What character qualities can be found in every great father? Love, patience, gentleness, faithfulness, self-control-the fruits of the Spirit, in fact! And the One who produces that fruit in us is the One who is At the Heart of Every Great Father. Clark Cothorn shows dads how to be truly great fathers-no matter how old their kids are-by allowing the Father to cultivate His character in them. Powerful, straight-talking stories in each chapter are guaranteed to grab men's attention, entertain them, and inspire them to be better dads by actually showing-not just describing-great fathering in action.

After having met thousands of musicians and celebrities, James Hester decided to write a book about how life in the entertainment industry was not always glamorous to him. His book, "Rock Scars," chronicles his personal journey through entertainment and explores the essentials of being a rock star. While traveling the road to fame and fortune, Hester investigates various facets of entertainment including demographics, religion, sex, politics, and drugs. His writing is a heart-felt memoir giving readers an insider's perspective on an industry that often encourages controversy and exploitation. James has witnessed both the ecstasies as well as the debaucheries of rock 'n roll. Although "Rocks Scars" contains a wealth of serious content, it is also laced with an abundant dose of the author's own dry humor. Hester relied heavily on his humor when he navigated his way through the mire and muck of becoming a superstar. James encourages readers to laugh and to shine like stars throughout his writing.

Travel with Victor DAmico as he recalls times, events, and places that provided him with rich memories of the simple things that made his life's passage both enjoyable and meaningful. Marrying a woman with strong ties to Italy fostered his appreciation of his own Italian heritage and, coupled with his travels, gave him an awareness of the world and its diversity. DAmico compares his early childhood with those of his children and traces his own journey through college, the Army, and the early years of his marriage. He recalls experiences with his children, their marriages, and his own fiftieth wedding anniversary. He describes

his love affair with skiing, his time working and living in Munich, and reflects on getting old. Also included are snippets from his extensive travels, his appreciation for Italian cuisine, and the long and remarkable life of his mother-in-law and her influences on his family. Spanning eighty years, Recollections is a memoir filled with candid observations and appealing tales of a life well lived.

As a psychologist by education, my interest is in how people solve problems. At the Economic Institute of Leyden University, I learned that economists study human behavior too, although their studies are limited to economic affairs. At the Institute of Scientific Research on Consumer Affairs became (SWOKA), I am aware of the needs of consumer organizations and the

government for consumer research to base their policy on. At Erasmus University Rotterdam, I got the opportunity to integrate my interests and knowledge into this book. The first part of the book attempts to integrate psychological theories of attitude, perception, motivation and decision into economics. Both disciplines are concerned with human behavior, and the economic paradigm of demand, subject to restrictions, is combined with the psychological tradition of direct measurements of perceptions and motivations. This results in a micro-model of economic choice that can be tested by means of information obtained directly from consumers. The empirical study deals with the problem of scrapping a durable consumption good. By means of a consumer survey, the micro-model of choice is applied to the decision to scrap a durable good, or to repair the good in case of a defect. This individual decision obviously is connected with the large scale problem of waste, and with the manufacturer's problem of producing durable goods with a certain quality and durability.

The renovation of the Jesuits after the Second Vatican Council has been a sign of hope and a cause for consternation. Especially during the turbulence right after the Council, the Jesuits were in the eye of the storm. In this historical memoir, Patrick Howell gives personal insight into how the Council impacted the Society of Jesus and precipitated a radical rethinking of the mission of the Jesuits today. The Council mandated a return of religious orders to the vision of their founders. The Jesuits fortunately had a strong, charismatic founder in St. Ignatius of Loyola with a rich religious and intellectual tradition. By rediscovering their spiritual heritage and restructuring their mission around the signs of the times and the needs of the world, the Jesuits were able to move adroitly into the twenty-first century as a continuing dynamic force for the Church and for the world. Fr. Howell brings a unique personal perspective to the nature and style of the Church prior to the Council and "an insider's view" throughout his fifty-seven years as a Jesuit in which he has met many of the personages, witnessed all the changes, and been a direct participant in many of them.

Learn and apply scores of practical, empowering, and career-boosting leadership keys from a truly out-of-this-world leader and astronaut. You should feel the need to lead! In today's business world, our teams face daunting challenges in producing real results supporting a greater purpose. Your company, team, community, and family count on you to exercise meaningful, execution-oriented leadership. If you do, you will succeed in your Missions that Matter. As a leader in the dynamic, stressful, and sometimes dangerous endeavor of human space exploration, Astronaut Rick Searfoss has had many unique experiences. However, the success principles he applied in commanding the most complex and successful human space research mission ever are universal. They apply to any venture. The inspiration for "Liftoff" came when Colonel Searfoss met Dr. Stephen R. Covey, author of *The 7 Habits of Highly Effective People*, who counseled, "You've got over twenty-five years of experience in what American businesses need more than anything else: leadership and teamwork. Share it. Since then, Colonel Searfoss has done just that, as a noted leadership speaker and consultant. "Liftoff" shares the keen insights of an astronaut commander leading the way. It will enable you to: Employ a proven, balanced-leadership model in support of a greater purpose. Drive stellar operational

results with a comprehensive, objective-centric execution system. Apply a countdown of twelve purposeful performance principles for outstanding outcomes. Strengthen your ability to lead and perform at the front lines to achieve mission success. The author also shares a myriad of thrilling, inspiring, and relevant stories, told from the extraordinary perspective of one of a mere handful of humans who've ever been in space. Should you launch your leadership to the highest level possible? Absolutely, so let's light this candle and lift off to success!

Peter Mead's spectacular career in advertising began when he joined the despatch department of a large agency straight from school at the age of 16. He fell in love with the business and his ambition and drive led him in 1977 to co-found Abbott Mead Vickers, which grew into one of the industry's most respected and highly awarded agencies. In 1995 AMV BBDO became the largest advertising agency in the UK, a position it has held ever since. When in Doubt Be Nice begins with the most important business lessons Peter has learnt from his years at the cutting edge of advertising, and tells how he became one of the legends of the industry. It reveals the secrets of his success, his beliefs about the right way to do business and the values on which he built his remarkable career, including the benefits of behaving not simply as a leader to those who work closely with him, but also as a guide and mentor. Written with modesty and wit, it is an inspiring insight into the mind of a great businessman who used intuitive flair and an understanding of how those around him think to build and run an extraordinarily successful advertising agency.

'Heads and Tasker, legends themselves, set out to write a book that would continue the trail laid by early-days sporting scribes of long ago. I could not put it down.' John Coates AC, President of the

Australian Olympic Committee 'I know readers will enjoy the many stories and anecdotes that Heads and Tasker have accumulated over more than a century combined in journalism.' Ian Chappell, former Australian cricket Captain. Australia enjoys a rich sporting heritage. Our small population has yielded a disproportionate number of champions. These sports stars have become known worldwide as fierce combatants and honourable competitors, achieving soaring victories, but also heart-pounding near-wins and humbling defeats. Veteran Australian sports journalists Ian Heads and Norman Tasker have seen it all. In these 65 original stories, we hear of the explosive introduction of World Series Cricket in 1977, which turned a genteel endeavour into a high-octane contest, and the clash of the titans as Packer and Murdoch squared off over the Super League war. We see Rugby Union become a battleground for race and the Olympics an arena for sublime acts of courage and achievement. We get an insider's perspective on every kind of sporting endeavour - from boxing to tennis, cricket to AFL, athletics to rugby league - and not just the action on the field, but the change room gossip and clubhouse politics as well. Written with wit, insight and a wealth of knowledge, *Great Australian Sporting Stories* is an enthralling expedition into the combative, collegiate, entertaining and always exciting world of Australian sport.

A New Beginning Balboa Press

Like a phoenix, the twins Kevin and Robert and their younger brother Jonah, experience a rebirth after they barely survive the catastrophic house fire that killed their father and older brother. Now is their chance to start fresh in a new town with a loving adoptive family. The boys thrive in their new home, and they experience many of the typical ups and downs of a "normal" childhood in the 1950s. They are free of the abuses and draconian restrictions that their late father visited upon them after he became obsessed with the fanatical doctrines of the Radio Church

of God. Kevin soon makes a desperate attempt to prevent a large family from falling victim to that abusive religious cult. The brothers can now freely pursue their own interests, the most alluring of which, are fledgling romantic relationships. Kevin gets bitten by the technology bug, and he starts building a number of electronic projects including a vacuum tube shortwave transmitter. But the boys' new life is tarnished when ominous vaguely written letters start to arrive at their new home that seemingly blame them for the house fire that resulted in the deaths of their father and older sibling. Although the boys bravely try to get on with their lives, their world soon comes crashing down when an unknown enemy decides it is time to take retribution on them for a sin they did not commit. *Rebirth* is the second book in the *Threefold Cord* series that follows the lives of the three young brothers who have developed an unbreakable bond with one another. A combination of nostalgia, youthful adventures, misadventures, and intrigue, this book is a delightful mix of genres that will keep readers entertained and enthralled until the last page.

Prayer and Praises are significant part of Christianity and in Christendom since the very beginning of time on the subject of relationship with God. Take the spiritual vitamin because when life gets rough the rough gets life, but when you pray and praise you will overcome and overtake whatever comes your way. The mountain can be moved with prayer and praises by faith in the Lord. In this world you will have trouble. But take heart! Jesus had overcome the world." He has done His part, do your part by serving, praying and praising the Lord God Almighty. He hears us when we pray and praise; He knows us inside out and outside in. This book will help you very greatly in your relationship with God through our Lord and Savior Jesus Christ.
