 This newly discovered short story by one of the greatest writers of twentieth-century American literature, F. Scott Fitzgerald, will surprise and delight. Thank You for the Light is a masterfully crafted story—sparse, strange, and wonderful, albeit a departure from Fitzgerald’s usual style. A widowed, corset saleswoman, Mrs. Hanson, whose chief pleasure in life is cigarettes, discovers that social disapproval of smoking is widespread in her new sales territory. Deprived of this simple comfort, she receives solace, and a light, from an unexpected source. Fitzgerald originally submitted the story to The New Yorker in 1936, four years before his death, but it was rejected. The editors

said that it was “altogether out of the question” and added, “It seems to us so curious and so unlike the kind of thing we associate with him and really too fantastic.” Almost eighty years later, Fitzgerald’s grandchildren found the story among his papers and the Fitzgerald scholar James West encouraged them to send the story to the magazine once again. This time around the magazine decided to publish it, and now it is available in this special eBook edition. Cambridge University Press

Set in the Jazz Age on Long Island, the novel depicts narrator Nick Carraway's interactions with mysterious millionaire Jay Gatsby and Gatsby's obsession to reunite with his former lover, Daisy Buchanan. Gatsby continues to attract popular and scholarly attention. The novel was most recently adapted to film in 2013 by director Baz Luhrmann, while modern scholars emphasize the novel's treatment of social class, inherited wealth compared to those who are self-made, race, environmentalism, and its cynical attitude

towards the American dream. As with other works by Fitzgerald, criticisms include allegations of antisemitism. The Great Gatsby is widely considered to be a literary masterwork and a contender for the title of the Great American Novel.

The Rich Boy - Francis Scott Fitzgerald - Fitzgerald's short story "The Rich Boy" (like his novel The Great Gatsby) utilizes an outside narrator to tell the story of a wealthy protagonist in a sympathetic but still somewhat distanced way. Here the protagonist is Anson Hunter, a well-to-do young New Yorker, who would seem to have the whole world ahead of him and the streets paved in gold. By his early twenties, he has found his ideal woman as well: the exquisite -- and very rich -- Paula Legendre. On the surface, Paula would not seem to be the type of girl that would exert such a pull on Anson. Anson seems to have a lot of oats to sow, and Fitzgerald describes Paula as being "conservative and rather proper." But he is, nonetheless, obsessed by her, not because she represents the money he wants -- after all, he already has enough of his own -- but because she represents the social system that justifies his existence. In his world, responsible older men (like his uncle Robert) hold the reins of government and

business; chaste and proper women (like Paula and her mother) maintain the rules of propriety and etiquette; and, until they get old enough to assume the mantle of responsible older manhood, playboys like Anson play. That is all Anson thinks he is doing right now. Just as he sees in himself the undeveloped kernel of a future leader, he sees in Paula the kernel of a future society matron. He thinks they would make a good pair. What he doesn't realize, however, is that his virtually unlimited wealth has within it the power to corrupt him, and it's already doing a good job. His first problem is that he sees himself as superior. He carries himself that way; Fitzgerald says that ". . . He had a confident charm and a certain brusque style, and the upper-class men who passed him on the street knew without being told that he was a rich boy and had gone to one of the best schools. . . . Anson accepted without reservation the world of high finance and high extravagance, of divorce and dissipation, of snobbery and of privilege."
