Get the first three books in the popular Kelly Brothers series from New York Times and USA Today Bestselling Author Crista McHugh at special price. The Sweetest Seduction (Book 1): Lia Mantovani has created one of the hottest restaurants on Chicago's Magnificent Mile, but all that could disappear if she loses her lease with Kelly Properties. Having had her dreams ripped away from her before, she'll do everything in her power to keep her restaurant. Her fate hangs on the whims of the frustratingly handsome Adam Kelly.

Adam has spent years trying to convince world famous chef Amadeus Schlittler to open a restaurant in Chicago, but he wants the prime location held by Lia. Business has always come first... until sparks fly when Adam meets her. When things get hot outside the kitchen, though, they're both in danger of getting burned. Breakaway Hearts (Book 2): Hockey star Ben Kelly has retreated to his mountain cabin in the ski town of Cascade, BC, to recuperate from a season-ending knee injury and contemplate his future in the NHL. He never expects to run into the one woman who got away. Nine years may have passed, but nothing has dulled the explosive chemistry between them. Now he wants more than just one night. Hailey Eriksson had Olympic-sized dreams until

an accidental pregnancy from a one-night stand halted her ambitions. Her life was shattered when her son died. Nothing will keep her from fulfilling her promise to him to make the Olympic team, especially not the charming Ben Kelly. Unfortunately, he's out to sweep her off her feet this time, and she finds him harder and harder to resist with each passionate kiss. But when he learns about the child he never knew, will their rekindled romance be on thin ice? Falling for the Wingman (Book 3): Air Force pilot Caleb Kelly has come back home with one mission in mind—to propose to the woman whose letters and lucky charm helped him survive his deployment in Afghanistan. But when he finds their apartment empty with a note saying she's left him, he arrives at her

mother's house in rural Alabama less than a week before Kourtney is about to marry another man. Now he's out to win her heart again and gets some unexpected assistance from her younger sister, Alex. Alex Leadbetter has always thought Caleb was too good for her manipulative, social-climbing sister. She had assumed Kourtney's identity to write letters to him and keep his spirits up until he returned home to the hard truth, never expecting to fall in love with him along the way. After he shows up in town, she convinces him that the best way to get Kourtney back is to make her think he's fallen for someone new — her. But when a fake romance becomes all too real, her deception may leave them both grounded.

The growth economies of Southeast Asia are presented by the World Bank and others as exemplars of development - 'miracle' economies to be emulated. How did the region attain such status? Are the 'other' countries of Southeast Asia able to achieve such a rapid growth? This book charts the development of Southeast Asia, examining the economies of Vietnam, Laos, Cambodia and Burma alongside the established Asian market economies. Drawing on case studies from across the region, the author assesses poverty and ways in which the poor are identified and viewed. Process and change in the rural and urban 'worlds' are examined in detail, focusing on the strengthening rural-urban interaction as 'farmers' make a living in the urban-industrial sector and factories relocate into agricultural areas. Giving prominence to indigenous notions of development, based on Buddhism, Islam and the so-called 'Asian Way', the author critically assesses the conceptual foundations of development, ideas of post-developmentalism, and the 'miracle'

thesis. In the light of the experience of one of the most vibrant regions in the world, the book places emphasis on the process of modernization within wider debates of development and challenges the notion that development has been a mirage for many and a tragedy for some.

Cinema and Colour: The Saturated Image
is a major new critical study of the use of
colour in cinema. Using the dialectic of
colour and monochrome as a starting
point, Paul Coates explores the symbolic
meanings that colour bears in different
cultures, and engages with a range of

critical approaches to filmic colour,
building on the work of such theorists as
Sergei Eisenstein, Rudolf Arnheim and
Stanley Cavell. Coates also provides close
analyses of films by directors such as
Antonioni, Bergman, Godard, Hitchcock,
Hou Hsiao-Hsien, Sirk, Kieslowski,
Tarkovsky, Von Trier and Zhang Yimou.
Coates' focus is on films that deliberately
exploit the rich multiplicity of cultural
meanings and associations ascribed to
colour, including *All That Heaven Allows*,
Deux ou trois choses que je sais d'elle, *The*
Double Life of Véronique, *The Flight of the*
Red Balloon, *Red Desert*, *Schindler's List*,
Silent Light, *Solaris*, *The Three Colours*
Trilogy and *The Wizard of Oz*.

Dance on its Own Terms: Histories and
Methodologies anthologizes a wide range
of subjects examined from dance-centered
methodologies: modes of research that
are emergent, based in relevant systems
of movement analysis, use primary
sources, and rely on critical, informed
observation of movement. The anthology
fills a gap in current scholarship by
emphasizing dance history and core
disciplinary knowledge rather than

theories imported from disciplines outside dance. Individual chapters serve as case studies that are further organized into three categories of significant dance activity: performance and reconstruction, pedagogy and choreographic process, and notational and other written forms that analyze and document dance. The breadth of the content reflects the richness and vibrancy of the dance field; each deeply informed examination serves as a window opening onto the larger world of dance. Conceptually, each chapter also raises concerns and questions that point to broadly inclusive methodological applications. Engaging and insightful, *Dance on its Own Terms* represents a major contribution to research on dance.

Soulacoaster Crista McHugh

Who is R. Kelly? Three-time Grammy winner, who has sold more than 35 million records worldwide. Legendary writer and producer, who collaborated with such music icons as Michael Jackson, Celine Dion, Jay-Z, and Aretha Franklin. Visionary cultural messenger, who created the hip hopera phenomenon *Trapped in the Closet*. Creative genius. Sex symbol. The man who puts the "R" in R&B. Through the iconic anthem "I Believe I Can Fly" and such sexy R&B mega-hits as "Bump N' Grind," "Ignition," and "When a Woman's Fed Up," R. Kelly has proven to be one of the greatest musical talents of his generation. Yet his rollercoaster ride to the top has been as perilous as it has been exhilarating. In *Soulacoaster: The Diary of Me*, Kelly shares his life story through

episodic tales and exclusive color photographs, exploring his meteoric rises and sudden falls. From the crippling learning disorder that rendered him unable to read or write, to the teacher/mentor who prophesized that his destiny was in music, not basketball, we follow his evolution from Chicago street performer to struggling L.A. musician and beyond. Kelly reveals his hard-won ascent to superstardom and his battle to move forward after legal and personal ordeals that threatened to destroy his life. Now back at the top, Kelly recounts the surprising twists and turns that have taken him to new heights of maturity and artistry. Part memoir, part keepsake, *Soulacoaster* unlocks the door to R. Kelly's story as only he can tell it, promising his fans an intimate and unforgettable ride. *Camp, Cultural Value, and the MGM Musical* Ballantine Books

This is a roller-coaster ride through the history and present of popular music - from The Monkees, The Rolling Stones, Nana Mouskouri and Neil Diamond to Cat Power, Antony and the Johnsons, Franz Ferdinand and the Yeah Yeah Yeahs, and covering such Australian mainstays as

Nick Cave and the Bad Seeds, Mark Seymour, Paul Kelly and the Countdown spectacular. Robert Forster was a Go-Between and now has an acclaimed solo career. But in recent times he has established himself as one of the finest music critics in the business. This book gathers that writing into an entertaining whole and also includes several new pieces: Forster outlines the 10 Rules of Rock and Roll, reflects on the influence of The Velvet Underground and movingly remembers his partner in The Go-Betweens, Grant McLennan. Black Inc.

With their lavish costumes and sets, ebullient song and dance numbers, and iconic movie stars, the musicals that mgm produced in the 1940s seem today to epitomize camp. Yet they were originally made to appeal to broad, mainstream audiences. In this lively, nuanced, and provocative reassessment of the mgm musical, Steven Cohan argues that this seeming incongruity—between the camp value and popular appreciation of these musicals—is not as contradictory as it seems. He demonstrates that the films' extravagance and queerness were

deliberate elements and keys to their popular success. In addition to examining the spectatorship of the mgm musical, Cohan investigates the genre's production and marketing, paying particular attention to the studio's employment of a largely gay workforce of artists and craftspeople. He reflects on the role of the female stars—including Judy Garland, Debbie Reynolds, Esther Williams, and Lena Horne—and he explores the complex relationship between Gene Kelley's dancing and his masculine persona. Cohan looks at how, in the decades since the 1950s, the marketing and reception of the mgm musical have negotiated the more publicly recognized camp value attached to the films. He considers the status of *Singin' in the Rain* as perhaps the first film to be widely embraced as camp; the repackaging of the musicals as nostalgia and camp in the *That's Entertainment!* series as well as on home video and cable; and the debates about Garland's legendary gay appeal among her fans on the Internet. By establishing camp as central to the genre, *Incongruous Entertainment* provides a new way of looking at the musical.

The Queen B*, Alexis Wyndham, has only three rules when it comes to dating the star quarterback, Brett Pederson: 1. No obligations to spend every waking

moment with each other. 2. No public displays of affection while at Eastline High. 3. And absolutely, under no circumstances, will she ever go to the Homecoming dance. But as her life is completely upended time and time again, she begins to wonder if some rules are meant to be broken.

"They were pioneers in the most glamorous business in the world, and you only know half of their story. *Playbills To Photoplays* reveals colorful episodes in the lives of the stars before they became stars. Everyone saw them, but few knew where they came from. This collection of essays follows some of the most famous names in show business from Vaudeville and Broadway to Hollywood, revealing a part of their lives that movie historians have neglected -- until now. I think this book is terrific. It's a must read for any fan of the silver screen, and the days when movie stars were real stars." - Morgan Loew, great-grandson of Adolph Zukor, founder, Paramount Pictures, and Marcus Loew, founder, Loews Theaters and MGM. "Ms. Loew's choice of performers to write

about is amazingly diverse and fascinating, from character actors like Conrad Veidt to major stars like Katharine Hepburn. She has written a most compelling book about their transitions from stage to film... many of the stories new to me. Wonderful!" - Joan Benny, daughter of comedian, Jack Benny, one of America's greatest entertainment icons of the 20th century, whose career included vaudeville, radio, movies and television. "A nice compilation of essays on film stars who made the transition from the stage to early talkies with essays on Al Jolson, Mae West, Eddie Cantor, Harpo Marx, Spencer Tracy, Clark Gable, Charley Grapewin, Ed Wynn, and the Morgans (Frank and Ralph). Some essays were much better than others - I loved the one on the Morgans, Burns and Allen, Harpo Marx, and Katharine Hepburn... I would highly recommend the book as it gives you a good idea what vaudeville and the Broadway stage was like in the early 20's and what it was about these stars that allowed them to make the transition." - Librarything.com "...big stars as well as a raft of character actors, and decorated with dozens of striking photos...perceptive

close-ups that make for vibrant film criticism...engaging profiles of Old Hollywood icons..." - Kirkus "Performers attempting to breakthrough will find this book inspirational!" - An Aspiring Actor Motion pictures with recorded sound -- known as "talking pictures", or "talkies"-- signaled the end of silent films and created some of the greatest entertainment icons of the twentieth century. *Playbills To Photoplays: Stage Performers Who Pioneered the Talkies* introduces a new generation to the real life struggles and careers of talented, hard working, early twentieth century vaudeville and stage entertainers who migrated to sound film. Twenty-eight essays and over one hundred photographs examine the actors before, during, and after the revolutionary new sound film technology catapulted many of them to superstardom during Hollywood's Golden Age. *Playbills To Photoplays: Stage Performers Who Pioneered the Talkies* explains the social, political, economic, historical, and cultural issues that shaped each performer's body of work, acting technique, persona, and public following over time.
