This third edition contains new and upgraded pedagogic features, including chapter summaries, key terms and definitions, and questions for reflection and discussion. Religions in the Modern World: Traditions and ... Your Holiness, how important is religion in the modern world? Do we really need it? HH: Religious influence is mainly at the individual level. Irrespective of one's faith or philosophy, transformation takes place within. In a way, that should give us hope. Materially, many have lost hope. However, at a deeper level, faith will sustain hope. The Place of Religion in the Modern World Religions in the Modern World: Traditions and Transformations, Third Edition is the ideal textbook for those coming to the study of religion for the first time, as well as for those who wish to keep up-to-date with the latest perspectives in the field. Religions in the Modern World | Traditions and ... Throughout most of the world, the primary force of secularization is either colonialism (e.g., India) or globalization (e.g., the Middle East). These are very good examples for talking about public religions in the modern world because the external nature of the secularizing force is far more clear. Public Religions in the Modern World: José Casanova ... The Religious and the Secular in the Modern World. The modern world, in its self-awareness, is the product of the disengagement of the secular from the religious, which makes the discussion of this issue particularly fraught. The religious overshadowed the secular at one point in the history of the Western world. The Religious and the Secular in the Modern World | HuffPost Public Religions in the Modern World. In a sweeping reconsideration of the relation between religion and modernity, Jose Casanova surveys the roles that religions may play in the public sphere of modern societies. Public Religions in the Modern World, Casanova One modern academic theory of religion, social constructionism, says that religion is a modern concept that suggests all spiritual practice and worship follows a model similar to the Abrahamic religions as an orientation system that helps to interpret reality and define human beings, and thus religion, as a concept, has been applied inappropriately to non-Western cultures that are not based upon such systems, or in which these systems are a substantially simpler construct. List of religions and spiritual traditions - Wikipedia The modern meaning of the phrase "world religion," putting non-Christians at the same level as Christians, began with the 1893 Parliament of the World's Religions in Chicago. Major religious groups - Wikipedia José Casanova's Public Religions in the Modern World reevaluates the theory of secularization in light of the global resurgence of religion during the last four decades, focusing on the phenomenon of "deprivatization," or religious re-engagement in the public sphere. The reemergence of religion as a major force in world politics challenged long-held assumptions about the relationship between secularization and modernity.
