This machine was the Professor's ultimate achievement. No woman who had lain on this table had yet been able to withstand it. Lord Elliston is at his wit's end with his daughter Emily.

Nothing he tries seems to make the slightest impact on her deplorable behavior, and when she is caught stealing a handkerchief he knows that it is time for desperate measures. One name comes up again and again—Professor George E. Feversham. The founder of Feversham's Academy of Young Women's Correctional Education has a reputation for reforming troubled young women of the lower classes, and his treatments for praefocatio matricis—female hysteria—are renowned in scientific circles. It seems that the Professor is his last, best hope for regaining control of his daughter. But what will the treatments mean for Emily?

This ground-breaking book provides fascinating insights into the fast-emerging body of research that explores the relationship between sport, theology and disability within a social justice framework. In the shadow of two major sport-faith events that fore-fronted the theology of disability sport, the Vatican's international conference—Sport at the Service of Humanity and the Inaugural Global Congress on Sports and Christianity York St John University, UK, at which Dr Brian Brock led a thematic strand on the topic—this book provides a foundation for further research and practice. This text is a timely and important synthesis of ideas that have emerged in two previously distinct areas of research: (i) 'disability sport' and (ii) the 'theology of disability'. Examples of subjects addressed in this text include: elite physical disability sport—Paralympics; intellectual disability sport—Special Olympics; equestrian sport; church, sport and disability, and; theologies of embodiment, competition and mercy. This book, written by leaders in their respective fields, begins a critical conversation on these topics, and many others, for both researchers and practitioners. The chapters originally published in the *Journal of Disability and Religion and Quest*.

In an age where the Church ruled and anything but the missionary position with your spouse was a sin, people still wanted more. That is clear from the fact that this book exists, was translated from the original French to English, and at least one parliamentarian admitted to reading it. I'll add in my own assumption that even without this book there would be a lot of people asking for forgiveness for their bedroom activities based on the Church's guidelines. Samuel Pepys, an Admiral and Parliamentarian purchased his own copy in England, in 1668 when he saw it in an average book store. Though, he notes he bought it in plain binding as he intended to burn it after reading as not to disgrace himself if someone found it. He skipped church the next day to peruse his purchase and on conclusion wrote this in his diary: "It was not amiss for a sober man once to read over to inform himself in the villainy of the world... it did force my prick beyond stand all the while."

The Children Of Dynmouth - a classic prize-winning novel by William Trevor Penguin Decades bring you the novels that helped shape modern Britain. The 1970s was a decade of anger and discontent. Britain endured power cuts and strikes. America pulled out of Vietnam and saw its President resign from office. Feminism and face lifts vied for women's hearts (and minds). And for many, prog rock, punk and disco weren't just music but ways of life. William Trevor's *The Children of Dynmouth* (Winner of the Whitbread Award and shortlisted for the Booker Prize) was first published in 1976 and is a classic account of evil lurking in the most unlikely places. In it we follow awkward, lonely, curious teenager Timothy Gedge as he wanders around the bland seaside town of Dynmouth. Timothy takes a prurient interest in the lives of the adults there, who only realise the sinister purpose to which he seeks to put his knowledge too late. 'A small masterpiece of understatement ... a work of rare compassion' Joyce Carol Oates, New York Times If you enjoyed *The Story of Lucy Gault* and *Love and Summer*, you will love this book. It will also be adored by

readers of Colm Toibin and William Boyd. William Trevor was born in Mitchelstown, County Cork. He has written eighteen novels and novellas, and hundreds of short stories, for which he has won a number of prizes including the Hawthornden Prize, the Yorkshire Post Book of the Year Award, the Whitbread Book of the Year Award and the David Cohen Literature Prize in recognition of a lifetime's literary achievement. In 2002 he was knighted for his services to literature. His books in Penguin are: *After Rain*; *A Bit on the Side*; *Bodily Secrets*; *Cheating at Canasta*; *The Children of Dynmouth*; *The Collected Stories (Volumes One and Two)*; *Death in Summer*; *Felicia's Journey*; *Fools of Fortune*; *The Hill Bachelors*; *Love and Summer*; *The Mark-2 Wife*; *Selected Stories*; *The Story of Lucy Gault and Two Lives*.

Mood mapping simply involves plotting how you feel against your energy levels, to determine your current mood. Dr Liz Miller then gives you the tools you need to lift your low mood, so improving your mental health and wellbeing. Dr Miller developed this technique as a result of her own diagnosis of bipolar disorder (manic depression), and of overcoming it, leading her to seek ways to improve the mental health of others. This innovative book illustrates: * The Five Keys to Moods: learn to identify the physical or emotional factors that affect your moods * The Miller Mood Map: learn to visually map your mood to increase self-awareness * Practical ways to implement change to alleviate low mood Mood mapping is an essential life skill; by giving an innovative perspective to your life, it enables you to be happier, calmer and to bring positivity to your

own life and to those around you. 'A gloriously accessible read from a truly unique voice' Mary O'Hara, *Guardian* 'It's great to have such accessible and positive advice about our moods, which, after all, govern everything we do. I love the idea of MoodMapping' Dr Phil Hammond 'Can help you find calm and take the edge off your anxieties' *Evening Standard* 'MoodMapping is a fantastic tool for managing your mental health and taking control of your life' Jonathan Naess, Founder of Stand to Reason

The Cartel 3: Felony & Mayhem Press Sir Gerald is having great difficulties with Caroline, his eighteen-year-old ward. He has always been a doting guardian, shielding young Caroline from the truth about the differences between men and women and what they do behind closed doors. But now Caroline has become much too curious for her own good, to the point where he must bring himself to punish her repeatedly for hiding in closets in an attempt to witness the pleasures he takes with his mistress. At his wit's end, Sir Gerald calls upon the services of Dr. Reginald Brown and his colleague Dr. James Fairleigh. After a thorough, intimate examination, the physicians decide that since Caroline is of age, it would be appropriate for her to become acquainted with the pleasures a man can bring a woman. Instead of marrying her off to someone who won't give her the freedom Sir Gerald can afford, the men decide that Dr. Fairleigh will personally oversee young Caroline's erotic education. After Caroline is made to observe Sir Gerald's couplings for the first time, however, her wide-eyed innocence stirs Dr. Fairleigh far more than he thought possible. When she implores him to take care of her, the young doctor finds himself promising that he will. Before he knows it, she has

utterly claimed his heart, and he can't imagine her being given to anyone else. But can he rescue Caroline from Sir Gerald's plans for her before it is too late? Publisher's Note: *Innocence Examined* includes spankings and sexual scenes. If such material offends you, please don't buy this book.

"Discipline, Miss Brewer. Obedience. Submission. These are the keys to your reformation. Until you learn this and accept it your punishments will continue." Constance Brewer is facing nine years in Newgate Prison for theft with no hope for early release. Her future appears bleak, but then she is taken to see a visitor—Professor George E. Feversham, the founder of Feversham's Academy of Young Women's Correctional Education. His offer astounds her. If she completes his rehabilitation regimen she will be released and her criminal record expunged; the only requirement is that she obey him without question. She eagerly accepts his terms, but she has no intention of being rehabilitated. Escape from a man as naive as the Professor should be easy, and once free she can disappear into the London slums. But when she is captured only seconds after breaking out of her room Constance soon discovers why it is called correctional education. Will Constance submit to the Professor's discipline, or will she return to Newgate Prison until she is an old maid?

This tale of murder at a snowed-in country house is a "constant puzzle to the end . . . alive with wit" (The New York Times). The unspeakably wealthy (and generally unspeakable) Jonathan Royal has decided to throw a party and, just for fun, has studded the guest list with people who loathe one another. When a blizzard imprisons them all in Royal's country house, murder ensues, and there are nearly as many suspects as there are potential victims.

Eventually, Inspector Alleyn makes his way through the snow to put things right, in this classic whodunit by the Mystery Writers of America Grand Master. "A smooth yarn." —Kirkus Reviews (starred review)
