Our new series of crossword puzzle review books use the "Insider's Language" of the subject to help you learn the vocabulary and terminology necessary to ace your courses and exams. Are Crossword Puzzles really a useful tool for test review and studying? ABSOLUTELY!!! Solving a crossword puzzle helps you develop vocabulary, reasoning, spelling, and word attack skills. To be successful, you must be able to identify and manipulate the vocabulary words in the puzzle. This requires you to learn new vocabulary and key terms. It requires differentiating between similar words. Completing a crossword requires spelling, which forces you to use dictionary skills. By fitting in words, you will be required to evaluate, weigh, and discriminate between many similar words. As a test review tool, you will find that crossword puzzles will help you relax and enjoy your review time. They are especially effective in reducing test anxiety while teaching you essential terminology found on the test. Compared to flashcards and other vocabulary review methods, crosswords require more active thinking and engagement. If you are a visual learner, you will be attracted to puzzles because they work off a grid that is front and center. You can easily monitor your progress and identify your weaker areas. If you are a kinesthetic learner, you will enjoy the fact that the puzzles require strategy and a step-by-step process for completion. All types of learners report great satisfaction in completing a puzzle. We recommend that you use this book before beginning a formal course of study or Test Review.
