From Jezebel.com, the popular website for women, comes a must-read encyclopedic guide to pop culture, feminism, fashion, sex, and much more. Within months of Jezebel's May 2007 appearance on the new media scene, fans of the blog began referring to themselves as "Jezzies" in comment threads and organizing reader meet-ups in cities all over the world. By 2008, the devotion of the self-appointed Jezzies reached such a fever pitch that the New York Times ran a feature story about them and parody blogs and copycat websites began popping up right and left. With contributions from the writers and creatives who give the site its distinctive tone and broad influence, The Book of Jezebel is an encyclopedia of everything important to the modern woman. Running the gamut from Abzug, Bella and Baby-sitters Club, The to Xena, Yogurt, and Zits, and filled with entertaining sidebars and arresting images, this is a must-read for the modern woman.

A complete look at weapons—from the Stone Age and Bronze Age to present day—from spears and swords to handguns and automatic weapons.

When did hunting weapons begin to be used against humans instead of animals? What is the difference between the Plains Indian War Club and the Fijian War Club? What weapon is common to peoples in every part of the world? The Illustrated Encyclopedia of Weaponry is a comprehensive guide to arms and armaments throughout history. Beginning in the Stone Age, The Illustrated Encyclopedia of Weaponry travels through the Bronze Age to our present day, showing the tools humans have used to defend themselves all around the globe. There's the Japanese tanto, or dagger, which have become identified with gangs known as yakuza. There's the flaming arrow used when Swiss and Austrian forces clashed in the 14th century. And there's the revolver that Samuel Colt made practical for both military and civilian use in Hartford, Connecticut. The Illustrated Encyclopedia of Weaponry will help readers better understand how—and why—the battles of history were fought.
