The Richest Man in Babylon - The Original 1926 Classic (Reader's Library Classics) Gildan Media LLC aka G&D Media

Dealing with unpaid taxes? Looking for investment opportunities? With home foreclosures at an all-time high and the erratic stock market damaging 401(k) accounts, people are looking for innovative ways to invest their money and improve their financial situation through different investment vehicles. Moskowitz explains what tax lien certificates are (liens against property for unpaid taxes), why they are safe investments (certain states insure them), and how they fit into an overall financial plan. This new edition includes updates to the laws and procedures of states and counties that offer tax lien certificates.

A timeless inspirational classic, The Richest Man in Babylon has been deftly relating the tenets of financial wisdom to readers for more than 90 years. Set over 4000 years ago in ancient Babylon, George Samuel Clason's captivating parables cover tips on investment, savings and managing income. They show characters being taught simple and valuable lessons on overcoming money problems that many people face today - being in debt, living paycheck to paycheck and struggling to save. First published in 1926, this book continues to set the standard as a valuable source of financial wisdom.

Money is plentiful for those who understand the simple laws which govern its acquisition. In the early 1920s, George S. Clason wrote a collection of parables set in ancient Babylon that provided guidance on one's financial well-being. These parables were distributed as pamphlets to U.S. banking and insurance customers and were so well-received by the public that in 1926, the parables were collected into one volume under the title of his most famous story, The Richest Man in Babylon. Largely seen as a classic in personal financial advice, The Richest Man in Babylon has provided millions with guidance and inspiration for financial wellness.
