Chalet Girl Plays Cupid: (A Free Short Story) (Ski Season, Book 6) Macmillan + ORM

Liz Lochhead is one of the leading poets writing in Britain today. Her debut collection, *Memo for Spring* (1972), was a landmark publication. Writing at a time when the landscape of Scottish poetry was male dominated, hers was a fresh, new voice, tackling subjects that resonated with readers – as it still does. Her poetry paved the way, and inspired, countless new voices including Ali Smith, Kathleen Jamie, Jackie Kay and Carol Ann Duffy. Still writing and performing today, more than fifty years on from her first book of poetry, Liz Lochhead has been awarded the Queen's Gold Medal for Poetry and was Scotland's second modern Makar, succeeding Edwin Morgan.

Dear Reader, As I was about to start my eleventh novel, I abruptly realized that I was making a huge mistake. On the verge of launching into the imagined world of a twenty-eight-year-old, I felt an intense need to tell another story, the story of a woman I know through and through...a woman with more wealth of experience, a woman who's seen more real glamour, known more fascinating people, lived in a world of more sophistication, and arrived at more hard-won maturity than that twenty-eight-year-old could hope for---in short, my own story. I've tried to remain as unknowable as possible, the better to let my heroines hold the stage, but now I was ready to tell the truth about myself, with no holding back. I've had a different life from that of the majority of women of my generation and background. While I seemed like another "nice Jewish girl," underneath that convenient cover I'd traveled my own, inner-directed path and had many a spicy and secret adventure. I grew up in a complicated tangle of privilege, family problems, and tormented teenaged sexuality. After a riotous education at Wellesley, my life was turned upside down by a glorious year in Paris, marked by an intense but ill-starred romance. I spent the next half-decade in New York, sowing lighthearted wild oats until I finally met my true love, to whom I've been married for forty-six years. When I was fifty I had an utterly unexpected, almost unbelievable success as a number-one bestselling novelist that has continued for book after book. Challenging, lucky, exciting, and often devastatingly askew, my life seems to have been lived under a wild and antic star. I've had as much amazing fun as my heroines, and here's the book to prove it. Judith Krantz

Prison for Oscar Wilde, an English prison with its insufficient bad food[1] and soul-degrading routine for that amiable, joyous, eloquent, pampered Sybarite. Here was a test indeed; an ordeal as by fire. What would he make of two years' hard labour in a lonely cell? There are two ways of taking prison,

as of taking most things, and all the myriad ways between these two extremes; would Oscar be conquered by it and allow remorse and hatred to corrupt his very heart, or would he conquer the prison and possess and use it? Hammer or anvil-which? Victory has its virtue and is justified of itself like sunshine; defeat carries its own condemnation. Yet we have all tasted its bitter waters: only "infinite virtue" can pass through life victorious, Shakespeare tells us, and we mortals are not of infinite virtue. The myriad vicissitudes of the struggle search out all our weaknesses; test all our powers. Every victory shows a more difficult height to scale, a steeper pinnacle of god-like hardship—that's the reward of victory: it provides the hero with ever-new battle-fields: no rest for him this side the grave.

Myself When Young: Confessions is an autobiography by Alec Waugh. Waugh was a British novelist who lived much of his life overseas and authored numerous short stories. Excerpt: "I suppose that I must have in some such way spent{24} the week previous to my confession. Or perhaps I felt that I needed organising, that it was on such lines my time should be arranged, and that by the mere fact of writing down a time-table I should "Coué" myself into an observance of it; at any rate it is not, I need perhaps hardly say, very much like that. I do not confine my entertainment entirely to the weekends. Usually three days a week in summer-time are spent lazily on a cricket field. Were I to maintain an average rate of ten thousand words a week, I should produce some half a million words a year, and heaven knows what I should do with them. Nor am I very often down to breakfast by half-past eight."

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever."—Susanna Kearsley, *New York Times* bestselling author of *Belleweather* and *The Vanished Days* A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes interwoven with that of Mei Lein. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk

everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*

Skiing in movies, like the sport itself, grew more prevalent beginning in the 1930s, when it was a pastime of the elite, with depictions reflecting changes in technique, fashion and social climate. World War II saw skiing featured in a dozen films dealing with that conflict. Fueled by postwar prosperity, the sport exploded in the 1950s--filmmakers followed suit, using scenes on snow-covered slopes for panoramic beauty and the thrill of the chase. Through the free-spirited 1960s and 1970s, the downhill lifestyle shunned into everything from spy thrillers to beach party romps. The extreme sports era of the 1980s and 1990s brought snowboarding to the big screen. This first ever critical history of skiing in film chronicles a century of alpine cinema, with production information and stories and quotes from directors, actors and stuntmen.

Sex and Shopping: The Confessions of a Nice Jewish Girl HarperCollins UK

A druid-turned-nun writes of faith, love, loss, and religion in this "beautifully written and thought-provoking book" set at the dawn of Ireland's Christian era (Library Journal) Cloistered in a stone cell at the monastery of Saint Brigit, a sixth-century Irish nun secretly records the memories of her Pagan youth, interrupting her assigned task of transcribing Augustine and Patrick. She revisits her past, piece by piece—her fiercely independent mother, whose skill with healing plants and inner strength she inherited; her druid teacher, the brusque and magnetic Giannon, who introduced her to the mysteries of the written language. But disturbing events at the cloister keep intervening. As the monastery is rent by vague and fantastic accusations, Gwynneve's words become the one force that can save her from annihilation. "As a slant of sunlight illuminates jewels long buried, Kate Horsley's novel brings words to an ancient silence and a living, vivid presence to people who lived in that time of great changes and estrangements we call the Dark Ages." —Ursula K. Le Guin
