THE MAN IN THE BROWN SUIT BY AGATHA CHRISTIE  
 Newly-orphaned Anne Beddingfeld is a nice English girl looking for a bit of adventure in London. But she stumbles upon more than she bargained for! Anne is on the platform at Hyde Park Corner tube station when a man falls onto the live track, dying instantly. A doctor examines the man, pronounces him dead, and leaves, dropping a note on his way. Anne picks up the note, which reads "17.1 22 Kilmorden Castle". The next day the newspapers report that a beautiful ballet dancer has been found dead there-- brutally strangled. A fabulous fortune in diamonds has vanished. And now, aboard the luxury liner Kilmorden Castle, mysterious strangers pillage her cabin and try to strangle her. What are they looking for?

Why should they want her dead? Lovely Anne is the last person on earth suited to solve this mystery... and the only one who can! Anne's journey to unravel the mystery takes her as far afield as Africa and the tension mounts with every step... and Anne finds herself struggling to unmask a faceless killer known only as 'The Colonel'

After receiving a letter from beyond the grave, Carla Crale believes her mother, who died in prison, was wrongly convicted of her father's murder. In a passionate attempt to clear her name,

she persuades those present on the day of her father's death to return to the scene of the crime and "go back" 16 years to recount their version of events. An unusual take on the traditional murder mystery, the action of the play slips seamlessly from past to present, examining the danger of relying on personal testimony warped by time, prejudice and perception. By studying each suspect's testimony, and the various inconsistencies between them, the drama arrives at a disturbing and terrible truth. "Demonstrates the author's uncanny skill. The answer to the riddle is brilliant." THE TIMES

#### **The Last Seance** Panbooks

A fascinating exploration of the contents of Agatha Christie's seventy-three private notebooks, including illustrations and two unpublished Poirot stories When Agatha Christie died in 1976, at age eighty-five, she had become the world's most popular author. With sales of more than two billion copies worldwide, in more than one hundred countries, she

had achieved the impossible—more than one book every year since the 1920s, every one a bestseller. So prolific was Agatha Christie's output—sixty-six crime novels, twenty plays, six romance novels under a pseudonym and more than one hundred and fifty short stories—it was often claimed that she had a photographic memory. Was this true? Or did she resort over those fifty-five years to more mundane methods of working out her ingenious crimes? Following the death of Agatha's daughter, Rosalind, at the end of 2004, a remarkable legacy was revealed. Unearthed among her affairs at the family home of Greenway were Agatha Christie's private notebooks, seventy-three handwritten volumes of notes, lists and drafts outlining all her plans for her many

books, plays and stories. Buried in this treasure trove, all in her unmistakable handwriting, are revelations about her famous books that will fascinate anyone who has ever read or watched an Agatha Christie story. How did the infamous twist in *The Murder of Roger Ackroyd* really come about? Which very famous Poirot novel started life as an adventure for Miss Marple? Which books were designed to have completely different endings, and what were they? What were the plot ideas that she considered but rejected? Full of details she was too modest to reveal in her own autobiography, this remarkable new book includes a wealth of excerpts and pages reproduced directly from the notebooks and her letters, plus, for the first time, two newly discovered

complete Hercule Poirot short stories never before published.
