Meeting the right person is rare, but

when the opportunity calls...you answer. Aspen "Blade" Carlisle is the last of his Delta Force team to find love...and he's pretty bummed about that fact. Which might explain why he finds himself chatting up a telemarketer as if she's a long-lost friend. But Wendy is surprisingly easy to talk to, so when they go from occasional calls during her work, to nightly conversations on their cells, it somehow feels right. So right, Blade eventually convinces the funny, sweet woman to meet him in person. When

their first face-to-face meeting gets high-jacked, Wendy Tucker is sure she and Aspen made a big mistake in taking their relationship to the next level. But the man is nothing if not persistent. Before long, Wendy's allowing the handsome soldier to spend more time with her and Jack, the teen brother she's raising, than anyone she's ever dated. Though she knows there are limits to how close she can get to Aspen, no matter how much she likes him. Limits carefully constructed to protect Wendy and Jack from a past they've been running from for years. But dating Blade means having an entire team of Deltas at her back. Which may come in handy not just with Wendy's past...but also when her brother faces a current threat.

When you give your heart to a soldier, every moment is precious. While life is blossoming at home, death awaits abroad and a hero's work is never done.

Wolf and his fellow SEAL team members have saved many lives, and been in even more harrowing situations, but their latest mission might prove the most difficult of all. Charged with rescuing American soldier, Sergeant Penelope Turner, from the clutches of ISIS, the men infiltrate the refugee camp where she's believed to be held. The conditions are horrific, the search nearly impossible, but Penelope herself could prove the key to their success...if the SEALs can interpret her clues. An unforgiving desert, perilous mountain terrain, a rising body count and insurgents on the hunt...all of this and more stands between the SEALs completing their mission and returning home to their women, left to bravely deal with fears of their own stateside.

Sometimes a mission is more than one team can handle. With a little help from newfound friends, the SEALs won't stop until they've won the day. Failure is not an option. ** Protecting the Future is the 8th book in the Seal of Protection Series. Thirty-seven, recently divorced, and childless. That's Charlotte when she disembarks from the plane in Getaway Bay. She wants to get away, that's for sure. She's hoping as she overhauls the house, she'll get a life makeover too. She was not expecting a tall, handsome man to be under the kitchen sink when she arrives at the supposedly abandoned house. Book 6: Protecting Jessyka Kason "Benny" Sawyer was the last single man on his Navy SEAL team, but seeing the love between his friends and their women made it tough to be the odd man out all the time. Jessyka Allen had a good life, until it wasn't anymore. Finding herself in an impossible situation, with no noticeable way out, her job was an escape. Being a SEAL, Benny thought he knew the true meaning of teamwork and friendship. But Jess would show him that everything he thought he knew about sacrifice, trust, and love, paled in

comparison to what she brought into his world.

Second Shot with #76 EverAfter Romance

Alabama didn't have a good start to life. Emotionally and physically abused by her mama, Alabama spent her high school years in foster care. People let her down, time after time, and she'd learned to rely on only herself.

Christopher "Abe" Powers earned his nickname because he tolerated nothing less than absolute honesty from the people around him. Finding the bar scene stale and having watched his friend and teammate, Wolf, find the woman of his dreams, Abe was determined to find someone to share his life with too. Alabama and Abe had no idea their paths would cross and their

prayers would be answered, but like most things in life, nothing is ever as easy as it seems at first. Two words would change both their lives and they'd have to fight hard for their happy ever after.

A second chance at happiness is rare, but they will stop at nothing for love and family. At just ten years old, Tommy has already been through more horror than most people suffer their entire lives. So when he's placed in his latest foster home, under the gentle care of Abe and Alabama Powers, he lashes out. He's scared, confused, angry...and convinced it won't be long before these new foster parents send him away, too. No one wants a boy his age, especially one

who's broken, dirty. It'll take all of Alabama and Abe's love, the sibling adoration of his foster sisters, Brinique and Davisa, and Abe's entire extended SEAL family to prove to Tommy that being nice, being respectful, and opening his heart to love are things he can choose. Even still, despite so much support, it's hard for Tommy to believe he deserves a loving family, and a second chance at happiness. Until one of the most unexpected friends arrives, just when Tommy needs him the most. He'll show the little boy just how special he is...even if he has to use a little magic to prove it. **Protecting Alabama's Kids is in the SEAL of Protection Series.
