the cathedral and city roofs are smothered. An elegant young Lebanese man carrying diamonds in his bag is on the train from Frankfurt to Basel, a drug mule on the return journey. At the Basel train station, Inspector Hunkeler is waiting for him after a tipoff from the German police. The courier manages to get to the station toilet and flushes the stones away. Erdogan, a

young Turkish sewage maintenance worker, finds the diamonds in the pipes under the station. To him they mean wealth and the small hotel he always wanted to buy near his family village. To his older Swiss girl-friend Erika, employed at a supermarket checkout counter, the stones signify the end of their life together. She knows that Erdogan has a wife and children in Turkey. For the courier, finding the stones is a matter of life and death. His employers are on their way to "tidy things up". For Hunkeler the stones are the only way to get to the people behind the drug trade. They turn out to include not only the bottom-feeding drug gangs but bankers and politicians very high up

the Basel food chain.

“. . . the Kingdom of heaven is like a merchant seeking fine pearls.” 2 Corinthians 5:17b NIV My husband had passed away just 3 months earlier. The chaos and drama that usually follows had finally settled: the house was unusually quiet while my spirit remained stirred. I’d spent quite a bit of time in reflective prayer, unsure of what even to ask of God, but knowing He was somehow divinely connected to my unsettledness. Where were these random thoughts of writing coming from? Besides, what would I even say? Moreover, would anyone care enough to listen? It didn’t take long to receive confirmation. The

instruction was just that, leaving no room for doubt or misunderstanding: I’m invited to write. Being as transparent as possible, I’m living proof God can use anybody to do His Kingdom work. You and I don’t have to wait until we feel equipped or we’ve got our act together in order to respond to God’s call. We simply need to be willing to take the first step. Here I am, starting year three, not necessarily an “accomplished” writer, but definitely a writer who has learned far more than she could ever put in print, ever share with others . . . a writer who realizes all God wants is her humble, amendable heart: He’ll step in and do the rest. Several heavenly pearls have

dropped in my lap throughout this newfound journey: It's God's story; I'm not the main character. I'm simply invited to play a role in His story. Feelings are fickle; they come and go. Don't trust them. Faith is only faith when action follows. Yet, it's faith that empowers and perseveres. God calls me to "bigger-than-Kim" tasks so I get out of the way and He can say and do what He needs to say and do through me. This way, He gets full credit and all the glory. I cannot share what I don't possess. My spiritual authenticity grows the quieter I'd become and the closer I draw near to God's heart. I will never do life perfectly. I make mistakes but my response to my

mistakes reflects my level of humility before God and others. When you and I allow God to step in and take over the reins of our life, He opens our eyes to both His presence and power working in, through, and around us. We realize we are walking along each day stepping on Pebbles of Grace with each stride. Only God can take it all, both the good and bad of one's life, and interweave it into a beautiful tapestry, a tapestry of divine value, meaning, and purpose. May this collection of heavenly pearls drench your soul with a fresh awareness of just how passionately God loves you, how relentlessly He pursues you, and how through the acceptance of His son, Jesus Christ, how He

affectionately offers you Pebbles of Grace.

Everything Bonnie Keeler believes about life and marriage changes the day she discovers her husband's infidelity. Not only has he broken their wedding vows, but he blames her romance writing and shames her into giving up her passion - creating stories of mystery and romance; always with happily-ever-after endings. Leaving everything behind, she travels to Cape Cod, where she can wallow in self pity and drown her sorrows in the ocean. Two things interfere with Bonnie's self-imposed

solitude—the ghost in her rental house who is protective of her and Robert Garrett, a soft-spoken bookseller, who quietly infiltrates her life and helps her re-discover her self-worth. Can she trust her heart again to find the laughter and love missing in her life? Is the ghost trying to tell her it's never too late to live happily ever after?

An eye-witness account of watershed moments in modern European history. In 1983 librarian Peter Stangl took his teenaged son and daughter to Budapest, to show them the city and the land where he had grown up. He wrote an account of

that trip, which he titled “Pebbles,” because a surprise encounter with some stones his mother had painted stirred up such strong memories of his boyhood. In time, Mr. Stangl expanded his memoir into a saga of memories of world-shaking events that he had witnessed as a boy and young man in Hungary: the rise of Naziism, the violence of World War II, the subsequent Soviet domination of Eastern Europe, and the Hungarian uprising in 1956. Interspersed with these accounts of history in the making, the author gives a fond anecdotal chronicle of his family. After his hair-raising escape from Hungary, Peter Stangl landed in New York, via Vienna. The story ends with his

assimilation into Yale University and a reunion with family in Paris.

Henry James was one of the greatest and most prolific American authors ever to have lived. Henry James believed that the short novel was the perfect literary form, and his achievements here brilliantly display his mastery of it. Noted literary critic Philip Rahv has collected ten of James’s most important short novels to make one distinguished volume. Accompanied by Rahv’s informative commentary and keen insights, this collection contains the following classics: MADAME DE MAUVES DAISY MILLER AN INTERNATIONAL

Invisibles spans two cities by the sea and four decades of music, torture, and romance. From the streets of Brighton to the bars of Rio, Ed Siegle weaves the rhythms of Brazil and the troubles of his characters into an absorbing story of identity, love, and loss.

Joel Burns has always believed his father is still alive. His mother Jackie has long been glad to know Gilberto is dead. When a sighting on a news report from Rio de Janeiro suggests Joel might be right, he travels to Brazil determined to find his long-lost father.

Nelson, a down-and-out musician guided by the spirits of Jesus, Yemanjá, and his late Aunt Zila, helps Joel retrace his childhood steps—and face up to the contrast between his rosy memories of Gilberto and his mother's accounts of the man's cruelty and the violent times following his arrest and imprisonment by the military authorities. At once familiar and foreign, this sweet, sad, and compulsively readable first novel

throngs with visceral memory and unbreakable ordinary heroes.

A Jar of Pebbles celebrates the ordinary, the absurd, and the exceptional. In these days and times, when pandemic-induced lockdowns have forced social distancing, this collection talks of the warmth and learning of human connections.

Memories of growing up in a small town in the 80s and 90s predating the social media, and lessons from parents who never used a manual then, are tenderly captured for posterity. Simple snippets of human effort, and kindness are narrated with empathy and humour. The anecdotes speak to the generation that did not have the Internet as well as to the generation that cannot live without it. The language is simple, straight from the heart, and not a claim to the grandiose. It is a soulful read in this busy world we live in today to inspire hope, share a laugh, and possibly pass on a bit of learning.

Have you ever placed that bet or took the chance at cards for that big pot? Do you wonder what it is like to have money and some fame? Do you want people to do what you say without question? Well, it can happen, but the downside is the fact that there is a cost and others' lives will be decided on your whims. Are you ready for that? You know you will never worry about being alone because money buys love too. Easy come, easy go! In the end, it will never end. There is too much give-and-take. Just don't be the one being taken from; giving is hard to do when you waited so long for it!

Pebbles in a Pond

Here are twelve stories from thriller writer Howard Losness, beginning with the tale of a man who refuses to act his age. You'll read about the deal he makes with a Mr.

Sattan in return for his youth and the consequences thereof.

Then there is Harm, who is living the good life with his wife and family, until the arrival of a letter announcing an additional member that he hadn't counted

on, or even knew about. Charlie finds his dream girl and marries her, only to give everyone at the wedding reception the surprise of their lives.

And then there is Paddy O'Toole, a gangster wannabe.

Wait until you read what fate has in store for this fool. No

collection of short stories would be complete without a

'Who done it'. In *The Butler Did It*, you'll discover Howard

Losness' version of not one butler, but a plane

full of them. In each of Howard Losness' short stories you will find

yourself drawn into the lives and dilemmas that his characters create for themselves.

With dashing originality and in prose that sings like an entire choir of sirens, Cynthia Ozick relates the life and times of her most compelling fictional creation. Ruth Puttermessenger lives in New York City. Her learning is monumental. Her love life is minimal (she prefers pouring through Plato to romping with married Morris Rappoport). And her fantasies have a disconcerting tendency to come true - with disastrous consequences for what we laughably call "reality." Puttermessenger yearns for a daughter and promptly creates

one, unassisted, in the form of the first recorded female golem. Laboring in the dusty crevices of the civil service, she dreams of reforming the city - and manages to get herself elected mayor. Puttermessenger contemplates the afterlife and is hurtled into it headlong, only to discover that a paradise found is also paradise lost. Overflowing with ideas, lambent with wit, The Puttermessenger Papers is a tour de force by one of our most visionary novelists. "The finest achievement of Ozick's career... It has all the buoyant integrity of a Chagall painting." -San Francisco Chronicle

"Fanciful, poignant... so intelligent, so finely expressed that, like its main character, it remains endearing,

edifying, a spark of light in the gloom." - The New York Times "A crazy delight." -The New York Time Book Review

Pebbles on the Stone Myriad Editions (US&CA)

'This enthralling autobiographical fragment by Stuart Hood, a World War II British intelligence officer, tells of his escape from a prisoner-of-war camp in Parma and his life on the run with Italian partisans in the Resistance.' New York Times 'I wanted to do two things. Firstly, give a picture of peasant

life. I felt indebted to my peasants who had sheltered me, and admiration for them. The other thing was to make sense of what had happened. I discovered new facts I hadn't understood at the time. This in itself raised the question of remembrance and how one shapes memory, its truth and gaps.' Stuart Hood, 2002 'Combines the mesmeric readability of good modern fiction with a feeling of lived experience to which few novels can attain.' Listener 'A remarkable, haunting book.' Raleigh Traveyan, Sunday Times
